Re: Navarro County – Liability Renewal Questionnaire

Thank you for participating in TAC Risk Management Pool's Liability Programs. As we prepare your January 2016 renewal, there are a few questions we need you to answer so that we can provide you the most comprehensive and cost effective Liability Coverage possible. To ensure that we have up-to-date information, please fill out each page completely and make any changes directly to the document. You can also provide supplemental sheets as necessary. Please note that omitted information may result in an exclusion from coverage.

The Interlocal Participation Agreement, Section 4. Annual Contribution, 4.01 requires that the member timely submit to the Pool documentation necessary for the Pool to properly underwrite the renewal.

Some of the new Liability Coverage enhancements that we are presenting this year are:

- **Cyber Liability** has been added to the Public Officials Coverage at no additional cost.
- **Back Wages:** Limits have been increased under the Public Officials Liability Coverage to \$50,000 per claim and \$100,000 aggregate at no additional cost.
- **Garagekeeper's Liability Coverage:** This coverage will be included in the General Liability program at no additional cost.

Please complete the Liability Renewal Questionnaire and return it and any supplemental documents within 30 days. If you need help completing the Liability Renewal Questionnaire, please contact me at 800-456-5974 or kathiel@county.org.

1775

We value your membership in the TAC Risk Management Pool and look forward to another successful year! Please do not hesitate to contact me if you would like to discuss your coverage options.

Sincerely,

A handwritten signature in cursive script that reads "Kathie Lopez".

Kathie Lopez

TEXAS ASSOCIATION *of* COUNTIES RISK MANAGEMENT POOL

Liability Renewal Questionnaire

Member: Navarro County

Coverage Period: January 1, 2016 through January 1, 2017

Thank you for participating in the TAC Risk Management Pool's Liability program. As we prepare your renewal, there are a few questions we need you to answer so that we can provide you the most comprehensive and cost effective coverage possible. Pursuant to the Interlocal Participation Agreement, Section 4. Annual Contribution, 4.01 requires that the member timely submit to the Pool documentation necessary for the Pool to properly underwrite the renewal. To ensure that we have up-to-date information, please fill out each page completely and make any changes directly to this document. You can also provide supplemental sheets as necessary. **NOTE: Omitted information may result in an exclusion from coverage.**

The following coverage is eligible for renewal:

- Auto Liability
- Auto Physical Damage
- General Liability

Your Vehicle Schedule is attached to this renewal questionnaire. We ask that you review your Vehicle Schedule carefully and report any of the following:

- Sold or totaled vehicles
- Newly purchased or obtained vehicles

We value your membership in the TAC Risk Management Pool and look forward to another successful year! If you have any questions or need help completing the Renewal Questionnaire, please contact your Member Services Representative Kathie Lopez at 800-456-5974 or kathiel@county.org.

Pool Coordinator

Our records indicate that the Member has designated the individual below as the Pool Coordinator for this coverage. In accordance with the terms of the Interlocal Participation Agreement, the Pool Coordinator has express authority to represent and to bind the Member, and the Pool will not be required to contact any other individual regarding matters arising from or related to this Agreement. If the Member wishes to change or update the Pool Coordinator information, please make the necessary changes below.

Pool Coordinator: Brittney Simon

Email: bsimon@navarrocounty.org

Phone Number: (903) 654-3095

Fax Number: (903) 654-3097

Address: 601 N 13th St Ste 6

City, State, Zip: Corsicana TX, 75110

Liability Renewal Questions

1. Please update the total number of Navarro County employees, including elected officials.

	Total	Airport	Hospital	
Full Time Employees:				Full Time = 35 or more hours per week
Part Time Employees:				Part Time = Less than 35 hours per week
Volunteers:				Volunteer = Actively serving

Auto Liability

Current Auto Liability Deductible: \$1,000

To make changes to your current Auto Liability coverage, please complete the section below:

Coverage	Currently Included	Add to Coverage	Reject from Coverage	Current Limit	Change Limit	Limit Options
Auto Liability	<input checked="" type="checkbox"/>			\$100,000/\$300,000/\$100,000	<input type="checkbox"/>	<input type="checkbox"/> \$100k/\$300k/\$100k <input type="checkbox"/> \$250k/\$500k/\$250k <input type="checkbox"/> \$1,000,000 <input type="checkbox"/> \$2,000,000
Personal Injury Protection	<input checked="" type="checkbox"/>		<input type="checkbox"/> Reject	\$5,000		
Uninsured / Underinsured Motorist	<input checked="" type="checkbox"/>		<input type="checkbox"/> Reject	\$30,000/\$60,000/\$25,000	<input type="checkbox"/>	<input type="checkbox"/> \$30k/\$60k/\$25k <input type="checkbox"/> \$50k/\$100k/\$50k <input type="checkbox"/> \$100k/\$300k/\$100k

Vehicle Schedule Verification

Yes, I have reviewed Navarro County's Vehicle Schedule, and made corrections and updates which are incorporated into this Liability Renewal Questionnaire.

Auto Physical Damage

Current Auto Physical Damage Collision Deductible: \$1,000
 Current Auto Physical Damage Comprehensive Deductible: \$1,000

1778

General Liability

Current General Liability Deductible: \$5,000

To make changes to your current General Liability coverage, please complete the section below:

Coverage	Currently Included	Add to Coverage	Reject from Coverage	Current Limit	Change Limit	Limit Options
General Liability	<input checked="" type="checkbox"/>			\$100,000/\$300,000/\$100,000	<input type="checkbox"/>	<input type="checkbox"/> \$100k/\$300k/\$100k <input type="checkbox"/> \$250k/\$500k/\$250k <input type="checkbox"/> \$500,000 <input type="checkbox"/> \$1,000,000 <input type="checkbox"/> \$2,000,000
Law Enforcement Watercraft		<input type="checkbox"/> Add				

1. How many law enforcement watercrafts under 26 feet, do you own? _____

2. Does your county own an airport? Yes No

If yes, who operates the airport? _____

If the airport is privately operated, the Pool recommends Navarro County request a currently dated Certificate of Insurance issued by the airport operator's insurance agent or company that names the County as an Additional Insured and includes the following coverage as applicable:

- General Liability
- Professional Liability (airport facility operations)
- Employment Practices Liability
- Property (if the County owns the building)

Unreported Claims

Are you, or any officer or employee, aware of, or have knowledge of any circumstance, occurrence, fact or event which is likely to be a basis of a claim, either now or in the future? Yes No

If yes, please describe:

Has the situation been reported to TAC Claims Department? Yes No

1119

Acknowledgement and Acceptance

Navarro County (MEMBER) acknowledges that the information submitted in this questionnaire and Auto Schedule is true and accurate, including all known potential claims. The information submitted may be used by the Pool in processing the renewal and in assessing the coverage needs of MEMBER. The questions posed, or any wording of the questionnaire, should not and may not be relied upon by MEMBER as implying that coverage exists for any particular claim or class of claims. The only coverage provided by the Pool to MEMBER is as described in the applicable Coverage Document, including any endorsements and the Contribution and Coverage Declaration, issued to a covered MEMBER.

MEMBER acknowledges and agrees that vehicles not listed on the attached vehicle schedule, and/or additionally identified by MEMBER as an update to the attached vehicle schedule, will not be provided coverage during the Coverage Period.

If MEMBER makes no changes, the Pool will assume MEMBER is requesting renewal for the same Liability Coverage as in the previous applicable Coverage Period. MEMBER understands that any failure to fully and accurately answer the questionnaire and any attached schedules may result in denial of coverage provided by the Pool.

Signature of County Judge or presiding official of the Political Subdivision

AFFIDAVIT SUBMITTED BY
Ryan Douglas
NAVARRO COUNTY TREASURER

STATE OF TEXAS

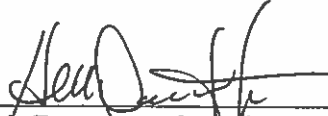

COUNTY OF NAVARRO

Before me, the undersigned authority, on this day personally appeared the following named persons, and after being duly sworn, deposes and says: Honorable H. M. Davenport, Jr., County Judge, Honorable Jason Grant, Commissioner Pct. 1, Honorable Richard Martin, Commissioner Pct. 2, Honorable David Warren, Commissioner Pct. 3, and Honorable James Olsen, Commissioner Pct. 4.

I, Ryan Douglas, the Navarro County Treasurer, on this 26th day of October, 2015 present to the Navarro County Commissioners Court the Monthly Financial Report for the month ending on September 30, 2015 for the court to review and approve. This report is in compliance with section 114.026 of the Local Government Code, so therefore we hereby execute this affidavit for publication.

With this signed affidavit, We the Commissioners Court, state that the requirements of Subsection (C) have been met with the examination of this report.

Signed and executed this 26th day of October, 2015.

H. M. Davenport Jr., County Judge

Jason Grant – Commissioner Pct 1

Richard Martin – Commissioner Pct 2

David Warren – Commissioner Pct 3

James Olsen – Commissioner Pct 4

SWORN AND SUBSCRIBED TO BEFORE ME, this 26th day of October, 2015 by H. M. Davenport, Jr., Jason Grant, Richard Martin, David Warren, and James Olsen, in their official capacities as the members of the Navarro County Commissioners Court.

Sherry Dowd – Navarro County Clerk

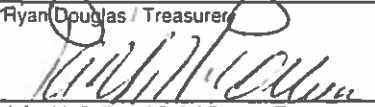

1781

Texas County Transportation Infrastructure Fund

TxDOT awarded approximately \$225 million in grant funds to 191 Counties under the Transportation Infrastructure Fund.

GrantWorks is currently assisting over 30 of these counties with their project delivery needs to ensure successful and timely completion of their grant awards.

How is the program going?

As of the end of May 2015, TxDOT has reimbursed less than 30% of its state allocation and several counties have struggled with knowing how to begin.

Why GrantWorks?

Our grant management team of 60 professionals in planning, economic/community development, civil engineering, and GIS mapping have successfully managed over \$1 billion in federal and state grants for local governments.

Our grant managers are qualified in TxDOT's Local Government Program Procedures and are implementing over \$80 million in the TxDOT TIF grant program.

GrantWorks is here to assist you at each step in the grant process, from planning and application through project management and close-out.

- Reduce audit findings and concerns in key trouble areas such as procurement and labor standards
- Provide project management services to lighten the administrative burden of county officials and staff
- Coordinate updates to the County's transportation infrastructure priority list with commissioners, road/bridge, engineers
- Assist the county auditor with year-end reporting to the Comptroller
- Assist with organizing the annual Commissioners' Road Reports

2015 Home Care and Hospice Month Proclamation

Whereas, home care services provide high quality and compassionate health care services to those in need, especially at times of community or personal health care crisis; and

Whereas, home care is the most preferred method of health care delivery among disabled, elderly, and chronically ill individuals eager to live independently in their own homes as long as they possibly can; and

Whereas, home care in Texas is a growing alternative to hospitalization or other institution-based forms of health care for acute and chronic illnesses, providing care to hundreds of thousands of Texans each year; and

Whereas, hospice care provides humane and comforting support for terminally ill patients and their families, including pain control, palliative medical care, and social, emotional and spiritual services; and

Whereas, hospice fulfills basic human needs of feeling comfortable in familiar surroundings and of attaining physical and emotional peace during the last stage of life; and

Whereas, there is a need to increase public discussion about advances in pain control and the care options available to individuals of all ages, races, and backgrounds who are at the end of life; and

Whereas, the Texas Association for Home Care & Hospice, and home care and hospice providers in Texas have declared November 2015 as "Home Care and Hospice Month" with the theme of "Home Care & Hospice...Keeping Texans Independent" and are calling on all Texans to observe this occasion with appropriate ceremonies and activities;

Now, therefore, We, The NAVARRO County Commissioners Court do hereby proclaim November 2015 as "**HOME CARE AND HOSPICE MONTH**" and encourage the support and participation of all citizens in learning more about the home care and hospice philosophy of care for the elderly, disabled and the terminally ill.

STATE OF TEXAS §

COUNTY OF TRAVIS §

**LOCAL TRANSPORTATION PROJECT
ADVANCE FUNDING AGREEMENT
For Bridge Replacement or Rehabilitation
Off the State System**

THIS Local Project Advance Funding Agreement (the LPAFA) is made by and between the State of Texas, acting by and through the Texas Department of Transportation, called the "State," and Navarro County acting by and through its duly authorized officials, called the "Local Government."

WITNESSETH

WHEREAS, a Master Agreement between the Local Government and the State has been adopted and states the general terms and conditions for transportation projects developed through this LPAFA; and,

WHEREAS, Title 23 United States Code Section 144 authorizes federal funds to assist the states in the replacement or rehabilitation of deficient bridges located on public highways, roads, and streets, including those under the jurisdiction of local governments; and

WHEREAS, the Local Government owns one or more bridges on a public road or street located at CR SE 0120 at Rush Creek, and these bridges are included in the currently approved off-state system federal-aid Highway Bridge Replacement and Rehabilitation Program (HBRRP) as authorized by Texas Transportation Commission Minute Order Number 114335, dated August 27, 2015; and

WHEREAS, the Governing Body of the Local Government has approved entering into this LPAFA by resolution or ordinance, which is attached to and made a part of this agreement as Attachment A for the development of the specific programmed replacement or rehabilitation project, called the "Project". The Project is identified in the location map shown as Attachment B, which is attached to and made a part of this agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties, to be by them respectively kept and performed as set forth, it is agreed as follows:

CSJ #: 0918-18-129
District #: 18-Dallas

AGREEMENT

1. Period of this Agreement

The period of this LPAFA is as stated in the Master Agreement, without exception.

2. Termination of this Agreement

Termination of this LPAFA shall be under the conditions as stated in the Master Agreement. The LPAFA may be terminated by the State if the project is inactive for thirty-six (36) months or longer and no expenditures have been charged against federal funds.

3. Amendments

Amendments to this LPAFA shall be made as described in the Master Agreement, without exception.

4. Remedies

Remedies for defaults under this LPAFA shall be made as described in the Master Agreement, without exception.

5. Scope of Work

The scope of work for this LPAFA is the replacement or rehabilitation of the bridges identified in the recitals of this LPAFA. This replacement or rehabilitation shall be accomplished in the manner described in the plans, specifications, and estimates developed in accordance with this LPAFA and which are incorporated in this agreement by reference.

6. Right of Way and Real Property

- A. The Local Government is responsible for the provision and acquisition of all necessary right of way and will not be reimbursed with federal or state funds for the required right of way.
- B. The Local Government authorizes the State, its consultant, contractor, or other designated representative to enter the sites of these bridges and adjacent right of way or relocation right of way to perform surveys, inspections, construction, and other activities necessary to replace or rehabilitate these bridges and approaches.

7. Adjustment of Utilities

The Local Government shall be responsible for the adjustment, removal, or relocation of utility facilities in accordance with applicable state laws, regulations, rules, policies, and procedures, including any cost to the State of a delay resulting from the Local Government's failure to ensure that utility facilities are adjusted, removed, or relocated before the scheduled beginning of construction. The Local Government will not be reimbursed with federal or state funds for the cost of required utility work. The Local Government must obtain advance approval for any variance from established

Not Research and Development

procedures. Before a construction contract is let, the Local Government shall provide, at the State's request, a certification stating that the Local Government has completed the adjustment of all utilities that must be adjusted before construction is completed.

8. Environmental Assessment and Mitigation

Development of the Project must comply with the National Environmental Policy Act and the National Historic Preservation Act of 1966, which require environmental clearance of federal-aid projects.

- A. The State is responsible for the identification and assessment of any environmental problems associated with the development of the Project governed by this LPAFA.
- B. Cost participation in environmental assessment and remediation work shall be paid by the parties in the same ratio as construction costs and will be included in the construction costs identified in Attachment D, Estimate of Direct Costs.
- C. The State is responsible for providing any public meetings or public hearings required for development of the environmental assessment. The Local Government does not need to provide certifications to the State concerning this matter.
- D. The State will not begin construction of the Project until identified environmental problems have been remediated, unless provided for otherwise.

9. Compliance with Texas Accessibility Standards and ADA

Compliance with Texas Accessibility Standards and ADA will be as stated in the Master Agreement, without exception.

10. Architectural and Engineering Services

The State is responsible for performance of any required architectural or preliminary engineering work. The Local Government may review and comment on the work as required to accomplish the public purposes of the Local Government. The State will cooperate fully with the Local Government in accomplishing these local public purposes to the degree permitted by state and federal law. The Local Government review shall not unduly delay the development of the Project.

11. Construction Responsibilities

Construction responsibilities will be carried out by the State, as stated in the Master Agreement, without exception.

12. Project Maintenance

Project maintenance will be undertaken as provided for in the Master Agreement, without exception.

13. Local Project Sources and Uses of Funds

- A. A Project Cost Estimate is provided in Attachment D, Estimate of Direct Costs.

- B. A source of funds estimate is also provided in Attachment D. Attachment D shows the estimated direct preliminary engineering, construction engineering, and construction costs for the Project in total and by the Local Government.
- C. The Local Government participation is based upon the State's estimate of the eligible work at the time this LPAFA is executed and will not be adjusted during construction except as needed to include any Project cost item or portion of a cost item ineligible for state or federal participation. In addition to its share of estimated direct engineering and construction costs, the Local Government is responsible for the direct cost of any project cost item or portion of a cost item that is not eligible for federal participation under the federal HBRRP. The Local Government is also responsible for any cost resulting from changes made at the request of the Local Government. The State and the Federal Government will not reimburse the Local Government for any work performed before federal spending authority is formally obligated to the Project by the Federal Highway Administration. After federal funds have been obligated, the State will send to the Local Government a copy of the formal documentation showing the obligation of funds including federal award information.
- D. If the Local Government will perform any work under this contract for which reimbursement will be provided by or through the State, the Local Government must complete training before federal spending authority is obligated. Training is complete when at least one individual who is working actively and directly on the Project successfully completes and receives a certificate for the course entitled *Local Government Project Procedures Qualification for the Texas Department of Transportation*. The Local Government shall provide the certificate of qualification to the State. The individual who receives the training certificate may be an employee of the Local Government or an employee of a firm that has been contracted by the Local Government to perform oversight of the Project. The State in its discretion may deny reimbursement if the Local Government has not designated a qualified individual to oversee the Project.
- E. After execution of this LPAFA, but thirty (30) days prior to the performance of any work by the State, the Local Government shall remit to the State the amount specified in Attachment D as the local contribution for preliminary engineering. The Local Government will pay, at a minimum, its funding share for this estimated cost of preliminary engineering.
- F. Forty-five (45) days prior to the date set for receipt of the construction bids, the Local Government shall remit its remaining financial share for the State's estimated construction oversight and construction costs and any other costs owed.
- G. If, at the completion or termination of the Project, the State determines that additional funding is required by the Local Government, the State shall notify the Local Government in writing. The Local Government shall make payment to the State within thirty (30) days from receipt of the State's written notification.

- H. Whenever funds are paid by the Local Government to the State under this LPAFA, the Local Government shall remit a check or warrant made payable to the "Texas Department of Transportation Trust Fund." The check or warrant shall be deposited by the State in an escrow account to be managed by the State. Funds in the escrow account may only be applied to the State Project.
- I. Upon completion of the Project, the State will perform an audit of the Project costs. Any funds due to the Local Government, the State, or the Federal Government will be promptly paid by the owing party.
- J. The State will not pay interest on any funds provided by the Local Government.
- K. The Local Government funding participation responsibilities include Project direct costs only, except when the Project is terminated before completion at the request of the Local Government as addressed in the Termination provision of this LPAFA.
- L. The amounts shown on Attachment D are estimates only. If actual costs exceed the estimates, this shall be considered a fixed price agreement, and no additional funding shall be required of the Local Government except to the extent that the additional costs result from changes made at the request of the Local Government or to the extent that the additional costs are not eligible for federal participation under the federal HBRRP. If actual costs are less than the estimates, Local Government participation shall be recalculated based on actual costs. If the recalculation results in a reduction in participation by the Local Government, the State shall pay the difference to the Local Government upon completion of the Project.
- M. Under the provisions of Texas Transportation Code Section 222.053 certain counties qualify as Economically Disadvantaged Counties (EDC) in comparison to other counties in the state as below average per capita property value, below average per capita income, and above average unemployment, for certain years. If applicable, in consideration of such EDC status that may be applicable for the Project, the required local match fund participation has been adjusted to thirty-four percent (34%).
- N. The State will not execute the contract for the construction of a Project until the required funding has been made available by the Local Government in accordance with this LPAFA.
- O. The state auditor may conduct an audit or investigation of any entity receiving funds from the State directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

P. The Local Government is authorized to submit requests for reimbursement by submitting the original of an itemized invoice in a form and containing all items required by the State no more frequently than monthly, and no later than ninety (90) days after costs are incurred. If the Local Government submits invoices more than ninety (90) days after the costs are incurred, and if federal funding is reduced as a result, the State shall have no responsibility to reimburse the Local Government for those costs.

14. Performance by Local Government of Equivalent-Match Projects (EMP) in Return for Waiver of Local Match Participation Funding on Participation-Waived Projects (PWP)

- A. **Applicability.** If a request for waiver has been received and approved by the State's District Engineer, then the required ten percent matching fund participation or percent as adjusted for EDC consideration, as shown in Attachment D, Estimate of Direct Costs, but excluding ineligible costs under the bridge program, is waived. This waiver is based on the commitment of the Local Government to spend an equivalent amount of funds for structural or safety improvement on "other" bridge structures and other conditions as specified in 43 TAC Section 15.55(d). If a waiver has been granted, the Project shall be defined to be a PWP and the work on the "other" bridge structures that will be improved by the Local Government shall be defined to be the EMPs. Attachment C to this LPAFA shows a list of EMPs under this LPAFA.
- B. **Project Cost Estimate for PWP.** Attachment D to this LPAFA shows the estimated direct preliminary engineering, construction engineering, and construction costs for the PWP in total and local match fund participation being waived or partially waived.
- C. **Credit against EMP Work.** Any local match fund participation that has already been paid, or which the Local Government is agreeable to paying to the State, will be credited against EMP work to be performed by the Local Government. If applicable, this credit will be reflected in Attachment D to this LPAFA.
- D. **Responsibilities of the Local Government on EMPs**
 - 1. The Local Government shall be responsible for all engineering and construction, related costs, and compliance with all applicable state and federal environmental regulations and permitting requirements.
 - 2. The structural or safety improvement work on the EMPs shall be performed subsequent to the final execution of this LPAFA but within three (3) calendar years after the earliest contract award of the related PWP.
 - 3. Written documentation, suitable for audit, of the structural or safety improvement work completed on the EMPs shall be kept on file by the Local Government for four (4) years after completion of work or claims, lawsuits, or audits related to those items, whichever is longer. A notice of completion of work on the EMPs shall be delivered to the State's District Engineer no later than thirty (30)

Not Research and Development

calendar days after work is completed on the EMPs. At the request of the State, the Local Government shall submit any information required by the State in the format directed by the State.

- 4. Failure by the Local Government to adequately complete the EMPs within the stated three-year period shall result in the Local Government being excluded from receiving such waivers for a minimum of five (5) years.
- E. Funding of Ineligible or Additional Work Not Waived. Regardless of any waiver of eligible program costs, the Local Government shall pay the State one-hundred percent (100%) of the cost of any PWP item or portion of a cost item that is not eligible for federal or state participation, and one-hundred percent (100%) of the costs resulting from additional work on the PWP performed solely at the request of the Local Government. If the ineligible or additional work is preliminary engineering, the payment shall be made at least thirty (30) days prior to the beginning of preliminary engineering work on the PWP. If the ineligible or additional work is for construction or construction engineering, the payment shall be made at least forty-five (45) days prior to the date set for receipt of bids for construction of the PWP.

15. Notices

All notices to either party shall be delivered personally or sent by certified or U.S. mail, postage prepaid, addressed to that party at the following address:

State: Director, Bridge Division
Texas Department of Transportation
125 E. 11th Street
Austin, Texas 78701

Local Government: County Judge
Navarro County
Navarro County Courthouse
300 West Third Avenue
Corsicana, Texas 75110

All notices shall be deemed given on the date delivered in person or deposited in the mail, unless otherwise provided by this agreement. Either party may change the above address by sending written notice of the change to the other party. Either party may request in writing that notices shall be delivered personally or by certified U.S. mail, and that request shall be carried out by the other party.

16. Office of Management and Budget (OMB) Cost Principles

In order to be reimbursed with federal funds, the parties shall comply with the Cost Principles established in 2CFR 200 that specify that all reimbursed costs are allowable, reasonable, and allocable to the Project.

17. Lobbying Certification

The parties to this LPAFA reaffirm that no federal funds were used to lobby for Project funds, but that if any lobbying occurred, it has been reported to the State, pursuant to the requirements of the Master Agreement.

18. Incorporation Master Agreement Provisions

This LPAFA incorporates all of the governing provisions of the Master Agreement in effect on the date of final execution of this LPAFA, unless an exception has been made in this agreement.

19. Local Government Restrictions

In the case that the local government has an existing, future, or proposed local ordinance, commissioners court order, rule, policy, or other directive that is more restrictive than the state or federal regulations that results in an increase cost to the State for the project, the local government is responsible for all increased costs associated with the ordinance, order, policy, directive, or change.

20. Civil Rights Compliance

The parties to this agreement shall comply with the regulations of the U.S. Department of Transportation as they relate to nondiscrimination (49 CFR Part 21 and 23 CFR Part 200), and Executive Order 11246 titled "Equal Employment Opportunity," as amended by Executive Order 11375 and supplemented in the Department of Labor Regulations (41 CFR Part 60).

21. Disadvantaged Business Enterprise (DBE) Program Requirements

- A. The parties shall comply with the Disadvantaged Business Enterprise Program requirements established in 49 CFR Part 26.
- B. The Local Government shall adopt, in its totality, the State's federally approved DBE program.
- C. The Local Government shall set an appropriate DBE goal consistent with the State's DBE guidelines and in consideration of the local market, project size, and nature of the goods or services to be acquired. The Local Government shall have final decision-making authority regarding the DBE goal and shall be responsible for documenting its actions.
- D. The Local Government shall follow all other parts of the State's DBE program referenced in TxDOT Form 2395, Memorandum of Understanding Regarding the Adoption of the Texas Department of Transportation's Federally-Approved Disadvantaged Business Enterprise by Entity and attachments found at web address http://ftp.dot.state.tx.us/pub/txdot-info/bop/dbe/mou/mou_attachments.pdf.
- E. The Local Government shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any U.S. Department of

Transportation (DOT)-assisted contract or in the administration of its DBE program or the requirements of 49 CFR Part 26. The Local Government shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure non-discrimination in award and administration of DOT-assisted contracts. The State's DBE program, as required by 49 CFR Part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the Local Government of its failure to carry out its approved program, the State may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

- F. Each contract the Local Government signs with a contractor (and each subcontract the prime contractor signs with a sub-contractor) must include the following assurance: *The contractor, sub-recipient, or sub-contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this agreement, which may result in the termination of this agreement or such other remedy as the recipient deems appropriate.*

22. Debarment Certification

The parties are prohibited from making any award at any tier to any party that is debarred or suspended or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549, "Debarment and Suspension." By executing this agreement, the Local Government certifies that it is not currently debarred, suspended, or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549 and further certifies that it will not do business with any party that is currently debarred, suspended, or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549. The parties to this contract shall require any party to a subcontract or purchase order awarded under this contract to certify its eligibility to receive Federal funds and, when requested by the State, to furnish a copy of the certification.

23. Federal Funding Accountability and Transparency Act Requirements

- A. Any recipient of funds under this agreement agrees to comply with the Federal Funding Accountability and Transparency Act (FFATA) and implementing regulations at 2 CFR Part 170, including Appendix A. This agreement is subject to the following award terms:

<http://www.gpo.gov/fdsys/pkg/FR-2010-09-14/pdf/2010-22706.pdf>

- B. The Local Government agrees that it shall:
 - 1. Obtain and provide to the State, a Central Contracting Registry (CCR) number (Federal Acquisition Regulation, Part 4, Sub-part 4.1100) if this award provides for more than \$25,000 in Federal funding. The CCR number may be obtained by visiting the CCR web-site whose address is:
<https://www.sam.gov/portal/public/SAM/>
 - 2. Obtain and provide to the State a Data Universal Numbering System (DUNS) number, a unique nine-character number that allows the federal government to track the distribution of federal money. The DUNS number may be requested free of charge for all businesses and entities required to do so by visiting the Dun & Bradstreet (D&B) on-line registration website
<http://fedgov.dnb.com/webform>; and
 - 3. Report the total compensation and names of its top five (5) executives to the State if:
 - i. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25,000,000; and
 - ii. The compensation information is not already available through reporting to the U.S. Securities and Exchange Commission.

24. Single Audit Report

- A. The parties shall comply with the requirements of the Single Audit Act of 1984, P.L. 98-502, ensuring that the single audit report includes the coverage stipulated in 2 CFR 200.
- B. If threshold expenditures of \$500,000 or more are met during the Local Government's fiscal year, the Local Government must submit a Single Audit Report and Management Letter (if applicable) to TxDOT's Audit Office, 125 East 11th Street, Austin, TX 78701 or contact TxDOT's Audit Office at <http://www.txdot.gov/inside-txdot/office/audit/contact.html>.
- C. If expenditures are less than \$500,000 during the Local Government's fiscal year, the Local Government must submit a statement to TxDOT's Audit Office as follows: "We did not meet the \$500,000 expenditure threshold and therefore, are not required to have a single audit performed for FY _____."
- D. For each year the project remains open for federal funding expenditures, the Local Government will be responsible for filing a report or statement as described above. The required annual filing shall extend throughout the life of the agreement, unless otherwise amended or the project has been formally closed out and no charges have been incurred within the current fiscal year.

STATE OF TEXAS §

COUNTY OF TRAVIS §

**LOCAL TRANSPORTATION PROJECT
ADVANCE FUNDING AGREEMENT
For Bridge Replacement or Rehabilitation
Off the State System**

THIS Local Project Advance Funding Agreement (the LPAFA) is made by and between the State of Texas, acting by and through the Texas Department of Transportation, called the "State," and Navarro County acting by and through its duly authorized officials, called the "Local Government."

WITNESSETH

WHEREAS, a Master Agreement between the Local Government and the State has been adopted and states the general terms and conditions for transportation projects developed through this LPAFA; and,

WHEREAS, Title 23 United States Code Section 144 authorizes federal funds to assist the states in the replacement or rehabilitation of deficient bridges located on public highways, roads, and streets, including those under the jurisdiction of local governments; and

WHEREAS, the Local Government owns one or more bridges on a public road or street located at CR SE 0190 at Rush Creek, and these bridges are included in the currently approved off-state system federal-aid Highway Bridge Replacement and Rehabilitation Program (HBRRP) as authorized by Texas Transportation Commission Minute Order Number 114335, dated August 27, 2015; and

WHEREAS, the Governing Body of the Local Government has approved entering into this LPAFA by resolution or ordinance, which is attached to and made a part of this agreement as Attachment A for the development of the specific programmed replacement or rehabilitation project, called the "Project". The Project is identified in the location map shown as Attachment B, which is attached to and made a part of this agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties, to be by them respectively kept and performed as set forth, it is agreed as follows:

AGREEMENT

1. Period of this Agreement

The period of this LPAFA is as stated in the Master Agreement, without exception.

2. Termination of this Agreement

Termination of this LPAFA shall be under the conditions as stated in the Master Agreement. The LPAFA may be terminated by the State if the project is inactive for thirty-six (36) months or longer and no expenditures have been charged against federal funds.

3. Amendments

Amendments to this LPAFA shall be made as described in the Master Agreement, without exception.

4. Remedies

Remedies for defaults under this LPAFA shall be made as described in the Master Agreement, without exception.

5. Scope of Work

The scope of work for this LPAFA is the replacement or rehabilitation of the bridges identified in the recitals of this LPAFA. This replacement or rehabilitation shall be accomplished in the manner described in the plans, specifications, and estimates developed in accordance with this LPAFA and which are incorporated in this agreement by reference.

6. Right of Way and Real Property

- A. The Local Government is responsible for the provision and acquisition of all necessary right of way and will not be reimbursed with federal or state funds for the required right of way.
- B. The Local Government authorizes the State, its consultant, contractor, or other designated representative to enter the sites of these bridges and adjacent right of way or relocation right of way to perform surveys, inspections, construction, and other activities necessary to replace or rehabilitate these bridges and approaches.

7. Adjustment of Utilities

The Local Government shall be responsible for the adjustment, removal, or relocation of utility facilities in accordance with applicable state laws, regulations, rules, policies, and procedures, including any cost to the State of a delay resulting from the Local Government's failure to ensure that utility facilities are adjusted, removed, or relocated before the scheduled beginning of construction. The Local Government will not be reimbursed with federal or state funds for the cost of required utility work. The Local Government must obtain advance approval for any variance from established

procedures. Before a construction contract is let, the Local Government shall provide, at the State's request, a certification stating that the Local Government has completed the adjustment of all utilities that must be adjusted before construction is completed.

8. Environmental Assessment and Mitigation

Development of the Project must comply with the National Environmental Policy Act and the National Historic Preservation Act of 1966, which require environmental clearance of federal-aid projects.

- A. The State is responsible for the identification and assessment of any environmental problems associated with the development of the Project governed by this LPAFA.
- B. Cost participation in environmental assessment and remediation work shall be paid by the parties in the same ratio as construction costs and will be included in the construction costs identified in Attachment D, Estimate of Direct Costs.
- C. The State is responsible for providing any public meetings or public hearings required for development of the environmental assessment. The Local Government does not need to provide certifications to the State concerning this matter.
- D. The State will not begin construction of the Project until identified environmental problems have been remediated, unless provided for otherwise.

9. Compliance with Texas Accessibility Standards and ADA

Compliance with Texas Accessibility Standards and ADA will be as stated in the Master Agreement, without exception.

10. Architectural and Engineering Services

The State is responsible for performance of any required architectural or preliminary engineering work. The Local Government may review and comment on the work as required to accomplish the public purposes of the Local Government. The State will cooperate fully with the Local Government in accomplishing these local public purposes to the degree permitted by state and federal law. The Local Government review shall not unduly delay the development of the Project.

11. Construction Responsibilities

Construction responsibilities will be carried out by the State, as stated in the Master Agreement, without exception.

12. Project Maintenance

Project maintenance will be undertaken as provided for in the Master Agreement, without exception.

13. Local Project Sources and Uses of Funds

- A. A Project Cost Estimate is provided in Attachment D, Estimate of Direct Costs.

Federal Highway Administration
CFDA #: 20.205
Not Research and Development

- B. A source of funds estimate is also provided in Attachment D. Attachment D shows the estimated direct preliminary engineering, construction engineering, and construction costs for the Project in total and by the Local Government.
- C. The Local Government participation is based upon the State's estimate of the eligible work at the time this LPAFA is executed and will not be adjusted during construction except as needed to include any Project cost item or portion of a cost item ineligible for state or federal participation. In addition to its share of estimated direct engineering and construction costs, the Local Government is responsible for the direct cost of any project cost item or portion of a cost item that is not eligible for federal participation under the federal HBRRP. The Local Government is also responsible for any cost resulting from changes made at the request of the Local Government. The State and the Federal Government will not reimburse the Local Government for any work performed before federal spending authority is formally obligated to the Project by the Federal Highway Administration. After federal funds have been obligated, the State will send to the Local Government a copy of the formal documentation showing the obligation of funds including federal award information.
- D. If the Local Government will perform any work under this contract for which reimbursement will be provided by or through the State, the Local Government must complete training before federal spending authority is obligated. Training is complete when at least one individual who is working actively and directly on the Project successfully completes and receives a certificate for the course entitled *Local Government Project Procedures Qualification for the Texas Department of Transportation*. The Local Government shall provide the certificate of qualification to the State. The individual who receives the training certificate may be an employee of the Local Government or an employee of a firm that has been contracted by the Local Government to perform oversight of the Project. The State in its discretion may deny reimbursement if the Local Government has not designated a qualified individual to oversee the Project.
- E. After execution of this LPAFA, but thirty (30) days prior to the performance of any work by the State, the Local Government shall remit to the State the amount specified in Attachment D as the local contribution for preliminary engineering. The Local Government will pay, at a minimum, its funding share for this estimated cost of preliminary engineering.
- F. Forty-five (45) days prior to the date set for receipt of the construction bids, the Local Government shall remit its remaining financial share for the State's estimated construction oversight and construction costs and any other costs owed.
- G. If, at the completion or termination of the Project, the State determines that additional funding is required by the Local Government, the State shall notify the Local Government in writing. The Local Government shall make payment to the State within thirty (30) days from receipt of the State's written notification.

CFDA #: 20.205
Not Research and Development

- H. Whenever funds are paid by the Local Government to the State under this LPAFA, the Local Government shall remit a check or warrant made payable to the "Texas Department of Transportation Trust Fund." The check or warrant shall be deposited by the State in an escrow account to be managed by the State. Funds in the escrow account may only be applied to the State Project.
- I. Upon completion of the Project, the State will perform an audit of the Project costs. Any funds due to the Local Government, the State, or the Federal Government will be promptly paid by the owing party.
- J. The State will not pay interest on any funds provided by the Local Government.
- K. The Local Government funding participation responsibilities include Project direct costs only, except when the Project is terminated before completion at the request of the Local Government as addressed in the Termination provision of this LPAFA.
- L. The amounts shown on Attachment D are estimates only. If actual costs exceed the estimates, this shall be considered a fixed price agreement, and no additional funding shall be required of the Local Government except to the extent that the additional costs result from changes made at the request of the Local Government or to the extent that the additional costs are not eligible for federal participation under the federal HBRRP. If actual costs are less than the estimates, Local Government participation shall be recalculated based on actual costs. If the recalculation results in a reduction in participation by the Local Government, the State shall pay the difference to the Local Government upon completion of the Project.
- M. Under the provisions of Texas Transportation Code Section 222.053 certain counties qualify as Economically Disadvantaged Counties (EDC) in comparison to other counties in the state as below average per capita property value, below average per capita income, and above average unemployment, for certain years. If applicable, in consideration of such EDC status that may be applicable for the Project, the required local match fund participation has been adjusted to thirty-four percent (34%).
- N. The State will not execute the contract for the construction of a Project until the required funding has been made available by the Local Government in accordance with this LPAFA.
- O. The state auditor may conduct an audit or investigation of any entity receiving funds from the State directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

- P. The Local Government is authorized to submit requests for reimbursement by submitting the original of an itemized invoice in a form and containing all items required by the State no more frequently than monthly, and no later than ninety (90) days after costs are incurred. If the Local Government submits invoices more than ninety (90) days after the costs are incurred, and if federal funding is reduced as a result, the State shall have no responsibility to reimburse the Local Government for those costs.
14. **Performance by Local Government of Equivalent-Match Projects (EMP) in Return for Waiver of Local Match Participation Funding on Participation-Waived Projects (PWP)**
- A. **Applicability.** If a request for waiver has been received and approved by the State's District Engineer, then the required ten percent matching fund participation or percent as adjusted for EDC consideration, as shown in Attachment D, Estimate of Direct Costs, but excluding ineligible costs under the bridge program, is waived. This waiver is based on the commitment of the Local Government to spend an equivalent amount of funds for structural or safety improvement on "other" bridge structures and other conditions as specified in 43 TAC Section 15.55(d). If a waiver has been granted, the Project shall be defined to be a PWP and the work on the "other" bridge structures that will be improved by the Local Government shall be defined to be the EMPs. Attachment C to this LPAFA shows a list of EMPs under this LPAFA.
- B. **Project Cost Estimate for PWP.** Attachment D to this LPAFA shows the estimated direct preliminary engineering, construction engineering, and construction costs for the PWP in total and local match fund participation being waived or partially waived.
- C. **Credit against EMP Work.** Any local match fund participation that has already been paid, or which the Local Government is agreeable to paying to the State, will be credited against EMP work to be performed by the Local Government. If applicable, this credit will be reflected in Attachment D to this LPAFA.
- D. **Responsibilities of the Local Government on EMPs**
1. The Local Government shall be responsible for all engineering and construction, related costs, and compliance with all applicable state and federal environmental regulations and permitting requirements.
 2. The structural or safety improvement work on the EMPs shall be performed subsequent to the final execution of this LPAFA but within three (3) calendar years after the earliest contract award of the related PWP.
 3. Written documentation, suitable for audit, of the structural or safety improvement work completed on the EMPs shall be kept on file by the Local Government for four (4) years after completion of work or claims, lawsuits, or audits related to those items, whichever is longer. A notice of completion of work on the EMPs shall be delivered to the State's District Engineer no later than thirty (30)

CFDA #: 20.205
Not Research and Development

calendar days after work is completed on the EMPs. At the request of the State, the Local Government shall submit any information required by the State in the format directed by the State.

4. Failure by the Local Government to adequately complete the EMPs within the stated three-year period shall result in the Local Government being excluded from receiving such waivers for a minimum of five (5) years.

E. Funding of Ineligible or Additional Work Not Waived. Regardless of any waiver of eligible program costs, the Local Government shall pay the State one-hundred percent (100%) of the cost of any PWP item or portion of a cost item that is not eligible for federal or state participation, and one-hundred percent (100%) of the costs resulting from additional work on the PWP performed solely at the request of the Local Government. If the ineligible or additional work is preliminary engineering, the payment shall be made at least thirty (30) days prior to the beginning of preliminary engineering work on the PWP. If the ineligible or additional work is for construction or construction engineering, the payment shall be made at least forty-five (45) days prior to the date set for receipt of bids for construction of the PWP.

15. Notices

All notices to either party shall be delivered personally or sent by certified or U.S. mail, postage prepaid, addressed to that party at the following address:

State: Director, Bridge Division
Texas Department of Transportation
125 E. 11th Street
Austin, Texas 78701

Local Government: County Judge
Navarro County
Navarro County Courthouse
300 West Third Avenue
Corsicana, Texas 75110

All notices shall be deemed given on the date delivered in person or deposited in the mail, unless otherwise provided by this agreement. Either party may change the above address by sending written notice of the change to the other party. Either party may request in writing that notices shall be delivered personally or by certified U.S. mail, and that request shall be carried out by the other party.

16. Office of Management and Budget (OMB) Cost Principles

In order to be reimbursed with federal funds, the parties shall comply with the Cost Principles established in 2CFR 200 that specify that all reimbursed costs are allowable, reasonable, and allocable to the Project.

17. Lobbying Certification

The parties to this LPAFA reaffirm that no federal funds were used to lobby for Project funds, but that if any lobbying occurred, it has been reported to the State, pursuant to the requirements of the Master Agreement.

18. Incorporation Master Agreement Provisions

This LPAFA incorporates all of the governing provisions of the Master Agreement in effect on the date of final execution of this LPAFA, unless an exception has been made in this agreement.

19. Local Government Restrictions

In the case that the local government has an existing, future, or proposed local ordinance, commissioners court order, rule, policy, or other directive that is more restrictive than the state or federal regulations that results in an increase cost to the State for the project, the local government is responsible for all increased costs associated with the ordinance, order, policy, directive, or change.

20. Civil Rights Compliance

The parties to this agreement shall comply with the regulations of the U.S. Department of Transportation as they relate to nondiscrimination (49 CFR Part 21 and 23 CFR Part 200), and Executive Order 11246 titled "Equal Employment Opportunity," as amended by Executive Order 11375 and supplemented in the Department of Labor Regulations (41 CFR Part 60).

21. Disadvantaged Business Enterprise (DBE) Program Requirements

- A. The parties shall comply with the Disadvantaged Business Enterprise Program requirements established in 49 CFR Part 26.
- B. The Local Government shall adopt, in its totality, the State's federally approved DBE program.
- C. The Local Government shall set an appropriate DBE goal consistent with the State's DBE guidelines and in consideration of the local market, project size, and nature of the goods or services to be acquired. The Local Government shall have final decision-making authority regarding the DBE goal and shall be responsible for documenting its actions.
- D. The Local Government shall follow all other parts of the State's DBE program referenced in TxDOT Form 2395, Memorandum of Understanding Regarding the Adoption of the Texas Department of Transportation's Federally-Approved Disadvantaged Business Enterprise by Entity and attachments found at web address http://ftp.dot.state.tx.us/pub/txdot-info/bop/dbe/mou/mou_attachments.pdf.
- E. The Local Government shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any U.S. Department of

Transportation (DOT)-assisted contract or in the administration of its DBE program or the requirements of 49 CFR Part 26. The Local Government shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure non-discrimination in award and administration of DOT-assisted contracts. The State's DBE program, as required by 49 CFR Part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the Local Government of its failure to carry out its approved program, the State may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

- F. Each contract the Local Government signs with a contractor (and each subcontract the prime contractor signs with a sub-contractor) must include the following assurance: *The contractor, sub-recipient, or sub-contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this agreement, which may result in the termination of this agreement or such other remedy as the recipient deems appropriate.*

22. Debarment Certification

The parties are prohibited from making any award at any tier to any party that is debarred or suspended or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549, "Debarment and Suspension." By executing this agreement, the Local Government certifies that it is not currently debarred, suspended, or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549 and further certifies that it will not do business with any party that is currently debarred, suspended, or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549. The parties to this contract shall require any party to a subcontract or purchase order awarded under this contract to certify its eligibility to receive Federal funds and, when requested by the State, to furnish a copy of the certification.

23. Federal Funding Accountability and Transparency Act Requirements

- A. Any recipient of funds under this agreement agrees to comply with the Federal Funding Accountability and Transparency Act (FFATA) and implementing regulations at 2 CFR Part 170, including Appendix A. This agreement is subject to the following award terms:

<http://www.gpo.gov/fdsys/pkg/FR-2010-09-14/pdf/2010-22706.pdf>

- B.** The Local Government agrees that it shall:
1. Obtain and provide to the State, a Central Contracting Registry (CCR) number (Federal Acquisition Regulation, Part 4, Sub-part 4.1100) if this award provides for more than \$25,000 in Federal funding. The CCR number may be obtained by visiting the CCR web-site whose address is:
<https://www.sam.gov/portal/public/SAM/>
 2. Obtain and provide to the State a Data Universal Numbering System (DUNS) number, a unique nine-character number that allows the federal government to track the distribution of federal money. The DUNS number may be requested free of charge for all businesses and entities required to do so by visiting the Dun & Bradstreet (D&B) on-line registration website
<http://fedgov.dnb.com/webform>; and
 3. Report the total compensation and names of its top five (5) executives to the State if:
 - i. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25,000,000; and
 - ii. The compensation information is not already available through reporting to the U.S. Securities and Exchange Commission.

24. Single Audit Report

- A.** The parties shall comply with the requirements of the Single Audit Act of 1984, P.L. 98-502, ensuring that the single audit report includes the coverage stipulated in 2 CFR 200.
- B.** If threshold expenditures of \$500,000 or more are met during the Local Government's fiscal year, the Local Government must submit a Single Audit Report and Management Letter (if applicable) to TxDOT's Audit Office, 125 East 11th Street, Austin, TX 78701 or contact TxDOT's Audit Office at
<http://www.txdot.gov/inside-txdot/office/audit/contact.html>.
- C.** If expenditures are less than \$500,000 during the Local Government's fiscal year, the Local Government must submit a statement to TxDOT's Audit Office as follows: "We did not meet the \$500,000 expenditure threshold and therefore, are not required to have a single audit performed for FY _____."
- D.** For each year the project remains open for federal funding expenditures, the Local Government will be responsible for filing a report or statement as described above. The required annual filing shall extend throughout the life of the agreement, unless otherwise amended or the project has been formally closed out and no charges have been incurred within the current fiscal year.

H.M. Davenport, JR.
Navarro County
300 W. 3rd Ave, Ste 102
Corsicana, TX 75110-4673

Dear H.M.,

Thank you for your interest in FacilityDude's affordable suite of powerful, easy-to-use online tools that allow you to save money, increase efficiency, and improve services. FacilityDude is dedicated to providing best in class solutions with unlimited training and support. Ask us about our other affordable online solutions that are built exclusively for organizations just like Navarro County. Pricing is based on the total square footage of your facilities.

Total Square Footage of Facilities: up to 100,000

Item	Term	Investment
Capital Forecast	Annual	\$890.00
	BuyBoard #409-12	\$774.30
Capital Forecast QuickStart	One time	\$530.00
	BuyBoard #409-12	\$471.70
MaintenanceEdge	Annual	\$1,540.00
	BuyBoard #409-12	\$1,339.80
MaintenanceEdge - Quick Start	One Time	\$920.00
	BuyBoard #409-12	\$818.80

Total Initial Investment:	\$3,880.00
	\$3,404.60

Annual renewal amount is ~~\$2,430.00~~ \$2,114.10

Terms of Service:

- Proposal has been prepared for Navarro County.
- Proposal is valid for 30 days.
- Initial Term: 12 months
- Automatic invoicing of annual fee will occur at the end of each term unless request for non-renewal is received in writing 30 days prior to renewal date.
- Payment: Terms are net 30 days.
- Applicable sales taxes are in addition to the quoted price. If Navarro County is tax exempt please email a copy of your Tax Exemption Certificate to accounting@facilitydude.com.
- Please address purchase order to: FacilityDude.com, 11000 Regency Parkway Suite 200, Cary, NC 27518
- Training and startup assistance are available in an online format and through telephone support as indicated on our website.
- Technical Support is available from 8am to 6pm EST. Please call (877)655-3833 for or email support@facilitydude.com for technical support.
- Subscription begins upon written acceptance of terms and conditions of the proposal.
- Data Imports, project management, and onsite training are outside of the scope of this proposal and are available at an additional cost.
- FacilityDude.com's Terms of Use are governed by our online terms of use statement available at: <http://facilitydude.com/privacy-terms-of-use/>.

Payment and Delivery Terms:

- If within 60 days of order you are not completely satisfied, you can cancel your service for a full refund.
- FacilityDude.com solutions are delivered for the client to access within 24 hours of the order.

At FacilityDude, we are happy to work with your yearly budgeting cycle. If you would prefer a pro-rated annual fee based on your budget cycle, please let me know. I will provide you with the pro-rated cost based on the number of months remaining in your fiscal year.

Thanks again for your interest in utilizing our web-native solutions to integrate and more efficiently manage your operations. Please feel free to contact me with any questions at 919-674-8728 or by email at jolie@facilitydude.com

Client Success Story: Hood County, Texas

FAST FACTS

Client	Hood County – Tim Flower, Director of Facilities
Industry	Local Government
Geography	Hood County, Texas
Vitals	Population of 51,670; 14 public buildings
Business Challenge	Tracking work on paper meant requests often got lost and it was difficult to get updates
Solution	MaintenanceEdge™
Results	Work is now documented in one central database and nothing is overlooked
Additional Benefits	Preventive maintenance work is now consistently completed and has improved building occupant comfort

Prior to using FacilityDude, our work orders were being handwritten. We might receive them over the phone, in person, or through an email, and then we'd have to write up the request ourselves. One of the biggest challenges with this informal request process was when a technician would be on the way to a job and someone would stop them and ask them to fix something else. The requestor would expect the technician to remember that, which is hard and so things would fall through the cracks. Another issue we were dealing with was when a technician would be onsite fixing one problem and then a building occupant would spring two or three more requests on them and expect those to be done right then too. This would throw off our schedule and disrupt what expectations had been set for the day.

I started searching for a work order system and looked at a number of different programs. We even tried some of the 30 or 60 day trials but there was so much setup needed for those systems that we couldn't even get them underway in that time. I took a look at FacilityDude and it was simple to use, so I chose it. We put together a work order policy, which we took to the commissioners and got approved. There are now concrete steps to follow to request maintenance which helps us ensure everything requested is getting done and we're not missing anything.

Implementation went well, thanks to the assistance of the client services team; they are extremely helpful. It's the best customer support I've ever gotten from anyone. They are willing to go in and help us however we need. All of

"Before, getting updates was a battle and I would spend a lot of time tracking people down for information. I can now easily get updates without having to take the time to have a conversation with each tech."

Check work order statuses without having to track down technicians

on memory or dig for all those papers to see the big picture. Now, I can see if we're spending too much time and money on a machine and decide whether we need to think about replacing it.

We've also been able to increase our preventive maintenance work, which is a big help. We've caught minor problems before they've become major problems. Our air filters are a great example of how PM has improved our operations. Before, replacing filters was something that we tried to do on a regular basis but often more urgent work preempted them. We now get it done every month and I've had a lot less complaints about the air quality. I have peace of mind knowing all of that is getting done when it should now.

Having MaintenanceEdge has eased the burden on me, helped me understand just how much my team gets done, and helped us become more proactive. It's fantastic software that is very user-friendly and economical. It's certainly helped our department!

our users have found it easy to put in work orders; out of 350 employees, no one has had any problem using the system.

Using MaintenanceEdge definitely saves us time. I see every work order that comes in and assign it to the appropriate person. When we were using paper, requests would get lost and it was hard to prioritize work for the team. I've seen time savings in regards to updates from technicians. Before, getting updates was a battle and I would spend a lot of time tracking people down for information. I can now easily get updates without having to take the time to have a conversation with each tech. I can look and see what they've done, any parts they used, where they are, and if they need something. I have all the data I need. It's also been a huge help to have requestors get updates automatically. They don't have to call me all the time now, which frees up my time. It's relieved stress for all of us.

Another benefit of MaintenanceEdge is that it's created a thorough, central database for us to track maintenance on our buildings and equipment. Not only can I easily access updates and view completed work, I can also track what's done on each piece of equipment. I can quickly get the information I need to see if we're doing too much work on any one piece. Before, all of that was on paper and we'd have to rely

FACILITY DUDE

Work Order™

THE INTERNET MAINTENANCE MANAGEMENT SYSTEM (IMMS)

MaintenanceEdge™ is a real-time facility management suite including this work order module. Work Order™ is a powerful, on-demand work management tool that streamlines the entire work order process including request generation, completion status tracking and reporting.

FEATURES

- Enables requesters to submit work requests and check the status of requests online
- Automatically notifies requesters via email as work is assigned and completed
- Features enhanced routing with programmable logic for managing and automating approval and assignment of work requests
- Allows technicians to receive and complete work online
- Notifies technicians with new work assignments via email (including email to text pagers and cell phones)
- Enables technicians to record notes, set reminders and email supervisors from a work order
- Associates budget codes, projects, and equipment with work orders
- Tracks all email related to each work order, including system generated notifications
- Includes interactive calendar for resource scheduling – displays corrective, PM and event-related work by all employees or individuals
- Records transactions for labor and purchases
- Features quick search and detailed, advanced search capabilities
- Allows files to be attached to work orders for quick reference
- Enables mobile workers to receive and complete work via a wireless/mobile device through integration with Work Order Wireless
- Manages auto-generated preventive maintenance work orders through integration with Planned Maintenance

The Work Order home page allows you to quickly and easily view the status of all work requests and work orders across your organization.

BENEFITS

- Simple implementation and set up – start in two hours or less
- Access your work order data anytime, anywhere from any computer via the web
- Improves internal efficiency – reduces phone calls and data entry by allowing requesters to enter work requests online
- Automates communication and feedback with requesters for improved customer service
- Streamlines the workflow process, saving time and money
- Backed by the industry's only Legendary Service Program
- Easy to learn – unlimited training and support
- Simple – no software to install, maintain or upgrade
- Easy to use – only requires a web browser
- Innovative – receive software updates instantly
- Affordable – low annual fee for work order service with no licensing limitations
- Reliable – maintained in a 24x7 secure data center, ensuring maximum system uptime

Requesters use one simple web page to instantly submit work requests to you online.

Work Order™

REPORTING OPTIONS

MaintenanceEdge includes many reporting options to give you simple "click and go" reporting capability. This provides quick reports and detailed reporting options wherever you are working within the system, based on the information you are viewing at that time. Report options include graphs (bar charts, pie charts and other options) and tabular reports in HTML or PDF format. Additional reports are available in Microsoft Excel format.

REPORT FEATURES

- Context sensitive reports based on where you are in the system
- Graphs, including bar charts, pie charts, and stacked bar charts
- Reports can be printed in Adobe Acrobat portable document format (PDF) and in Microsoft Excel format

Compare budgets, transactions, costs and more with easy to generate graphs.

AVAILABLE REPORTS

1000	Company	AC ME Building		04/20/11 11:30 AM	04/20/11						

Quickly create simple and detailed reports to summarize work order status, costs and more.

COST / BENEFIT ANALYSIS

- Reduce your total cost of ownership by up to 70% compared to a desktop software system
- Typical payback on your investment is less than 2-months, with an average return on investment of more than 2,500%
- Saves the maintenance staff 30-minutes to 1-hour per work order annually by streamlining the workflow process
- Generate 15% or more in productivity gains

RE: Navarro Central Appraisal District 2016 Unit Cost Share, including voting entitlements and ballot for NCAD Board of Directors for terms 2016 – 2017.

Dear Taxing Units:

Enclosed please find the Final 2016 Budget Cost Share and Comparison, along with the voting entitlements, as well as the official ballot for the NCAD Board of Directors for term 2016-2017.

Please complete the ballot and return not later than October 31, 2015 by regular mail, fax (903) 874-0604 or email to karenmorris@sbccglobal.net.

Also attached is the cost share statement for the first quarter for 2016. We would also like to make sure our records are up to date with the correct email address of the person to receive the electronic cost share. Please email to kelly.lawhon@sbccglobal.net or call (903)872-2476 to update the email address to send the cost share to.

Please note that Fairfield Hospital Dist. and Navarro County ESD #1 do not have voting privileges, based on the qualifications of the Texas Property Tax Code.

Should you have questions regarding this matter, please feel free to contact me personally.

Sincerely,

Karen Morris
