Subject: Sole Authorized Zodiac Dealer

Dear Sir or Madam:

This letter is to inform you that Zodiac MilPro recognizes Triad Marine & Industrial Supply as the sole authorized Military and Professional Dealer and Service Facility in the State of Texas. Triad Marine is located at 1155 FM 518, Kemah, TX 77565, 281-334-0815.

All Municipal and First Responder inquiries for purchase, warranty and service from the State of Texas will be processed through Triad Marine ; as they are the only Zodiac MilPro dealer contractually authorized to do sales, service and warranty work with the entire State of Texas. Zodiac MilPro does not process any orders directly from these markets and will send all purchase orders for sales, training, service or warranty exclusively to Triad Marine.

We appreciate your attention to our products and we look forward to your continued support. Should you require any additional information please feel free to contact me.

Sincerely,

Manny Diaz
Southern Division Sales Manager

COUNTY OF NAVARRO RESOLUTION

A RESOLUTION AUTHORIZING THE CREATION OF THE NORTH CENTRAL TEXAS REGIONAL 9-1-1 EMERGENCY COMMUNICATIONS DISTRICT

WHEREAS, Chapter 772, Subchapter H, of the Texas Health and Safety Code, cited as the Regional Emergency Communications District Act (the "act"), provides the creation of a Regional Emergency Communications District: and

WHEREAS, the act applies to a state planning region established under Chapter 391 of the Texas Local Government Code with a population of under 1.5 million, composed of counties and municipalities that operate a 9-1-1 system solely through a regional planning commission: and

WHEREAS, the Act requires that the governing bodies of each participating county and municipality in the region adopt a resolution approving the creation of the Regional Emergency Communications District (the "District"): and

WHEREAS, ^{04 25 2016} as of (xx xx, year), the County of Navarro receives 9-1-1 system services operated through the North Central Texas Council of Governments, a regional planning commission;

NOW, THEREFORE, BE IT RESOLVED THAT THE COUNTY OF NAVARRO AUTHORIZES THE CREATION OF THE NORTH CENTRAL TEXAS REGIONAL 9-1-1 EMERGENCY COMMUNICATIONS DISTRICT

Passed and approved on the 25 day of April 2016 at a regularly scheduled Commissioner's Court Meeting of the County of Navarro, Texas.

APPROVED:

[Handwritten Signature]

County Judge

ATTEST:

[Handwritten Signature]

SWORN STATEMENT IN PROOF OF LOSS

Amount of Policy at time of loss \$ 27,132,000

Policy No.:

Date Issued: 7-01-2015

Date Expires:6-30-2016

Claim Number:PR20160345-1

To: Texas Association of Counties Risk Management Pool

At the time of loss, by the above indicated policy of coverage you indemnified Navarro County against loss by Hail to the property described according to the terms and conditions of said coverage and all forms, endorsements, transfers and assignments attached thereto.

1. **Time and Origin:** A property loss occurred on or about March 14, 2016. The cause and origin of said loss was Hail storm
2. **Occupancy:** The building described or containing the property described was occupied at the time of the loss as follows and for no other purpose whatever: Navarro County Justice Center.
Title and Interest: At the time of the loss the interest of the covered pool member in the property described therein was complete ownership. No other person or persons had any interest therein or encumbrance thereon, except: NONE
3. **Changes:** Since the said policy was issued there has been no assignment thereof, or change of interest, use, occupancy, possession, location or exposure of the property described except: NO EXCEPTIONS.
4. **Total Insurance:** The total amount of coverage upon the property described by this policy was at the time of loss was \$ building and contents as is more particularly specified in the Declarations besides which there was no policy or other contract of insurance, written or oral, valid or invalid.
5. **The Actual Cash Value of said property at the time of loss was.....\$**
6. **The Full Cost of Repair or Replacement is..... \$103,376.33**
7. **Depreciation or Betterment..... \$ 42,808.07**
8. **Actual Cash Value Loss is (Line 7 minus Line 8)..... \$ 60,568.26**
9. **Less Deductible..... \$ 5000.00**
10. **Actual Cash Value of Claim is (Line 9 minus Line 10)..... \$ 55,568.26**
11. **Supplemental Claim can be filed in accordance with the terms and conditions of replacement Cost Coverage, not to exceed..... \$ 42,808.07**

The said loss did not originate by any act, design or procurement on the part of the assured, or this affiant: nothing has been done by or with the privity or consent of the assured or this affiant, to violate the conditions of the policy of coverage, or render it void: no articles are mentioned herein or in annexed schedules but such as were destroyed or damaged at the time of said loss: no property saved has in any manner been concealed, and no attempt to deceive the said Pool, as to the extent of said loss, has in any manner been made. Any other information that may be required will be furnished and considered a part of the proof.

The furnishing of this blank or the preparation of proofs by representatives of the above insurance company is not a waiver of any of its rights.

Dear Judge Davenport, Jr.:

This letter is to inform you that construction funding has been approved for the replacement of the existing bridge over the above referenced projects, location map enclosed. Currently, the Texas Department of Transportation (TxDOT) anticipates letting this bridge replacement project in September 2016 with construction beginning in the fall of 2016.

The plans for this construction project propose a temporary closure of the roadway of the above referenced locations while construction takes place. Traffic will be re-routed as shown on the included detour plan. We are requesting concurrence from you and your staff of the detour plan by signing the following form. Please return to Texas Department of Transportation in the enclosed self-addressed stamped envelope by Monday, April 25, 2016.

If you have any questions regarding the detour plan or this project please feel free to contact Travis Campbell, P.E. at (214) 320-4466.

Respectfully,

Mohamed K. Bur, P.E.
Director of Transportation Planning and Development
Dallas District

Letter of Agency

To Whom It May Concern:

We have retained Mitel® Cloud Services, Inc., 885 Trademark Drive, Reno, Nevada 89521, as our authorized agent to interface with your company(ies) regarding all aspects of our telecommunications and services. Under the terms of this agreement we do hereby authorize Mitel NetSolutions, Inc. to handle all negotiations for service requests and the issuance of orders. The agency shall continue in effect until you are notified of its cancellation in writing. This authorization shall in no way preclude our ability to act on our own behalf when we deem it necessary.

- We authorize our current telecommunication carriers to provide Mitel Cloud Services, Inc. with copies of all network service and equipment records. This includes, but is not limited to: account numbers, BTNs, TNS, customer locations, and service records.
- We authorize our current telecommunication carriers to provide Mitel Cloud Services with all billing records.
- We authorize Mitel Cloud Services, Inc. to order and handle negotiations for the installation of network and/or data services and equipment, and coordinate the installation of our telecommunications systems.
- We authorize Mitel Cloud Services, Inc. to act on our behalf in the coordination and / or ordering of our telecommunication services.

THE ABOVE AUTHORIZATIONS APPLY (CHECK ONLY ONE):

- Only to Company's existing accounts listed by the following Billing Telephone Number(s)
- To Company's existing accounts including but not limited to the following Billing Telephone Number(s)

Things You will Need to Do:

Mitel MiCloud Customer Installation Responsibilities

Order Validation

- Please be responsive when the Mitel® Cloud Services Implementation Specialist completes the initial implementation call to review critical timelines, system setup and service delivery process with you.
- It is critical that the site contacts listed on the order are knowledgeable about your local area network (LAN) and telecommunications infrastructure

Verify that your LAN is Voice-ready for Mitel MiCloud

- For maximum voice quality, it is recommended that you have a LAN that supports quality of service or QoS/Priority Queuing or that you set up a voice and data VLAN.
- Implementation of managed switches at each service location is recommended instead of hubs or unmanaged switches.
- To reduce the likelihood of service-related issues, please confirm that your routers support QoS/Priority Queuing. The routers will help ensure that enough bandwidth can be allocated and prioritized to handle VoIP and internet traffic.
- Bandwidth, as well as LAN congestion, may affect the quality of service with new VoIP services. Upgrading or extending the Network to accommodate the demands of data and voice traffic might be required.
- You have reviewed the MiCloud Network Assessment Options and, if not selected, have chosen to not purchase an assessment prior to installation.

Miscellaneous Phone Lines

- It is the customer's responsibility to verify that any alarm lines, fax lines or other emergency lines are operational once the Mitel Cloud service is installed.
- If ATA devices or additional ATA devices are required to support these lines; please consult the Mitel Cloud Services Support Specialist Team.

Disconnection of Existing Services

- It is the customer's responsibility to cancel service with previous providers; Mitel Cloud Services cannot disconnect service from a previous service provider. Please speak with your Mitel Support Representative to understand the best time to cancel.

System Design and Implementation

- It is imperative that you fill out and provide accurate information to the Mitel Support Representative for each location being setup. This information must be provided to the Mitel Support Representative before any orders can be generated for your system installation.
- You must provide your private IP address range, client DHCP server details, client firewall details and public IP address of client internet router/modem along with other key items as requested by the Mitel Support Representative

E911 Service

- Warning: Mitel MiCloud E911 service may not function in the event of a broadband connection failure or loss of electrical power.

LNP/Existing Phone Numbers

- If Mitel Cloud Services is moving existing phone numbers (LNP) from a previous communications provider to the Mitel MiCloud service, please confirm that all numbers are listed and billing is under the same customer name as notated on the agreement and a complete and accurate list of all existing numbers to be converted to the service are provided. If for any reason numbers listed under a different name are porting, the customer will be required to LNP those numbers to the correct name before they can be added to the Mitel MiCloud service.
- When transferring (LNP) numbers from a previous provider, issues may arise that are beyond Mitel Cloud Services control. To help prevent these circumstances as well as any unexpected billing from previous service provider, please verify that all telephone numbers and names of providers are provided to the Mitel Support Representative.
- Mitel Cloud Services is not responsible for additional billing by the current provider.

Mitel MiCloud Integration on Client Site

- Unless on site installations of services are purchased from Mitel, all local network configuration and support is carried out by the customer or their IT professional. Mitel Cloud Services will provide guidance as required.
- Mitel Cloud Services can provide additional professional services to help with any customer-related LAN or equipment issues if needed along with comprehensive monitoring services. These services are available at an additional cost from Mitel.

Mitel MiCloud Recommended Bandwidth

- One of the most important factors to consider when your voice to the cloud is proper voice network capacity planning. Within capacity planning, bandwidth calculation is an important factor to consider when you design and trouble shoot packet voice networks for good voice quality.
- Mitel Cloud Services recommends 100 Kbps per simultaneous call paths for maximum voice quality. Configurations may be available requiring less bandwidth per call but voice quality may be impacted.

ISP Connectivity

- In the event you are utilizing a third party circuit, see terms as defined in the "Mitel Cloud Service Level Agreement".
- You acknowledge that your site(s) are equipped with connectivity outside of Mitel's network and you agree to contact your IT professionals and connectivity provider to resolve any related Voice Quality issues.

Customer Acknowledgement - Understanding customer responsibilities. My signature indicates my understanding and acceptance of these customer installation responsibilities.

Mitel Cloud Services, Inc. ("Mitel") - Terms and Conditions of Service

Use of the Services by Customer constitutes Customer's acceptance of the terms specified on the Service Order, including the following terms and conditions ("Agreement"):

1. SERVICES, TERM AND USE

a. Services and Term. The services described on the Service Order ("Services") are provided and billed to Customer by Mitel on a monthly (30-day) basis for the minimum term of Service ("Initial Term") and minimum monthly recurring fee ("Monthly Recurring Fee"), each as detailed on the Service Order. Unless Mitel receives written notice of termination of Services from Customer sixty (60) days prior to the end of the Term, the Services shall automatically renew at the same Monthly Recurring Fee on an annual basis at the same rates for the Services detailed on the original Service Order (each a "Renewal Term", together with the Initial Term, the "Term"). Any such notice by Customer shall be sent to Mitel by certified post at 885 Trademark Drive, Reno, NV 89521-6006.

b. Acceptance. Customer's acceptance of the Services, and Hardware (if applicable), is deemed to occur on the earlier of (i) first use of the Services and/or Hardware, as applicable, by Customer or (ii) seven (7) days following delivery of the Services and/or Hardware, as applicable, to Customer.

c. Use. Customer and those Customer employees, consultants, contractors, or agents who are authorized by Customer to use the Service in support of Customer's operations and who have been given user logins and passwords by Customer ("Users") may use the Service and associated materials provided to Customer in conjunction with the Services, including any and all training, marketing, and demonstration materials, diagrams, test plans, and work flows ("Materials") solely for Customer's own internal business operations and not for any form of redistribution or resale. Customer will comply, and will ensure that its Users comply, with all applicable local, state, national international and foreign laws, treaties, regulations and conventions in connection with use of the Service, including without limitation those related to data privacy, international communications, and the exportation of technical or personal data. Customer shall, where required by law, inform third parties of the collection, storage or processing of any communications, personal information or other information, to ensure that any required third parties have opted in to such collection, storage or processing, and to otherwise comply with all applicable data protection and privacy law concerning the collection, storage and processing of personal information concerning such third parties

d. Ownership. Subject to the limited rights expressly granted hereunder, Mitel or its suppliers reserves all right, title and interest in and to (i) the Service; (ii) any and all Materials and Confidential Information provided or disclosed to Customer during the term of this Agreement; (iii) any and all derivatives, enhancements or improvements thereof; and (iv) any and all intellectual property rights contained in the foregoing (i), (ii), and (iii). No rights are granted to Customer hereunder other than as expressly set forth herein. Customer shall not (i) copy, reproduce, distribute, republish, download, display, post or transmit in any form or by any means, including but not limited to electronic, mechanical, photocopying, recording or other means or create derivative works based on the Service or, except as expressly authorized herein, the Materials; (ii) alter, remove, obscure, frame or mirror Mitel or its suppliers branding, proprietary notices or any content forming part of the Service or the Materials; (iii) disassemble, reverse compile, reverse engineer or attempt to reconstruct, identify or discover any source code, underlying ideas, underlying user interface techniques or algorithms of the Service or the Materials (as applicable to such Materials); (iv) modify, incorporate into or with other software or material, or create a derivative work of any part of the Service or the Materials; (v) attempt to circumvent or circumvent any license, timing or use restrictions that are built into the Service or the Materials; or (vi) access the Service or the Materials in order to (A) benchmark against or build a competitive product or service, or (B) copy any ideas, features, functions, or graphics of the Service or the Materials.

e. 911 Emergency Dialing Description and Limitations.

(i) Service Outages Due to Power Failure or Disruption. Depending on several factors, including, but not limited to, the geographic location of the phone number associated with Customer's VoIP device (e.g., SIP phone, or IP phone software application) and/or the service address listed by Customer on the Service Order ("Registered Location"), dialing 911 on Customer's phone, Customer's call, in many cases, will be routed to emergency personnel responsible for Customer's Registered Location. Emergency resources and personnel will be dispatched to the Registered Location regardless of Customer's actual location or that of Customer's VoIP device at the time of the call.

(ii) Customer Responsibilities. Customer must correctly identify the actual service address where each VoIP device will be located if different from the address listed in the Service Order. Failure to do so may result in fire, police or emergency personnel either not being able to find Customer's location or may significantly delay their response time. Additionally, Customer may incur additional costs, fines or other penalties, including service provider charges, resulting from improper dispatch of emergency services or calls to emergency service dispatchers where Customer has failed to correctly identify the actual service address. Should Customer wish to move its Service, Customer must update the Registered Location at least ten (10) days prior to Customer's move to avoid delays and loss of emergency services.

(iii) Limitations of 911 Emergency Dialing. CUSTOMER ACKNOWLEDGES THAT 911 EMERGENCY DIALING ("VoIP 911") ASSOCIATED WITH VOIP HAS CERTAIN LIMITATIONS, WHICH CUSTOMER MUST UNDERSTAND BEFORE ORDERING: (i) VoIP 911 only functions if Customer is using an approved VoIP device, equipment or software and after the Service Order has been processed and Customer has received a 911 service confirmation. If Customer uses non-approved equipment or software or attempt to access VoIP 911 service prior to confirmation, VoIP 911 may fail; (ii) even though Customer may be able to make outbound calls immediately after installing the VoIP device, provisioning of VoIP 911 may take additional time to complete. If Customer attempts to make VoIP 911 calls before receiving a 911 service confirmation (or prior to completion of VoIP 911 provisioning), calls to 911 may fail or may be forwarded to a non-public, backup emergency answering service; and (iii) after VoIP 911 is provisioned, emergency personnel may not have Customer's Registered Location and/or Customer's phone number on file, so each of Customer's Users should be prepared to provide that information in the event Customer requires emergency services and dial "911." VoIP 911 will not function if: (i) Customer's VoIP device fails or is not configured correctly; (ii) if Customer's service is not working for any reason, including, but not limited to, a power outage, broadband service outage, network congestion, suspension or disconnection of Customer's Service, broadband connection, or electrical power because of non-payment or late payment; or Customer fails to meet the minimum technical service requirements. FOLLOWING A POWER OUTAGE, CUSTOMER MAY NEED TO RESET OR RECONFIGURE CUSTOMER EQUIPMENT PRIOR TO BEING ABLE TO USE THE SERVICE, INCLUDING VOIP 911. In certain limited cases, Customer's VoIP 911 call will not be routed to the "traditional" wireline 911 dispatch center. Instead, it will be routed to a wireless telephone emergency dispatch center that may not normally receive 911 calls from Customer's Registered Location. In this case, emergency personnel will not have Customer's Registered Location and/or Customer's phone number on file, so Customer should be prepared to provide that information in the event Customer requires emergency services and dial "911." IF THE CALL IS DISCONNECTED FOR ANY REASON, EMERGENCY PERSONNEL WILL HAVE NO WAY TO CONTACT CUSTOMER OR DETERMINE CUSTOMER'S IDENTITY OR LOCATION, SO CUSTOMER SHOULD RE-DIAL "911" IMMEDIATELY. IF ANY OF THE FOLLOWING OCCUR: (i) "traditional" 911 or E911 services are not available in Customer's area; (ii) Customer's Registered Location address cannot be validated; (iii) there is a failure in the underlying landline 911 network; or (iv) there is a failure in the VoIP 911 call or location processing system. If Customer's address differs from the Registered Location, the emergency dispatch center will not have the ability to determine Customer's location other than by asking Customer to provide Customer's name and physical address. Only then will the emergency dispatch center be able to connect the call to an administrative number of the proper emergency dispatch center. THIS MAY RESULT IN A DELAY IN HANDLING OF CUSTOMER'S EMERGENCY CALL AND, CONSEQUENTLY, MAY RESULT IN FIRE, POLICE OR EMERGENCY PERSONNEL EITHER NOT BEING ABLE TO FIND CUSTOMER'S LOCATION OR MAY SIGNIFICANTLY DELAY THEIR RESPONSE TIME. FURTHER, IF CUSTOMER DOES NOT REACH EMERGENCY PERSONNEL, THEY MAY NOT HAVE THE ABILITY TO CONTACT CUSTOMER IF THE CALL IS DISCONNECTED FOR ANY REASON, SO CUSTOMER SHOULD REDIAL "911" IMMEDIATELY.

2. HARDWARE:

a. Delivery. Mitel will deliver the Hardware on the date mutually agreed by the parties, FCA (Incoterms 2000) shipping point.

b. Title, Risk of Loss and Security Interest. Hardware detailed on the Service Order ("Hardware") shall be either purchased from Mitel or rented from Mitel, as indicated on the Service Order.

(i) Purchase: Where the Service Order provides for Hardware to be purchased by Customer, title and risk of loss to the Hardware will pass to Customer upon shipment. However, in the event Customer has elected to finance such purchase, title shall pass to such third party financier upon payment in full for the Hardware, unless the parties agree otherwise.

(ii) Rental: Where the Service Order provides for Hardware to be rented by Customer as part of the Monthly Recurring Fee, title and direct physical loss or damage to the Hardware shall remain with Mitel, except as set out herein. However, in no event shall Mitel be liable for interruption of Customer's business, loss or damage to Customer's property, or any other loss, including but not limited to injury to any of Customer's employees, agents, or any other person on Customer's premises, or damage extending beyond the direct physical loss of, or damage to, the Hardware. Further, Mitel shall not be responsible for any loss resulting from: (x) unauthorized tampering or interference with the Hardware by Customer or its agents; (y) neglect or abandonment of all or part of the Hardware by Customer; or (z) any loss or damage that reasonably could have been prevented by Customer or resulted from Customer's negligence in maintaining adequate protection for the Hardware. In the event of a loss of or damage to, all or any part of, the Hardware as a result of subsections (x) through (z) inclusive, Customer will incur the expense for repair or replacement of the damaged or lost Hardware. Customer will also maintain adequate commercial general liability insurance, copies of which shall be furnished Mitel on request. THE OCCURRENCE OF ANY LOSS OF OR DAMAGE TO, ALL OR ANY PART OF, THE HARDWARE SHALL NOT, HOWEVER, RELIEVE OR REDUCE ANY OTHER COVENANT, CONDITION OR PROVISION CONTAINED IN THIS AGREEMENT.

c. Security Interest. Until payment in full of the Hardware by Customer or, in the case of a Hardware rental, during the Term, Customer hereby grants to Mitel a security interest in the Hardware and authorizes Mitel or shall assist Mitel to file any forms necessary in order to perfect a security interest in the Hardware.

3. PAYMENT AND BILLING

- a. **Fees.** Customer will pay the Monthly Recurring Fee and all associated charges for Services and Hardware (as applicable) detailed on a Service Order, as well as applicable variable usage and non-recurring charges incurred by the Customer in the billing month. Customer agrees to pay the Monthly Recurring Fee even if Customer's actual usage is less than the Monthly Recurring Amount.
- b. **Invoicing.** All invoices are due and payable by Customer upon receipt. To the extent Customer elects to participate in Mitel's consolidated billing program with Great America Leasing, Customer will accept invoices from, and make payment to Great America Leasing for the Services and Hardware provided hereunder, unless otherwise directed by Mitel. Customer will be required to pay a rebilling fee for past due accounts at the lesser of either 1.5% monthly or the maximum rate allowed by applicable law. Customer shall be charged the greater of one percent (1.0%) of the amount owed or \$20.00 for any insufficiently funded payment returned to Mitel on Customer's account.
- c. **Credit Worthiness.** Subject to credit review, Customer may be required, upon request from Mitel, to make an advance payment or deposit to Mitel for the Services and/or Hardware, or portion thereof.
- d. **Taxes.** Customer shall pay any applicable taxes and governmentally imposed fees arising from its purchase under this Agreement (excluding taxes on Mitel's income), or provide a tax exemption certificate prior to invoicing. Customer acknowledges and agrees that in the event that any governmental agency revises or imposes taxes, of any kind, on any service provided hereunder, that Mitel reserves the right to pass on all such taxes without notice to Customer.
- e. **Disputes.** Invoices will be deemed correct and binding on Customer unless Mitel receives a dispute of charges, in writing, within thirty (30) days of an invoice being issued. To the extent Customer disputes, in good faith, any amount included in a Mitel invoice, the parties shall use all reasonable efforts to resolve and settle such dispute within 30 days of written notice to Mitel. Upon request of the other, each party will promptly provide full supporting documentation concerning any disputed amount. The Customer shall pay all undisputed amounts in a Mitel invoice but will have no obligation to make any payment of disputed charges on the invoice during the time it is subject to a good-faith dispute. Based on Mitel's determination, once the dispute is resolved the Customer will pay the resulting agreed upon amount.
- f. **Calling Cards/Operator Assistance.** For calls initiated with a calling card connection fees apply to international and operator-assisted calls. Call Mitel in advance for rates. Calling card calls made from payphones will be assessed an additional surcharge to cover FCC-mandated payments for long-distance companies to payphone providers. Various rates apply for all calls initiated or terminated outside of the continental United States and to all calls terminating either intrastate, IntraLATA, 1-800 or outside of the 48 contiguous United States. Such Services will be billed from the date of delivery by long distance carrier, minimum usage will be waived for first partial month following installation.

4. TERMINATION

- a. **By Mitel.** Mitel may terminate, discontinue or suspend Services to a Customer or a User, or cancel an application for Services without incurring any liability in the event of: (i) non-payment of amounts due by Customer for more than thirty-five (35) days following the monthly service period to which they relate if such amounts remain unpaid after ten (10) days' notice of such from Mitel; (ii) breach of this Agreement; (iii) a violation by Customer of any law, rule or regulation of any governmental authority having jurisdiction over the Services; (iv) suspension or termination of services by a Network Operator; (v) hacking, cracking, phishing, denial-of-service attacks, infection by computer viruses, worms or Trojan horses, or other activities that threaten computer or data security; (vi) activities that Mitel or its suppliers reasonably determines are defamatory, illegal, or offensive or are otherwise injurious or detrimental to the Service, to the supplier or the Service, to a Network Operator or to another customer; (vii) prohibition against Mitel from furnishing Services by order of a court or other governmental authority having jurisdiction; (viii) the provision of false or misleading credit information by Customer or violation of Mitel's Acceptable Use Policy; (ix) the inability of Mitel to provide comparable services under comparable terms and conditions due to the unavailability of provider services; and (x) violation of any rules or regulations as set forth in Mitel's applicable state and federal tariffs, as may be amended from time to time ("Mitel tariffs"). In the event Mitel elects to terminate this Agreement during the Initial Term, subject to this section, Customer shall immediately return to Mitel all rental Hardware.
- b. **By Customer.** In the event Customer terminates this Agreement prior to the end of the current Term, Customer will pay Mitel, immediately upon presentation of all outstanding invoices, an amount equal to (i) the Monthly Recurring Amount, multiplied by the number of months remaining in the current Term, (ii) long distance billing prior to notice of termination; and (iii) the dollar value of any promotional credit awarded Customer as set forth in the Special Promotions document. Customer shall also promptly return to Mitel all rental Hardware in its possession, in accordance with the directions provided by Mitel.

5. WARRANTIES.

a. **SERVICES WARRANTY DISCLAIMER.** CUSTOMER ACKNOWLEDGES THAT THE SERVICES ARE PROVIDED "AS IS" WITH NO WARRANTIES PROVIDED BY MITEL OR ITS SUPPLIERS, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WARRANTIES OF QUALITY, PERFORMANCE, NON INFRINGEMENT, MERCHANTABILITY, QUALITY, OR FITNESS FOR A PARTICULAR PURPOSE, NOR ARE THERE ANY WARRANTIES CREATED BY COURSE OF DEALING, COURSE OF PERFORMANCE OR TRADE USAGE. Mitel does not warrant that the Services will be uninterrupted or error-free, that defects will be corrected, or that the Services or the server that makes it available, are free of viruses or other harmful components. The entire risk as to the quality of, or arising out of use or performance of, the Services, if any, remains with Customer. The foregoing exclusions and disclaimers are an essential part of this Agreement and formed the basis for determining the price charged for the Services. Should any part of this disclaimer not be allowed in certain jurisdictions, those parts may not apply to Customer.

b. **Hardware Warranty.** All Hardware components will be free from defects in material and workmanship under normal use and will perform in substantial compliance with the manufacturer's specifications. The exclusive remedy and recourse for Customer under this Hardware warranty is for Mitel, at its election, to repair, replace or modify the defective parts. Mitel may utilize remanufactured, certified parts that meet the specifications. Such replacement parts will be covered for the remainder of the existing Hardware warranty. Any part removed shall become the property of Mitel. For Hardware purchased by Customer, the Hardware warranty set out in this 5(b) shall be valid for a period of twelve (12) months following shipment of the Hardware to Customer. For Hardware rented by Customer, the Hardware warranty shall be valid during the Term.

c. **Exceptions to the Warranty.** The Hardware warranty detailed above shall become void if one of the following occurs: (i) the Hardware is not used properly in accordance with the manufacturer's specifications and operating instructions or otherwise is abused, damaged, or negligently serviced or maintained by anyone other than Mitel or an authorized Mitel dealer; (ii) work is performed on the Hardware by anyone not authorized by Mitel; (iii) the Hardware is installed or used in combination or in assembly with products that are either not approved by Mitel or not compatible with the Services. The Hardware Warranties exclude Customer-supplied parts and expendable or personal use items such as batteries, headsets, paper, printer ribbons, cabling or non-Mitel telephone sets. Warranties are predicated on Mitel receiving timely written notice of any nonconformity with as much specificity as is known and as soon as Customer becomes aware of such nonconformity, but in any event prior to the expiration of the relevant warranty period. Mitel shall have the right to inspect and test the Hardware and the associated local area network and communications infrastructure to determine, in its reasonable discretion, whether the nonconformity is covered under the applicable warranty. THE WARRANTIES SET FORTH HEREIN IS IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, FROM MITEL OR ITS SUPPLIERS. THERE ARE NO OTHER REPRESENTATIONS THAT EXTEND BEYOND THE FACE OF THESE WARRANTIES. ALL OTHER WARRANTIES OR CONDITIONS WHATSOEVER, INCLUDING THE WARRANTY OF MERCHANTABILITY & THE WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY EXCLUDED & DISCLAIMED. MITEL DOES NOT WARRANT THAT THE OPERATION OF THE SERVICES OR HARDWARE WILL BE UNINTERRUPTED OR ERROR FREE.

d. **Disclaimers -** Mitel disclaims any express or implied warranty or condition that the Hardware or any Services provided by Mitel prevent toll fraud, unauthorized access, loss or theft of electronic data, or invasion of privacy (collectively, "fraudulent activity"). Mitel shall have no liability to Customer in the event of such fraudulent activity. Customer is advised that the operation of e-911 requires accurate information be provided by Customer to Mitel for storage in Mitel's database, which Customer is solely responsible for updating. Further, Customer acknowledges and agrees that e-911 service will not be available, and Mitel assumes no liability: (i) if there is a power failure or some other type of failure of the equipment installed at the Customer premises; (ii) if there is a failure or congestion of the access connection (such as dsl or t-1 connection) or associated equipment provided to connect the Customer location to the VOIP service network; (iii) if there is a failure or congestion of the VOIP network providing Customer's VOIP service, the public switched telephone network (pstn), the 911 service provider's network or the emergency services network; (iv) if Customer is using the Services outside of the United States; (v) if Customer has moved the VOIP device, delayed in providing or failed to provide accurate location information to Customer's service provider, or the information Customer has provided has not yet been updated by Customer's service provider or is inaccurate; (vi) if the Services have been disconnected or suspended for non-payment or any other reason; (vii) for those circumstances under which 911 service may be limited to traditional 911 service rather than enhanced 911 (or 'e-911'). With e-911 the Customer address and callback information is automatically provided to the emergency services systems. If e-911 service is not available in Customer's area or at the time of the 911 call, then, the system may default to traditional 911 service and the Customer may be required to verbally inform the 911 call taker or emergency responder of their address and phone number; and/or (viii) or failure of emergency services under certain circumstances, including but not limited to, those circumstances in which Customer is using call forwarding, call redirection or blocking services, and/or when the emergency callback number is configured to ring a phone at a different location than the Customer's VOIP device.

6. **LIMITATION OF LIABILITY.** In no event will Mitel or its suppliers be liable to Customer for any loss of data, loss of profits or savings, loss of business, loss of reputation or goodwill or any economic loss or indirect, incidental, consequential, punitive, special or exemplary damages arising out of or in connection with this Agreement or the breach of any express or implied warranty or condition in connection with the Services, Hardware, or this Agreement even if Mitel or its suppliers have been advised of the possibility of such damages and regardless of the nature of the cause of action or theory asserted regarding such damages. In no event shall Mitel's or its suppliers' total liability for any damages, direct or indirect, arising from or in connection with the Services, Hardware or this Agreement exceed the fees paid by Customer for the Services, whether such liability arises from any claim based upon contract, warranty, tort or otherwise, including negligence. The amount of proven direct damages for the Services shall not exceed an amount equal to the charges applicable under the Agreement for the time period during which Services were affected.

7. **CUSTOMER INDEMNITY.** Customer shall indemnify, defend and hold Mitel harmless against all claims, costs, losses, expenses, damages or liabilities ("Damages") to the extent such arise from (i) the material, data, information or other content transmitted over Mitel facilities (including the data and content received or provided for transmission through the Service) or any use thereof infringing or misappropriating the rights of a third party; (ii) infringement arising from combining or connecting Mitel Services with apparatus and systems of Customer or any third party; (iii) any act or omission by

the Customer in connection with any Service provided by Mitel or the terms of this Agreement (iv) the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of equipment or wiring provided by Mitel where such is not the direct result of the negligence of Mitel. No agents or employees of other carriers shall be deemed to be agents or employees of Mitel.

8. **FORCE MAJEURE.** Except with respect to Customer's payment obligations for Services rendered prior to the commencement of a Force Majeure event, notwithstanding any other provision of the Agreement, neither Party shall be liable to the other Party for any delay or failure in performance of the Agreement to the extent such delay or failure is caused by fire, flood, explosion, accident, war, strike, embargo, governmental requirement, civil or military authority, Act of God, inability to secure materials or labor or any other causes beyond its reasonable control. Any such delay or failure shall suspend the Agreement until the Force Majeure ceases.

9. **REGULATORY CHANGE.** Mitel may amend any contract term or pricing in response to a regulatory change that materially changes the technical feasibility or economics of providing service. Mitel will notify Customer in writing when exercising this right, after which Customer will have thirty (30) days from the date of the notice to terminate the adversely affected Services for cause by notifying Mitel in writing. If Customer does not respond in writing to Mitel within thirty (30) days, Customer waives its right to terminate. For avoidance of doubt, Customer's remedy pursuant to this section shall not apply for rates otherwise subject to change as designated on Customer's Service Order.

10. **CONFIDENTIALITY.** Customer shall maintain in confidence and prevent the unauthorized use, disclosure, copying or publication of, as applicable (i) supplier, customer and financial information and data; (ii) the Services and associated end user documentation, which shall include any and all associated intellectual property rights of Mitel and its suppliers; and (iii) any other information which is designated as confidential (or like designation), is disclosed in circumstances of confidence, or would be understood by the receiving party, using reasonable business judgment, to be confidential.

11. **PUBLICITY.** Neither party shall use the name of the other party in publicity, advertising, or similar activity, without the prior written consent of the other, except Customer agrees that Mitel may profile or disclose Customer as a Mitel customer in standard marketing materials, including press releases, corporate presentations and digital properties and/or other marketing vehicles as Mitel may deem appropriate.

12. **GENERAL.** The Agreement shall be interpreted, construed and enforced in accordance with the laws of the State of Arizona, without regard to its conflict of laws principles. Each party consents to personal jurisdiction in the state and federal courts of the State of Arizona. In addition, this Agreement, and the Services provided hereunder, are subject to terms and conditions set forth in Mitel's Tariffs; and Mitel's Acceptable Use Policy ("AUP") SERVICE LEVEL AGREEMENT ("SLA") located at <http://www.mitel.com/mitel-cloud-services-terms-and-conditions/> including any codes of conduct imposed by third-party network operators in connection with the use of data and content obtained through such networks and transmission of data and content through the Service, including transmission by telecommunications, SMS, chat, email and social networks ("Network Operator Conditions"). Customer agrees to comply with such Network Operator Conditions. The Mitel Tariffs, AUP, SLA and other applicable schedules referenced at <http://www.mitel.com/mitel-cloud-services-terms-and-conditions/> may be modified from time to time. In the event of a conflict between the terms of this Agreement and the Mitel Tariffs, the Mitel Tariffs shall prevail. Any notice, communication or demand, including address changes, required by Customer will be effective when mailed, properly addressed, with postage prepaid to the other party at the address on the Service Order, unless otherwise set out herein. The entire agreement between the parties with respect to this subject matter is contained in this Agreement, including the Mitel Tariffs and any other documents incorporated by reference. This Agreement may not be modified, except in writing signed by both parties. In the event of a dispute in the terms and provisions of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees in addition to all other remedies that the law provides. This Agreement may not be assigned or transferred by the Customer without express prior written approval of Mitel. Mitel may substitute the Hardware or any component thereof with comparable new equipment of equivalent functionality. Mitel may subcontract its obligations under this Agreement, but will remain responsible for such obligations. In the event a provision contained herein is for any reason held to be unenforceable, such unenforceability shall not affect the validity of any other provision of this Agreement, and this Agreement shall then be construed as if such unenforceable provision had never been contained herein. The parties agree to work in good faith to substitute the invalid provision with one that best achieves the original intent of the parties.

Navarro County Courthouse Security Proposal

Guardian Security Solutions, LC has over 25 years of experience working with Commissioners, Judges, Law Enforcement, Correctional Officers, School Security Staff, Colleges, Businesses and other security professionals.

We use remote access software. With your permission, our technicians will be able to remotely access your system and provide prompt service support if needed.

Warranty Information

Guardian Security Solutions, LC provides a one year labor and materials warranty including travel. All equipment installed will be covered under this agreement. If equipment fails during the first year due to use or age, Guardian will repair or replace with like equipment based on Guardian's judgment. We do not cover vandalism, power surges, lint or dirt in NVRs and the results of lint or dirt, or an act of God as a result of storms.

Extended Warranty Agreement

Guardian Security Solutions, LC provides an extended warranty agreement which will cover all cost for service calls and repair, or if equipment cannot be repaired, we will replace any portion of the security system with like equipment based on Guardian's judgment. The only exception to repair or replacement is an act of God, i.e. lightning, storms, or power surges in the building. All normal wear and tear will be repaired or replaced. The extended warranty agreement has to be purchased before the original first years warranty expires. The cost is based on the percentage of total invoice.

Cost of 1st year of Extended Warranty coverage is 8% of total original invoice. You may pay on a year by year basis and we will invoice as soon as agreement is signed.

Guardian Security Solutions, LC is licensed with the Texas Department of Public Safety, Texas Private Security Bureau and we carry all required insurance levels to maintain and exceed requirements. Texas license number is B11916.

IRCAMERENTY
HAS LOW BATTERY SIGNAL
→ ADD ALARMS FOR EACH OF 3 DOORS ON FIRST FLOOR
→ ADD PANIC BUTTONS.

PLEASE VISIT OUR WEBSITE - WWW.MYSHIELD.ORG

NAVARRO COUNTY COURTHOUSE – SECURITY EVALUATION

Areas of Concern:

Building entrance – Door Access Control

Screen for weapons – Metal Detectors -2

Exterior & Interior traffic – Cameras / Recorded History ✓

Handicap entrance liability – Cameras / Recorded History ✓

Emergency – Wave Plus Wireless Instant Notification Panic System ✓

Active Shooter – Wave Plus Wireless Instant Notification Panic System ✓

Suspicious unattended object – Use camera software to determine origin

Break-ins – Monitored Alarm System

Door Access Control:

Sheriff will have ability to lockdown all Access Controlled doors at one time or lock & unlock a single door using his cell phone.

Law enforcement will have entry ability to all access controlled doors.

Can be programmed to take snapshot with closest 2 cameras to card reader & send to cell phone.

Audit trail from card readers showing date & time card was badged.

Metal Detector:

33 pinpoint zones to precisely identify multiple target locations from head to toe on the left, center and right sides of the body.

“Approved Product for Homeland Security”

IP Megapixel Camera System:

Exterior – IP Eyeball Camera 3MP, IR

Interior – IP Vandal Dome 3MP, IR

Interior – IP Fisheye – 5MP

Total cameras – 36

Room on NVR to add cameras.

Approximately 30 days recorded storage; can be adjusted.

Wave Plus Panic System:

Wireless Panic System, 100 Zone Control Panel with Active Shooter Notification

Monitored Alarm System:

Touchscreen Keypad basement & 1st floor
Basement wired / 1st Floor wireless
All entrance doors / door contacts
Motion detector w/glassbreak

Network:

Guardian builds its own network. Will not pull CH network down.

Control Center in Courthouse Security Room, see all cameras, search history & make copies of backup.

Sheriff's Office control center will be connected to Courthouse & Annex cameras allowing Sheriff to see all cameras from his office, search history & make copies of backup.

Software on Sheriff's Dept. vehicles laptops allows responders to see exterior & interior cameras before making entry.

Texas Historical Commission's (THC)

Ray has worked with Sharon Fleming with THC on several THC projects. Guardian Security has extensive experience working with THC in both pre-construction & completed renovations, installing Camera & Access Control systems.

Gray County TX installed after renovation.
