PLANNING AND ZONING COMMISSION MINUTES

June 1st, 2017

5:00 P.M.

Item #1. The roll was called and the attendance was as follows:

Chairman Jacobson – present	Vice Chairman Schoppert – present
John Smith - present	Bob McStay – present
Carroll Sigman – present	Bryan Roach - absent
Vicki Farmer – present	Jeff Smith - present
Clay Jackson – present	Kenneth Guard – present
Kit Herrington - present	Caleb Jackson – present
Julie Humphries – absent	Phil Seely - present

Item #2 on the agenda was consideration of the minutes of the April 6th, 2016 Planning and Zoning meeting. Motion to approve by Commissioner Stuart Schoppert, second by Commissioner Kit Herrington, all voted aye.

Item #3 on the agenda was consideration of a re-plat of The Shores, Phase 1, combining lots 217 and 218 for Tommy and Docia Williams. Motion to approve by Commissioner Caleb Jackson, second by Commissioner Carroll Sigman, all voted aye.

Item #4 on the agenda was consideration of a re-plat of Paradise Bay, Block A, combining lots 2, 3 and 4 for Dustin and Wendy Bryant. Motion to approve by Commissioner Kenneth Guard, second by Commissioner John Smith, all voted aye.

Item #5 on the agenda was the Chairman's report. Chairman Jacobson addressed a question by Commissioner Jeff Smith concerning a proposed residential structure utilizing repurposed storage containers for Avery Hummel. Commissioner Smith had received an email from Ms. Hummel containing Auto CAD drawings of the floor plans and side elevation views and she wanted to know if they were sufficient enough to obtain a Building Permit. The Commission agreed that Ms. Hummel needed to provide a Registered Engineer's sealed approval of preconstruction plans to insure that the minimum construction standards are met, that may or may not be regulated by the International Building Code.

Adjourn.

912 10

**REPORT REQUIRED BY TEXAS LOCAL GOVERNMENT CODE SECTION 399.009
FOR PROPOSED NAVARRO COUNTY
PROPERTY ASSESSED CLEAN ENERGY (PACE) PROGRAM**

This Report is adopted by Navarro County Commissioners Court for the Navarro County Property Assessed Clean Energy (PACE) Program (the "program") in accordance with the requirements of the Property Assessed Clean Energy Act (the "PACE Act") as set forth in Texas Local Government Code Chapter 399.

Navarro County and its constituents benefit when older existing buildings are modified with new technology and equipment that increases energy efficiency and reduces water consumption. As described in this Report, Navarro County is establishing the commercial PACE Program to encourage private sector investment in energy efficiency and water conservation. The PACE program will be offered to property owners on a strictly voluntary basis and will not require the use of any public funds or resources.

Authorized under the PACE Act enacted in 2013, the PACE program is an innovative financing program that enables private sector owners of privately owned commercial, industrial, and multi-family residential properties with five or more dwelling units to obtain low-cost, long-term loans to pay for water conservation, energy-efficiency improvements, and renewable energy retrofits. PACE loans provide up to 100% financing of all project costs, with little or no up-front out-of-pocket cost to the owner. The 2015 legislative session streamlined the process.

Loans made under the PACE Program will be secured by assessments on the property that are voluntarily imposed by the owner. Assessments may be amortized over the projected life of the improvements. The annual utility cost savings derived from improvements financed with PACE loans are expected to exceed the amount of the annual assessment payments. In turn, these improvements are able to generate positive cash flow upon installation because the debt service will be less than the savings.

PACE assessments are tied to the property and follow title from one owner to the next. Each owner is responsible only for payment of the assessments accruing during its period of ownership. When the property is sold, the payment obligation for the remaining balance of the assessment is transferred automatically to the next owner. As a result, the program will help property owners overcome market barriers which often discourage investment in energy efficiency and water conservation improvements.

1. Eligible Properties

The Navarro County PACE program is a strictly voluntary program. All private sector owners of Eligible Properties located within the Navarro County PACE region may participate in PACE

financing. "**Eligible Properties**" include commercial, industrial, and multi-family residential properties with five or more dwelling units. Government, residential¹, and undeveloped property and property undergoing development at the time of the assessment are not Eligible Properties.

2. Qualified Improvements

PACE financing may be used to pay for Qualified Improvements to Eligible Properties. "**Qualified Improvements**" are permanent improvements intended to decrease water or energy consumption or demand, including a product, device, or interacting group of products or devices on the customer's side of the meter that use energy technology to generate electricity, provide thermal energy, or regulate temperature. Under the PACE Act, products or devices that are not permanently fixed to real property are not considered to be Qualified Improvements.

The following items may constitute Qualified Improvements:

- High efficiency heating, ventilating and air conditioning ("HVAC") systems
- High efficiency chillers, boilers, and furnaces
- High efficiency water heating systems
- Energy management systems and controls
- Distributed generation systems
- High efficiency lighting system upgrades
- Building enclosure and envelope improvements
- Water conservation and wastewater recovery and reuse systems
- Combustion and burner upgrades
- Heat recovery and steam traps
- Water management systems and controls (indoor and outdoor)
- High efficiency irrigation equipment

3. Benefits of PACE to Property Owners

The PACE program will enable owners of Eligible Properties to overcome traditional barriers to capital investments in energy efficiency and water conservation improvements, such as unattractive returns on investment, split incentives between landlords and tenants, and uncertainty of recouping the investment upon sale of the property.

By financing Qualified Improvements through the program, property owners may achieve utility cost savings that exceed the amount of the assessment and reduce their exposure to utility price volatility. As a result, the value of the property will be enhanced, and the owner will only be obligated to pay the assessment installments that accrue during its period of ownership of the property. Additionally, by investing in energy efficiency and water conservation with PACE financing, property owners may also qualify for various rebate, tax credit, and incentive programs offered by utility providers and state or federal governmental authorities to encourage these types of investments.

¹ This encompasses single family residential and any multi-family properties less than five units.

4. Benefits of PACE to the County

A Navarro County PACE program will provide specific benefits to the county's citizens and businesses. Without creating any liability for county funds, the PACE program creates a voluntary mechanism allowing industrial commercial or multifamily properties with at least 5 units to borrow private capital for qualified property improvements that reduce energy or water costs or demand. The program enables businesses and nonprofits to defer all upfront costs (zero initial out-of-pocket), which are typically a barrier to energy and water efficient and renewable energy installations. Property owners may borrow 100% of improvement cost to be repaid over up to 20 years, thus with lower capital requirements and longer terms than conventional financing allows. Loans are repaid with savings in energy costs, even though interest rates may be above prime, providing net gains to the business consumer. Therefore, the loan essentially pays for itself. Debt created will be repaid by subsequent property owners if property is sold before debt is retired since the lien follows title to the property.

As a result, a Navarro County PACE program promotes energy efficiency improvements in its buildings and makes the shift to renewable resources more affordable. Because the PACE program relies on private capital, it will introduce non-local capital resources to the area and help create jobs and capital investment that might not otherwise be created.

Among other things, projects financed through PACE will:

- Enable property owners and occupants to save substantial amounts in utility costs
- Reduce demand on the electricity grid
- Mitigate greenhouse gas emissions associated with energy generation
- Enhance the value and efficiency of existing buildings
- Boost the local economy by creating new job opportunities for laborers and new business opportunities for contractors, engineers, commercial lenders, professionals, and equipment vendors and manufactures
- Increase business retention and expansion in the PACE region by enabling cost effective energy and water saving updates to existing property
- Improve productivity through optimized energy usage
- Support the State's water conservation plan
- Better enable the County to meet its water conservation goals

Finally, there are multiple regulatory schemes being promulgated by EPA that will have significant impacts on air quality in Texas. For example, the recent adjustment in the NAAQS to a lower standard increased the difficulty for the County to maintain its attainment status. Being non-attainment for priority pollutants in the Clean Air Act endangers federal transportation funding. Through the reduction in energy consumption, as a result of the PACE program, there will be a decreased demand for power resulting in lower emissions from power plants.

The PACE program requires minimal support from the County. It is designed to be self-sustaining. Furthermore, because the PACE program is tax neutral, it achieves all of the benefits listed in this Report without imposing a burden on the County's general fund.

975
The 84th Texas Legislature added a provision that explicitly shields the County and its employees from liability resulting from administering a PACE program.²

5. The Benefits of PACE to Lenders

PACE loans are attractive to lenders because they are very secure investments. Like a property tax lien, the assessment lien securing the PACE loan has priority over other liens on the property. Therefore, the risk of loss from non-payment of a PACE loan is low compared to most other types of loans. PACE assessments provide lenders with an attractive new product to assist existing and new customers in addressing an almost universal pent-up demand for needed commercial and industrial property equipment modernization. In order to protect the interests of holders of existing mortgage loans on the property, the PACE Act requires their written consent to the PACE assessment as a condition to obtaining a PACE loan.

6. The Benefits of PACE to Contractors, Engineers, and Manufacturers

PACE loans provide attractive sources of financing for water and energy saving retrofits and upgrades, thereby encouraging property owners to make substantial investments in existing commercial and industrial buildings. As a result, PACE will unlock business opportunities for contractors, engineers, and manufacturers throughout the commercial and industrial sectors.

7. Administration of the PACE Program

Under the PACE Act, the establishment and operation of the program are considered to be governmental functions. The PACE Act further authorizes the County to enter into a contract with a third party to provide administrative services for the PACE program (the "*Authorized Representative*"). Navarro County may delegate administration of the PACE program to a qualified, non-profit organization that can administer the program at no cost to the County. The Authorized Representative will be funded by transaction fees paid by the parties, charitable grants or other sources of revenue. The Authorized Representative will not receive compensation or reimbursement from the County. Periodic updates to the standard form documents (described in Section 9) will be necessary as the program evolves, incorporating best practices and standardizing the PACE contracts across various PACE programs. The Authorized Representative will be tasked with maintaining the form contracts and making technical and conforming updates as necessary so long as the changes are consistent with the resolution to establish the PACE program and the statute.

8. Eligible Lenders

The PACE Act does not set criteria for financial institutions or investors to be PACE lenders. The County will follow best practices of other PACE programs by recommending that lenders be:

- Any federally insured depository institution such as a bank, savings bank, savings and loan association and federal or state credit union;

² TX. Local Gov't Code §399.019.

- Any insurance company authorized to conduct business in one or more states;
- Any registered investment company, registered business development company, or a Small Business
- Small business investment company;
- Any publicly traded entity; or
- Any private entity that:
 - Has a minimum net worth of \$5 million; and
 - Has at least three years' experience in business or industrial lending or commercial real estate lending (including multifamily lending), or has a lending officer that has at least three years' experience in business or industrial lending or commercial real estate lending; and
 - Can provide independent certification as to availability of funds; and
- All lenders must have the ability to carry out, either directly or through a servicer, the bookkeeping and customer service work necessary to manage the assessment accounts.

Any lender can participate in the PACE program as long as it is a financially stable entity with the ability to carry out, either directly or through a servicer, the bookkeeping and customer service work necessary to manage the assessment accounts. The property owner, not the County or the Authorized Representative, selects the lender.

The PACE administrator will not guarantee or imply that funding will automatically be provided from a third-party lender, imply or create any approval, endorsement or certification of, or responsibility for, any lender; or create any type of express or implied favoritism for any eligible lender.

9. Components of the PACE Program

As required under Section 399.009 of the PACE Act, the following describes all aspects of the PACE Program:

- a. Map of Region. A map of the boundaries of the region included in the program is attached to this Report as Exhibit 1. The region encompasses the Navarro County limits.
- b. Form Contract With Owner. A form contract between Navarro County and the record owner of the Eligible Property is attached as Exhibit 2. It specifies the terms of the assessment under the PACE program and the financing to be provided by an Eligible Lender of the property owner's choosing.
- c. Form Contract with Lender. A form contract between Navarro County and the Eligible Lender chosen by a property owner is attached to this Report as Exhibit 3. It specifies the financing and servicing of the debt through assessments.

971

d. **Form Notice of Contractual Assessment Lien.** A form Notice of Assessment Lien to be filed by the County with the Navarro County Clerk is attached to this Report as **Exhibit 4.**

e. **Qualified Improvement.** The following types of projects are qualified improvements that may be subject to contractual assessments under the PACE program:

Projects that (a) involve the installation or modification of a permanent improvement fixed to privately owned commercial, industrial or residential real property with five (5) or more dwelling units;³ and (b) are intended to decrease energy or water consumption or demand by installing a product, device, or interacting group of products or devices on the customer's side of the meter that uses energy technology to generate electricity, provide thermal energy, or regulate temperature.⁴

A sample list of potential Qualified Improvements appears in Section 2 above.

The PACE program may not be used to finance improvements to undeveloped lots or lots undergoing development at the time of the assessment, or for the purchase or installation of products or devices not permanently fixed to real property.⁵

f. **Authorized Representative.** HB 3187 was signed into law on June 16, 2015. It authorizes Navarro County to delegate administration of the PACE program to a third-party "representative." Navarro County may delegate all official administrative responsibilities, like the execution of individual contracts with property owners and lenders, to an Authorized Representative. This relationship will be monitored and maintained by the County Judge or his designee.

g. **Plans for Insuring Sufficient Capital**⁶. Lenders will extend loans to finance Qualified Improvements. Financing documents executed between owners and lenders will impose a contractual assessment on Eligible Property to repay the owner's financing of the Qualified Improvements. The lenders will ensure that property owners demonstrate the financial ability to fulfill the financial obligations to be repaid through contractual assessments.

³ TX. Local Gov't Code §399.002(5).

⁴ TX. Local Gov't Code §399.002(3).

⁵ TX. Local Gov't Code §399.004.

⁶ The Texas PACE Authority's website (www.texaspaceauthority.org) offers a non-exhaustive list of interested and qualified lenders to assist property owners in funding PACE projects in Texas.

- h. **No Use of Bonds or Public Funds.** Navarro County does not intend to issue bonds or use any other public monies to fund PACE projects. Property owners will obtain all financing from the Eligible Lenders they choose.
- i. **Limit on Length of Loan.** One of the statutory criteria of a PACE loan is that the assessment payment period cannot exceed the useful life of the Qualified Improvement that is the basis for the loan and assessment. As part of the application process, the property owners will submit a third-party review showing the water or energy baseline conditions and the projected water or energy savings. This review will aid the Authorized Representative in making a determination that the period of the requested assessment does not exceed the useful life of the Qualified Improvement.
- j. **Application Process.** The Authorized Representative will accept applications from property owners seeking to finance Qualified Improvements under the program. Each application must be accompanied by the required application fee and must include:
 - (1) A description of the specific Qualified Improvements to be installed or modified on the property,
 - (2) A description of the specific real property to which the qualified improvements will be permanently fixed, and
 - (3) The total amount of financing, including any transaction costs, to be repaid through assessments.

Based on this information, the Authorized Representative may issue a preliminary letter indicating that, subject to verification of all requirements at closing, the proposed project appears to meet program requirements. Based on this preliminary letter, the property owner may initiate an independent third-party review of the project and submit the project to Eligible Lenders for approval of financing.

Once the above processes are completed, the property owner will submit the application to the Authorized Representative to obtain preliminary approval. The property owner is expected to produce the following documentation prior to closing on the PACE loan:

- (1) A Report conducted by a qualified, independent third party, showing water or energy baseline conditions and the projected water or energy savings, or the amount of renewable energy generated attributable to the project;
- (2) Such financial information about the owner and the property as the lender chosen by the owner deems necessary to determine that the owner has demonstrated the financial ability to fulfill the financial obligations to be paid through assessments; and
- (3) All other information required by the Authorized Representative.

979

- k. **Financial Eligibility Requirements.** The Authorized Representative will determine whether the owner, the property and the improvements are eligible for financing under the program. The Eligible Lender chosen by the owner will determine whether the owner has demonstrated the financial ability to repay the financial obligations to be collected through contractual assessments. The statutory method⁷ for ensuring such a demonstration of financial ability must be based on appropriate underwriting factors, including the following:
- (1) verification that the person requesting to participate in the program is the legal record owner of the benefitted property,
 - (2) the applicant is current on mortgage and property tax payments,
 - (3) the applicant is not insolvent or in bankruptcy proceedings,
 - (4) the title of the benefitted property is not in dispute; and
 - (5) there is an appropriate ratio of the amount of the assessment to the assessed value of the property.
- l. **Mortgage Holder Notice and Consent.** As a condition to the execution of a written contract between the Authorized Representative and the property owner imposing an assessment under the program, the holder of any mortgage lien on the property must be given notice of the owner's intention to participate in the program on or before the 30th day before the date the contract is executed, and the owner must obtain the written consent of all mortgage holders.⁸
- m. **Imposition of Assessment.** The Authorized Representative will enter into a written contract with the property owner, only after:
- (1) The property owner delivers to the Authorized Representative written consent of all mortgage lien holders;
 - (2) The Authorized Representative's determination that the owner and the property are eligible to participate in the program, that the proposed improvements are reasonably likely to decrease energy or water consumption or demand, and that the period of the requested assessment does not exceed the useful life of the Qualified Improvements; and
 - (3) The Eligible Lender notifies the Authorized Representative that the owner has demonstrated the financial ability to fulfill the financial obligations to be repaid through contractual assessments.

The contract will impose a contractual assessment on the owner's Eligible Property to repay the lender's financing of the Qualified Improvements. The Eligible Lender will file "A Notice of Contractual Assessment Lien," in substantially the form in Exhibit 4 in the Official Public Records of Navarro County, depending on where the Eligible Property is located, as notice to the public of the assessment, from the date of filing. The contract and the notice must contain the amount of the assessment, the legal description of the property, the

⁷ TX. Local Gov't Code §399.009(b).

⁸ TX. Local Gov't Code §399.010.

name of the property owner, and a reference to the statutory assessment lien provided under the PACE Act.

- n. **Collection of Assessments.** The execution of the written contract between the Authorized Representative and the property owner and recording of the Notice of Contractual Assessment Lien incorporate the terms of the financing documents executed between the property owner and with the lender to repay the financing secured by the assessment. The third-party lender will advance financing to the owner, and the terms for repayment will be such terms as are agreed between the lender and the owner. Under the form lender contract attached as Exhibit 3, the lender or a designated servicer will agree to service the debt secured by the assessment.⁹

With funds from the lender, the property owner can purchase directly the equipment and materials for the Qualified Improvement and contract directly, including through lease, power purchase agreement, or other service contract, for the installation or modification of the Qualified Improvements. Alternatively, the lender may make progress payments to the property owner as the Qualified Improvement is installed.

The lender will receive the owner's assessment payments to repay the debt and remit to the Authorized Representative any administrative fees. The lender will have the right to assign or transfer the right to receive the installments of the debt secured by the assessment, provided all of the following conditions are met:

- (1) The assignment or transfer is made to an Eligible Lender, as defined above; and
- (2) The property owner and the Authorized Representative are notified in writing of the assignment or transfer and the address to which payment of the future installments should be mailed at least 30 days before the next installment is due according to the schedule for repayment of the debt; and
- (3) The assignee or transferee, by operation of the financing documents or otherwise, written evidence of which shall be provided, assumes lender's obligations under the lender contract.

- o. **Verification Review.** After a Qualified Improvement is completed, the Authorized Representative will require the property owner to provide verification by a qualified independent third-party reviewer that the Qualified Improvement was properly completed and is operating as intended.¹⁰ The verification report conclusively establishes that the improvement is a Qualified Improvement and the project is qualified under the PACE program.

⁹ The servicer will be responsible for maintaining payment records, account balances, and reporting to the PACE administrator as required.

¹⁰ TX. Local Gov't Code §399.011.

981

- p. **Marketing and Education Services.** Navarro County may subsequently enter into agreements with one or more other local governments or non-profit organizations that promote energy and water conservation and/or economic development to provide marketing and education services for the PACE program.

- q. **Quality Assurance and Antifraud Measures.** The Authorized Representative will institute quality assurance and antifraud measures for the Program. The Authorized Representative will review each PACE application for completeness and supporting documents through independent review and verification procedures. The application and required attachments will identify and supply the information necessary to ensure that the property owner, the property itself, and the proposed project all satisfy PACE program underwriting and technical standard requirements. Measures will be put in place to provide safeguards, including a review of the energy and water savings baseline and certification of compliance with the technical standards manual from an independent third-party reviewer (ITPR), who must be a registered professional engineer, before the project can proceed. This review will include a site visit, report, and a letter from the ITPR certifying that he or she has no financial interest in the project and is an independent reviewer. After the construction of the project is complete, an ITPR will conduct a final site inspection and determine whether the project was completed and is operating properly. The reviewer's certification will also include a statement that the reviewer is qualified and has no financial interest in the project.

- r. **Delinquency.** Under the terms of the form lender contract attached as **Exhibit 3**, if a property owner fails to pay an agreed installment when due on the PACE assessment, the lender will agree to take at least the following steps to collect the delinquent installment:
 - (1) Mail to the owner a written notice of delinquency and demand for payment by both certified mail (return receipt requested) and first class mail, and
 - (2) Mail to the owner a second notice of delinquency and demand for payment by both certified mail (return receipt requested) and first class mail, at least 30 days after the date of the first notice if the delinquency is continuing.

If the owner fails to cure the delinquency within 30 days after mailing the second notice of delinquency, the lender may notify the Authorized Representative of the owner's default. Pursuant to Texas Local Government Code Section 399.014(c), the Authorized Representative will initiate steps for the County to enforce the assessment lien in the same manner as a property tax lien against real property may be enforced, to the extent the enforcement is consistent with Section 50, Article XVI, of the Texas Constitution. Delinquent installments will incur penalties and interest in the same manner and at the same rate as delinquent property taxes, according to Texas Local Government Code Section 399.014(d),

and such statutory penalties and interest will be due to the County to offset the cost of collection.

If the County files suit to enforce collection, the County may also recover costs and expenses, including attorney's fees, in a suit to collect a delinquent installment of an assessment in the same manner and at the same rate as in suit to collect a delinquent property tax. If a delinquent installment of an assessment is collected after the filing of a suit, the County will remit to the lender the net amount of the delinquent installments and contractual interest collected and remit to the Authorized Representative the amount of any administrative fees collected but will retain any statutory penalties, interest, and attorney's fees collected.

EXHIBIT 1
MAP OF NAVARRO COUNTY PACE REGION

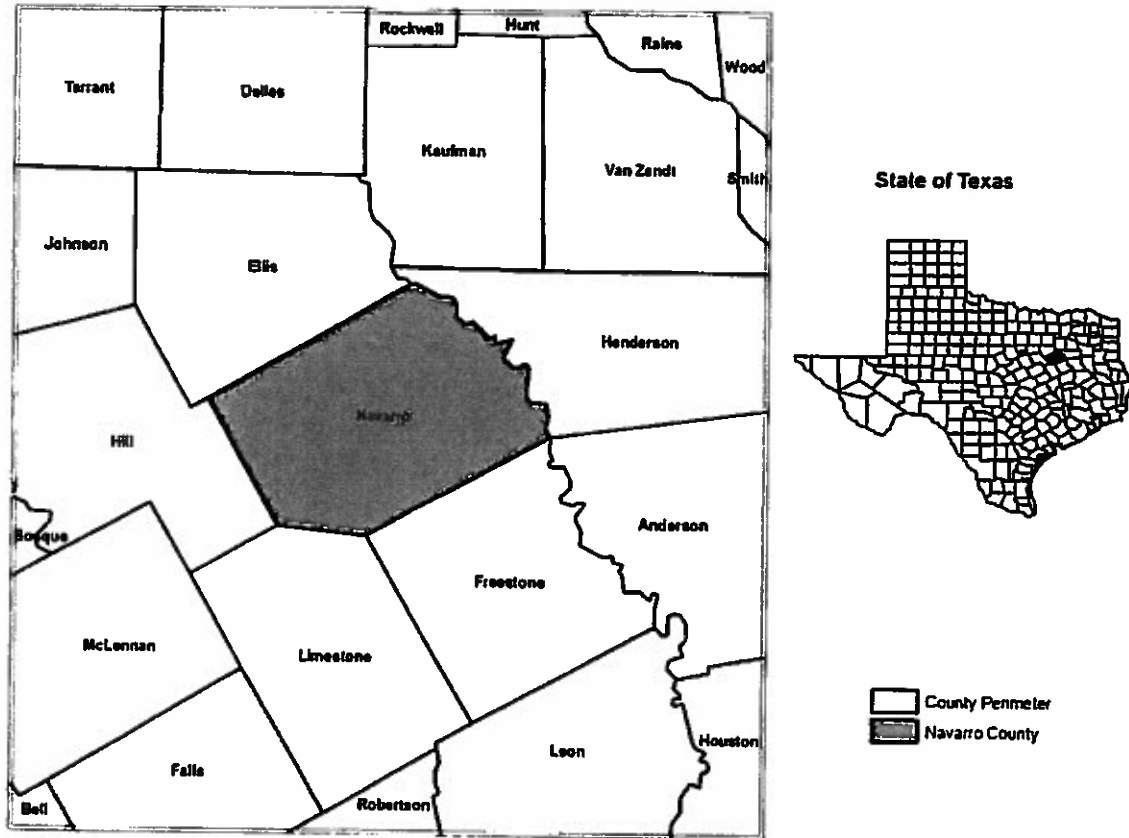

EXHIBIT 2
FORM OWNER CONTRACT

THIS PROPERTY ASSESSED CLEAN ENERGY ("PACE") OWNER CONTRACT ("Owner Contract") is made as of the _____ day of _____, _____, by and between the County of Navarro, Texas ("Local Government"), and _____ ("Property Owner").

RECITALS

The Property Assessed Clean Energy Act ("PACE Act"), Texas Local Government Code Chapter 399, authorizes the governing body of a local government to establish a program and designate a region within the local government's jurisdiction within which an authorized representative of the local government may enter into written contracts with the record owners of commercial, industrial, agricultural, and large multifamily residential (5 or more dwelling units) real property to impose assessments on the property to finance the cost of permanent improvements fixed to the property intended to decrease water or energy consumption or demand.

Local Government has established a program under the PACE Act pursuant to a _____ dated _____, adopted by the Navarro County Commissioners Court (the "PACE Program"), and has designated _____ ("Authorized Representative") as the representative authorized to enter into the Assessment, Owner Contract and Lender Contract described herein, and has designated the entire territory within the County of Navarro jurisdiction as a region ("Region") within which the Authorized Representative and the record owners of such real property may enter into written contracts to impose assessments to repay the financing by owners of qualified improvements on the owner's property pursuant to the PACE Program.

Property Owner is the legal and record owner of the qualified "real property," as defined in Section 399.002 of the PACE Act, within the Region located at _____, _____, Texas, _____ (the "Property").

Pursuant to Application number _____, Property Owner has applied to Local Government to participate in the PACE Program by installing or modifying on the Property certain permanent improvements which are intended to decrease water or energy consumption or demand, and which are or will be fixed to the Property as "qualified improvements", as defined in Section 399.002 of the PACE Act (the "Qualified Improvements"). The installation or modification of such Qualified Improvements on the Property will be a "qualified project" as defined in Section 399.002 of the PACE Act (the "Project"). Property Owner has requested that Local Government enter into this Owner Contract pursuant to the PACE Act and the PACE Program and has requested Local Government to impose an assessment (the "Assessment") on the Property as set forth in the Notice Of Contractual Assessment Lien Pursuant To Property Assessed Clean Energy Act to be filed in the in the Official Public Records of Navarro, Texas (the "Notice of Contractual Assessment Lien"), a copy of which is attached hereto as Exhibit A

985
and made a part hereof, to repay the financing of such Qualified Improvements. The Property, Qualified Improvements and Assessment are more fully described in the Notice of Contractual Assessment Lien.

The financing of such Qualified Improvements will be provided to Property Owner by _____ ("Lender"), a qualified lender selected by Property Owner, pursuant to a written contract executed by Lender and Local Government as required by Section 399.006(c) of the PACE Act and by the PACE Program (the "Lender Contract"). The financing will include only those costs and fees for which an assessment may be imposed under the PACE Act. Local Government has agreed to maintain and continue the Assessment for the benefit of Lender until such financing is repaid in full and to release the Assessment upon notice from Lender of such payment, or foreclose the lien securing the Assessment for the benefit of Lender upon notice from Lender of a default by Property Owner.

As required by Section 399.010 of the PACE Act, Property Owner notified the holder(s) of any mortgage liens on the Property at least thirty (30) days prior to the date of this Owner Contract of Property Owner's intention to participate in the PACE Program. The written consent of each mortgage holder to the Assessment was obtained prior to the date of this Owner Contract and is attached hereto as Exhibit B and made a part hereof.

AGREEMENT

The parties agree as follows:

Imposition of Assessment. In consideration for the financing advanced or to be advanced to Property Owner by Lender for the Project under the PACE Program pursuant to the Lender Contract, Property Owner hereby requests and agrees to the imposition by Local Government of the Assessment in the amount of \$ _____, as set forth in the Notice of Contractual Assessment Lien, including all interest, fees, penalties, costs, and other sums due under and/or authorized by the PACE Act, PACE Program and the financing documents between Property Owner and Lender (the "Financing Documents") which are described or listed on Exhibit C attached hereto and made a part hereof by reference. Property Owner promises and agrees to pay such amount and interest to Local Government, in care of or as directed by Lender, in satisfaction of the Assessment imposed pursuant to the Owner Contract and the PACE Act. Accordingly, Local Government hereby imposes the Assessment on the Property to secure the payment of such amount, in accordance with the requirements of the PACE Program and the provisions of the PACE Act.

Maintenance and Enforcement of Assessment. In consideration for Lender's agreement to advance financing to Property Owner for the Project pursuant to the Financing Documents, Local Government agrees to maintain and continue the Assessment on the Property for the benefit of Lender until the Assessment, including all interest, fees, penalties, costs, and other sums due under and/or authorized by the PACE Act, PACE Program and the Financing Documents are paid in full, and to release the Assessment upon notice from Lender of such payment. Local Government agrees to undertake reasonable efforts to enforce the Assessment against the Property for the benefit of Lender in the event of a default by Property Owner. Local Government agrees to send an annual notice of assessment to the Property Owner with the

annual property tax notice each year there is a PACE lien balance. This notification can be listed on said tax notice or as a separate notification.

Installments. The Assessment, including the amount financed and contractual interest, is due and payable in installments as set forth in the Notice of Contractual Assessment Lien and the Financing Documents ("Installments"). The Assessment shall include: (1) an application fee paid by Property Owner to Authorized Representative at loan closing, and (2) a recurring administration fee paid by Property Owner to the Authorized Representative. The recurring administration fee amount shall be collected by Lender and paid to the Authorized Representative within thirty (30) days of receipt by Lender, unless otherwise agreed to in writing by the Program Administrator. The amounts due to the Authorized Representative are identified in Exhibit C hereto. As required by Section 399.009(a) (8) of the PACE Act, the period during which such Installments are payable does not exceed the useful life of the Project. When the Assessment together with any prepayment premium, and/or default penalties and interest, if any, has been paid in full, Local Government's rights under this Owner Contract will cease and terminate. Upon notice from Lender that all amounts owing have been paid in full, Local Government will execute a release of the Assessment and this Owner Contract. Thereafter, the Authorized Representative will record the release.

Assignment of Right to Receive Installments. Lender will have the right to assign or transfer the right to receive the Installments of the financing secured by the Assessment, provided all of the following conditions are met:

The assignment or transfer is made to a qualified lender as defined in the Lender Contract;

Property Owner and Authorized Representative are notified in writing of the assignment or transfer and the address to which payment of the future Installments should be mailed at least 30 days before the next Installment is due according to the payment schedule included in the Notice of Contractual Assessment Lien and the Financing Documents; and

The assignee or transferee, by operation of the Financing Documents or otherwise, written evidence of which shall be provided to Authorized Representative, assumes Lender's obligations under this Lender Contract.

Upon written notice to Property Owner and Authorized Representative of an assignment or transfer of the right to receive the Installments that meets all of these conditions, the assignor shall be released of all of the obligations of the Lender under such Lender Contract accruing after the date of the assignment assumed by and transferred to such assignee or transferee and all of such obligations shall be assumed by and transferred to the assignee. Any attempt to assign or transfer the right to receive the Installments that does not meet all of these conditions is void.

Lien Priority and Enforcement. Pursuant to Section 399.014 of the PACE Act,

Delinquent Installments of the Assessment will incur interest and penalties in the same manner and in the same amount as delinquent property taxes, viz., a delinquent

981

Installment incurs a penalty of 6% of the amount of the Installment for the first calendar month it is delinquent plus 1% for each additional month or portion of a month the Installment remains unpaid prior to July 1 of the year in which it becomes delinquent. However, an Installment delinquent on July 1 incurs a total penalty of 12% of the amount of the delinquent Installment without regard to the number of months it has been delinquent. A delinquent Installment will also accrue interest at the rate of 1% for each month or portion of a month that the Installment remains unpaid. Statutory penalties and statutory interest payable under this paragraph will be retained by Local Government to compensate it for the cost of enforcing the Assessment. Additional interest at any default rate imposed by Lender pursuant to the Financing Documents, along with any other fees and charges that become due pursuant to the Financing Documents may be assessed by Lender and retained by Lender.

The Assessment, together with any penalties and interest thereon,

is a first and prior lien against the Property from the date on which the Notice of Contractual Assessment Lien is filed in the Official Public Records of Navarro County as provided by Section 399.014 of the PACE Act, until the financing secured by the Assessment and any penalties and interest are paid; and

such lien has the same priority status as a lien for any other ad valorem tax, pursuant to Section 399.014(a)(2) of the PACE Act.

The lien created by the Assessment runs with the land, and according to Section 399.014(b) of the PACE Act, any portion of the Assessment that has not yet become due is not eliminated by foreclosure of: (i) a property tax lien, or (ii) the lien for any past due portion of the Assessment. In the event of a sale or transfer of the Property by Property Owner, the obligation for the Assessment and the Property Owner's obligations under the Financing Documents will be transferred to the succeeding owner without recourse on Local Government or the Authorized Representative..

In the event of a default by Property Owner in payment of the Installments called for by the Financing Documents, the lien created by the Assessment will be enforced by Local Government in the same manner according to Texas Tax Code Secs. 33.41 to 34.23 that a property tax lien against real property may be enforced by a local government, to the extent the enforcement is consistent with Section 50, Article XVI, Texas Constitution.

In a suit to collect a delinquent Installment of the Assessment, Local Government will be entitled to recover costs and expenses, including attorney's fees in the amount of 15% of the total amount of the delinquent Installment, penalties, and interest due, in the same manner according to Texas Tax Code Sec. 33.48 as in a suit to collect a delinquent property tax. Lender shall be entitled to any additional sums due to it under the Financing Documents in connection with a suit to collect a delinquent Installment of the Assessment.

After written notice of the Assessment is recorded in the real property records of the county in which the Property is located as provided under Section 399.013 of the

PACE Act, the lien created by the Assessment may not be contested on the basis that the improvement is not a "qualified improvement" or the project is not a "qualified project", as such terms are defined in Section 399.002 of the PACE Act.

Written Contract Required by PACE Act. This Owner Contract constitutes a written contract for the Assessment between the Property Owner and Local Government as required by Section 399.005 of the PACE Act. The Notice of Contractual Assessment Lien will be recorded in the Official Public Records of Navarro County as notice of the contractual Assessment, in accordance with the requirements of Section 399.013 of the PACE Act.

Qualified Improvements. Property Owner agrees that all improvements purchased, constructed and/or installed through financing obtained pursuant to this Owner Contract shall be permanently affixed to the Property and will transfer with the Property to the transferee in the event of and sale or assignment of the Property.

Water or Energy Savings. For so long as the Assessment encumbers the Property, Property Owner agrees on or before January 31st of each year, to report to Authorized Representative the water or energy savings realized through the Project in accordance with the reporting requirements established by the Local Government.

Construction and Definitions. This Owner Contract is to be construed in accordance with and with reference to the PACE Program and PACE Act. Terms used herein, and not otherwise defined herein, shall have the meanings ascribed to them in: (1) the PACE Program, and/or (2) the PACE Act.

Binding Effect. This Owner Contract inures to the benefit of Local Government and is binding upon Property Owner, its heirs, successors, and assigns.

Notices. All notices and other communications required or permitted by this Owner Contract shall be in writing and mailed by certified mail, return receipt requested, addressed to the other party at its address shown below the signature of such party or at such other address as such party may from time to time designate in writing to the other party, and shall be effective from the date of receipt.

Governing Law. This Owner Contract shall in all respects be governed by and construed in accordance with the laws of the State of Texas.

Entire Agreement. This Owner Contract constitutes the entire agreement between Local Government and Property Owner with respect to the subject matter hereof and may not be amended or altered in any manner except by a document in writing executed by both parties.

Further Assurances. Property Owner further covenants and agrees to do, execute and deliver, or cause to be done, executed, and delivered all such further acts for implementing the intention of this Owner Contract as may be reasonably necessary or required.

Captions. Paragraph and section titles are for convenience of reference only and shall not be of any legal effect.

989

Interest. Interest and penalties in the event of default, as provided above, are explicitly authorized by Section 399.014(d) of the PACE Act. However, in no event will the total amount of interest on the Assessment, including statutory interest payable to Local Government and contractual interest payable to Lender under the Financing Documents, exceed the maximum amount or rate of nonusurious interest that may be contracted for, charged, or collected under Texas law (the "usury limit"). If the total amount of interest payable to Local Government and Lender exceeds the usury limit, the interest payable to Local Government will be reduced and any interest in excess of the usury limit will be credited to the amount payable to Local Government or refunded. This provision overrides any conflicting provisions in this Owner Contract.

Counterparts. This Owner Contract may be executed in any number of counterparts, each counterpart may be delivered originally or by electronic transmission, all of which when taken together shall constitute one agreement binding on the parties, notwithstanding that all parties are not signatories to the same counterpart.

Costs. No provisions of this Owner Contract will require Local Government to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder.

Construction Terms. If the Lender Contract includes requirements related to construction of the Project and disbursement of Financing, such requirements are set forth in Exhibit D attached hereto and incorporated herein by reference. Such requirements may include, among other things, (1) the disbursement schedule and (2) any holdback amount to be funded following verification of final project completion.

FORM LENDER CONTRACT

THIS PROPERTY ASSESSED CLEAN ENERGY ("PACE") LENDER CONTRACT (the "Lender Contract") is made as of the _____ day of _____, _____, by and between the County of Navarro, Texas ("Local Government") and _____ ("Lender").

RECITALS

The Property Assessed Clean Energy Act ("PACE Act"), Texas Local Government Code Chapter 399, authorizes the governing body of a local government to establish a program and designate a region within the local government's jurisdiction within which an authorized representative of the local government may enter into written contracts with the record owners of commercial, industrial, agricultural, and large multifamily residential (5 or more dwelling units) real property to impose assessments on the property to finance the cost of permanent improvements fixed to the property intended to decrease water or energy consumption or demand.

Local Government has established a program under the PACE Act pursuant to a resolution dated _____, adopted by the Navarro County Commissioners Court (the "PACE Program"), and has designated _____ ("Authorized Representative") as the representative authorized to enter into the Assessment, Owner Contract and Lender Contract described herein, and has designated the entire territory within the County of Navarro, Texas jurisdiction as a region ("Region") within which the Authorized Representative and the record owners of such real property may enter into written contracts to impose assessments to repay the financing by owners of qualified improvements on the owner's property pursuant to the PACE Program.

Pursuant to Application number _____, _____ ("Property Owner") has applied to Local Government to participate in the PACE Program with respect to certain real property located at _____, _____, Texas, _____ (the "Property") by installing or modifying on the Property certain permanent improvements which are intended to decrease water or energy consumption or demand, and which are or will be fixed to the Property as "qualified improvements", as defined in Section 399.002 of the PACE Act (the "Qualified Improvements"). The installation or modification of such Qualified Improvements on the Property will be a "qualified project" as defined in Section 399.002 of the PACE Act (the "Project").

Property Owner and Local Government have entered into a written contract as required by Section 399.005 of the PACE Act, a copy of which is attached hereto as Exhibit A and made a part hereof (the "Owner Contract"), in which Property Owner has requested that Local Government impose an assessment (the "Assessment") on the Property as set forth in the Notice

941
Of Contractual Assessment Lien Pursuant To Property Assessed Clean Energy Act to be filed in the in the Official Public Records of Navarro County, Texas (the "Notice of Contractual Assessment Lien"), a copy of which is attached to the Owner Contract as Exhibit A, to repay the financing of such Qualified Improvements. The Property, Qualified Improvements and Assessment are more fully described in the Notice of Contractual Assessment Lien.

Financing for the Project (the "Financing") will be provided to Property Owner by Lender in accordance with financing documents which are described or listed on Exhibit B attached hereto and made a part hereof (the "Financing Documents"). Such Financing includes only those costs and fees for which an assessment may be imposed under the PACE Act. This Lender Contract is entered into between Local Government and Lender as required by Section 399.006(c) of the PACE Act to provide for repayment of the Financing secured by the Assessment.

As required by Section 399.010 of the PACE Act, Property Owner notified the holder(s) of any mortgage liens on the Property at least thirty (30) days prior to the date of the Owner Contract of Property Owner's intention to participate in the PACE Program. The written consent of each mortgage lien holder to the Assessment was obtained prior to the date of the Owner Contract, as shown by the copy of such consent(s) attached as Exhibit B to the Owner Contract.

AGREEMENT

The parties agree as follows:

Maintenance and Enforcement of Assessment. Lender agrees to provide the Financing for the Project in the total amount of \$_____, according to the terms set out in the Financing Documents attached hereto as Exhibit B. In consideration for the Financing provided or to be provided by Lender for the Project, and subject to the terms and conditions of this Lender Contract, Local Government agrees to maintain and continue the Assessment for the benefit of Lender until the Financing, all contractual interest, any prepayment premium, additional penalties and interest imposed by the Lender under the Financing Documents according to the Financing Documents, and any statutory penalties, interest, attorney's fees, or costs accrued in the event of default are paid in full. Local Government will not release the Assessment until which time Lender notifies Local Government that all amounts owing have been paid in full. Local Government shall not sell, assign or transfer the Assessment or the assessment lien against the Property to any third party without the prior written consent of the Lender. Local Government agrees to enforce the assessment lien against the Property for the benefit of Lender in the event of a default by Property Owner in accordance with the provisions set forth in paragraph 6. Local Government shall have no obligation to repurchase the assessment and no liability to Lender should there be a default or an event of default in the payment thereof or should there be any other loss or expense suffered by Lender or under any other circumstances.

Installments. The Assessment, including the amount financed and contractual interest, is due and payable to Lender in installments as set forth in the Notice of Contractual Assessment Lien and Financing Documents ("Installments"). The Assessment shall include: (1) an application fee paid by Property Owner to Authorized Representative at loan closing, and (2) a

recurring administration fee paid by Property Owner to the Authorized Representative. The recurring administration fee amount shall be collected by Lender and paid to the Authorized Representative within thirty (30) days of receipt by Lender, unless otherwise agreed to in writing by the Program Administrator. The amounts due to the Authorized Representative are identified in Exhibit B hereto. As required by Section 399.009(a)(8) of the PACE Act, the period during which such Installments are payable does not exceed the useful life of the Project. Notwithstanding the foregoing, in event of default by Property Owner resulting in an Installments payment delinquency, Lender 2 will, upon notice to Program Administrator, stay any amounts due to Program Administrator until such default has been cured and payments are received from Property Owner. Lender 2 agrees that any stay in payments due to Program Administrator shall not reduce the total payments due to Program Administrator under the Financing Documents. When the Assessment together with any prepayment premium, and/or default penalties and interest, if any, has been paid in full, Local Government's rights under this Lender Contract will cease and terminate. Upon notice from Lender that all amounts owing have been paid in full, Local Government will execute a release of the Assessment and this Lender Contract. Thereafter, the Authorized Representative will record the release.

Assignment of Right to Receive Installments. Lender will have the right to assign or transfer the right to receive the Installments of the Assessment, provided all of the following conditions are met:

The assignment or transfer is made to a qualified lender, which may be one of the following:

Any federally insured depository institution such as a bank, savings bank, savings and loan association and federal or state credit union;

Any insurance company authorized to conduct business in one or more states;

Any registered investment company, registered business development company, or a Small Business Administration small business investment company;

Any publicly traded entity; or

Any private entity that:

(i) Has a minimum net worth of \$5 million;

(ii) Has at least three years' experience in business or industrial lending or commercial real estate lending (including multifamily lending), or has a lending officer that has at least three years' experience in business or industrial lending or commercial real estate lending;

(iii) Can provide independent certification as to availability of funds; and

299

(iv) Has the ability to carry out, either directly or through a servicer, the bookkeeping and customer service work necessary to manage the assessment accounts

A financially stable entity with the ability to carry out, either directly or through a servicer, the bookkeeping and customer service work necessary to manage the assessment accounts.

Property Owner and Authorized Representative are notified in writing of the assignment or transfer and the address to which payment of the future Installments should be mailed at least 30 days before the next Installment is due according to the payment schedule included in the Financing Documents; and

The assignee or transferee, by operation of the Financing Documents or otherwise, written evidence of which shall be provided to Authorized Representative, assumes Lender's obligations under this Lender Contract.

Upon written notice to Property Owner and Authorized Representative of an assignment or transfer of the right to receive the Installments that meets all of these conditions, the assignor shall be released of all of the obligations of the Lender under this Lender Contract accruing after the date of the assignment and all of such obligations shall be assumed by and transferred to the assignee. Any attempt to assign or transfer the right to receive the Installments of the Assessment that does not meet all of these conditions is void.

Financing Responsibility. Lender assumes full responsibility for determining the financial ability of the Property Owner to repay the Financing and for advancing the funds as set forth in the Financing Documents and performing Lender's obligations and responsibilities thereunder.

Lien Priority and Enforcement. As provided in the Owner Contract and Section 399.014 of the PACE Act:

Delinquent Installments of the Assessment incur interest and penalties in the same manner and in the same amount as delinquent property taxes, viz., a delinquent Installment incurs a penalty of 6% of the amount of the Installment for the first calendar month it is delinquent plus 1% for each additional month or portion of a month the Installment remains unpaid prior to July 1 of the year in which it becomes delinquent. However, an Installment delinquent on July 1 incurs a total penalty of 12% of the amount of the delinquent Installment without regard to the number of months it has been delinquent. A delinquent Installment also accrues interest at the rate of 1% for each month or portion of a month the Installment remains unpaid. Statutory penalties and statutory interest payable under this paragraph will be retained by Local Government to compensate it for the cost of enforcing the Assessment. Additional interest at any default rate imposed by Lender pursuant to the Financing Documents, along with any other fees

and charges that become due pursuant to the Financing Documents may be assessed by Lender and retained by Lender.

The Assessment, together with any penalties and interest thereon,

is a first and prior lien against the Property from the date on which the Notice of Contractual Assessment Lien is filed in the Official Public Records of Navarro County, Texas, as provided by Section 399.014 of the PACE Act, until the Assessment and any penalties and interest are paid; and

such lien has the same priority status as a lien for any other ad valorem tax, pursuant to Section 399.014(a)(2) of the PACE Act.

The lien created by the Assessment runs with the land, and according to Section 399.014(b) of the PACE Act, any portion of the Assessment that has not yet become due is not eliminated by foreclosure of: (i) a property tax lien, or (ii) the lien for any past due portion of the Assessment. In the event of a sale or transfer of the Property by Property Owner, the obligation for the Assessment and the Property Owner's obligations under the Financing Documents will be transferred to the succeeding owner without recourse on Local Government or the Authorized Representative.

In the event of a default by Property Owner in payment of the Installments called for by the Financing Documents, the lien created by the Assessment will be enforced by Local Government in the same manner according to Texas Tax Code Secs. 33.41 to 34.23 that a property tax lien against real property may be enforced by a local government, to the extent the enforcement is consistent with Section 50, Article XVI, Texas Constitution.

In a suit to collect a delinquent Installment of the Assessment, Local Government will be entitled to recover costs and expenses, including attorney's fees in the amount of 15% of the total amount of the delinquent Installment, penalties, and interest due, in the same manner according to Texas Tax Code Sec. 33.48 as in a suit to collect a delinquent property tax. Lender shall be entitled to any additional sums due to it under the Financing Documents in connection with a suit to collect a delinquent Installment of the Assessment.

After written notice of the Assessment is recorded in the real property records of the county in which the Property is located as provided under Section 399.013 of the PACE Act, the lien created by the Assessment may not be contested on the basis that the improvement is not a "qualified improvement" or the project is not a "qualified project", as such terms are defined in Section 399.002 of the PACE Act.

Servicing and Enforcement of Assessment.

Servicing. The Assessment payments will be billed, collected, received, and disbursed in accordance with the procedures set out in the Financing Documents. Lender will be responsible for all servicing duties other than those specifically undertaken by Local Government in this Lender Contract. Local Government agrees to send an annual notice of assessment to the Property Owner with the annual property tax notice each year

there is a PACE lien balance. This notification can be listed on said tax notice or as a separate notification.

Remittances. Each of the parties covenants and agrees to promptly remit to the other party any payments incorrectly received by such party with respect to the Assessment after the execution of this Lender Contract.

Default and Enforcement. In the event of a default in payment of any installment of the Assessment as specified in the Financing Documents, Lender agrees to take at least the following steps to collect the delinquent Installment:

Mail a written notice of delinquency and demand for payment to the Property Owner by both certified mail, return receipt requested, and first class mail; and

Mail a second notice of delinquency to the Property Owner by both certified mail, return receipt requested, and first class mail at least 30 days after the date of the first notice if the delinquency is continuing.

If the Property Owner fails to cure the delinquency within 30 days after the mailing of the second notice of delinquency, the Lender or its designated servicer may notify the Authorized Representative who will certify to the Local Government in writing of a default by the Property Owner, and upon receipt of such certification and after doing its own due diligence, Local Government will enforce the assessment lien for the benefit of Lender pursuant to Tex. Local Gov't Code Sec. 399.014(c), in the same manner as a property tax lien against real property may be enforced, to the extent the enforcement is consistent with Section 50, Article XVI, Texas Constitution.

Final Payment and Release. When the Assessment has been satisfied and paid in full, together with all interest and prepayment premiums, if any, provided under the Financing Documents and all costs, fees, penalties, and interest applicable under the PACE Act and payable to Lender or Local Government, Local Government's rights under the Owner Contract will cease and terminate. Upon notice from Lender that all amounts owing have been paid in full, Local Government will execute a release of the Assessment and the Owner Contract. Thereafter, the Authorized Representative will record the Release.

Limitations on Local Government's Actions. Without the prior written consent of Lender, Local Government will not enter into any amendment or modification of or deviation from the Owner Contract. Local Government will not institute any legal action with respect to the Owner Contract, the Assessment, or the assessment lien without the prior written request of Lender.

Limitations of Local Government's Obligations. Local Government undertakes to perform only such duties as are specifically set forth in this Lender Contract, and no implied duties on the part of Local Government are to be read into this Lender Contract. Local Government will not be deemed to have a fiduciary or other similar relationship

with Lender. Local Government may request written instructions for action from Lender and refrain from taking action until it receives satisfactory written instructions. Local Government will have no liability to any person for following such instructions, regardless of whether they are to act or refrain from acting.

Costs. No provisions of this Lender Contract will require Local Government to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder.

Lender's Warranties and Representations. With respect to this Lender Contract, Lender hereby warrants and represents that on the date on which Lender executes this Lender Contract:

Lender is a qualified lender under the PACE Program, as defined in paragraph 3(a) above, and is fully qualified under the PACE Program to enter into this Lender Contract and the Financing Documents;

Lender has independently and without reliance upon Local Government conducted its own credit evaluation, reviewed such information as it has deemed adequate and appropriate, and made its own analysis of the Owner Contract, the Project, and Property Owner's financial ability to perform the financial obligations set out in the Financing Documents; and

Lender has not relied upon any investigation or analysis conducted by, advice or communication from, or any warranty or representation by Local Government or any agent or employee of Local Government, express or implied, concerning the financial condition of the Property Owner or the tax or economic benefits of an investment in the Assessment.

Written Contract Required by the PACE Act. This Lender Contract constitutes a written contract between Local Government and Lender, as required under Section 399.006 (c) of the PACE Act.

Construction and Definitions. This Lender Contract is to be construed in accordance with and with reference to the PACE Program and PACE Act. Terms used herein, and not otherwise defined herein, shall have the meanings ascribed to them in: (1) the Notice of Contractual Assessment Lien, (2) the Owner Contract, (3) the PACE Program, and/or (4) the PACE Act.

Binding Effect. This Lender Contract is binding upon and shall inure to the benefit of the parties hereto and their respective heirs, representatives, successors, and assigns.

Notices. All notices and other communications required or permitted hereunder shall be in writing and mailed by certified mail, return receipt requested, addressed to the other party at the address stated below the signature of such party or at such other address as such party may from time to time designate in writing to the other party, and shall be effective from the date of receipt.

Governing Law. This Lender Contract shall in all respects be governed by and construed in accordance with the laws of the State of Texas.

1003

Entire Agreement. This Lender Contract constitutes the entire agreement between the parties with respect to the subject matter hereof and shall not be amended or altered in any manner except by a document in writing executed by both parties.

Captions. Paragraph and section titles are for convenience of reference only and shall not be of any legal effect.

Counterparts. This Lender Contract may be executed in any number of counterparts, each counterpart may be delivered originally or by electronic transmission, all of which when taken together shall constitute one agreement binding on the parties, notwithstanding that all parties are not signatories to the same counterpart.

Interest. Interest and penalties in the event of default, as provided above, are explicitly authorized by Section 399.014(d) of the PACE Act. However, in no event will the total amount of interest on the Assessment, including statutory interest payable to Local Government and contractual interest payable to Lender under the Financing Documents, exceed the maximum amount or rate of nonusurious interest that may be contracted for, charged, or collected under Texas law (the "usury limit"). If the total amount of interest payable to Local Government and Lender exceeds the usury limit, interest payable to Local Government will be reduced and any interest in excess of the usury limit will be credited to the amount payable to Local Government or refunded. This provision overrides any conflicting provisions in this Lender Contract.

Certification. Local Government certifies that the PACE Program has been duly adopted and is in full force and effect on the date of this Lender Contract. Property Owner has represented to Lender and Local Government that the Project is a "qualified project" as defined in the PACE Program and Section 399.002 of the PACE Act. The Assessment has been imposed on the Property as a lien in accordance with the PACE Owner Contract and the PACE Act. Local Government has not assigned or transferred any interest in the Assessment or the PACE Owner Contract.

Construction Terms. If this Lender Contract includes requirements related to construction of the Project and disbursement of Financing, such requirements are set forth in Exhibit C attached hereto and incorporated herein by reference. Such requirements may include, among other things, (1) the disbursement schedule and (2) any holdback amount to be funded following verification of final project completion.

COUNTY OF NAVARRO §

RECITALS

The Property Assessed Clean Energy Act ("PACE Act"), Texas Local Government Code Chapter 399, authorizes the governing body of a local government to establish a program and designate a region within the local government's jurisdiction within which an authorized representative of the local government may enter into written contracts with the record owners of commercial, industrial, agricultural, and large multifamily residential (5 or more dwelling units) real property to impose assessments on the property to finance the cost of permanent improvements fixed to the property intended to decrease water or energy consumption or demand. Unless otherwise expressly provided herein, all terms used herein have the same meanings ascribed to them in the PACE Act.

Navarro County ("Local Government") has established a program under the PACE Act pursuant to a resolution dated _____, adopted by the Navarro County Commissioners Court (the "PACE Program"), and has designated _____ ("Authorized Representative") as the representative authorized to enter into and enforce the Assessment, Owner Contract and Lender Contract described herein, and has designated the entire territory within the County of Navarro jurisdiction as a region ("Region") within which the Authorized Representative and the record owners of such real property may enter into written contracts to impose assessments to repay the financing by owners of qualified improvements on the owner's property pursuant to the PACE Program.

_____ ("Property Owner") is the legal and record owner of the qualified "real property," as defined in Section 399.002 of the PACE Act, within the Region located at _____, _____, Texas, and more fully described in Exhibit A attached hereto and made a part hereof (the "Property").

Property Owner has applied to Local Government to participate in the PACE Program by installing or modifying on the Property certain permanent improvements described in Exhibit B attached hereto and made a part hereof, which are intended to decrease water or energy consumption or demand, and which are or will be fixed to the Property as "qualified improvements", as defined in Section 399.002 of the PACE Act (the "Qualified Improvements"). The installation or modification of such Qualified Improvements on the

Property will be a "qualified project" as defined in Section 399.002 of the PACE Act. Property Owner has entered into a written contract (the "Owner Contract") with Local Government pursuant to the PACE Act and the PACE Program and has requested Local Government to impose an assessment on the Property to repay the financing of such Qualified Improvements.

The financing of such Qualified Improvements will be provided to Property Owner by _____ ("Lender"), a qualified lender selected by Property Owner, pursuant to a written contract executed by Lender and Local Government as required by Section 399.006(c) of the PACE Act and by the PACE Program (the "Lender Contract"). Lender will be responsible for all servicing duties other than those specifically undertaken by Local Government in the Lender Contract.

THEREFORE, Local Government hereby gives notice to the public pursuant to Section 399.013 of the PACE Act that it has imposed an assessment on the Property in the amount of \$_____, as set forth on Exhibit C attached hereto, which together with all interest, fees, penalties, costs and other sums due under and/or authorized by the PACE Act, PACE Program and the financing documents between Property Owner and Lender (the "Financing Documents") is herein referred to as the "Assessment".

Pursuant to Section 399.014 of the PACE Act,

The Assessment, including interest and any penalties, costs, or fees accrued thereon,

- (i) is a first and prior lien on the Property from the date that this Notice of Contractual Assessment Lien is recorded in the Official Public Records of Navarro County, Texas, until such Assessment, interest, penalties, costs, and fees are paid in full; and
- (ii) such lien has the same priority status as a lien for any other ad valorem tax, pursuant to Section 399.014(a)(2) of the PACE Act.

The lien created by the Assessment runs with the land, and according to Section 399.014(b) of the PACE Act, any portion of the Assessment that has not yet become due is not eliminated by foreclosure of: (i) a property tax lien, or (ii) the lien for any past due portion of the Assessment. In the event of a sale or transfer of the Property by Property Owner, the obligation for the Assessment and the Property Owner's obligations under the Financing Documents will be transferred to the succeeding owner without recourse on Local Government or the Authorized Representative.

After this Notice of Contractual Assessment Lien is recorded in the real property records of the county in which the Property is located as provided under Section 399.013 of the PACE Act, the lien created by the Assessment may not be contested on the basis that the improvement is not a "qualified improvement" or the project is not a "qualified project", as such terms are defined in Section 399.002 of the PACE Act.

NAVARRO COUNTY COMMISSIONERS COURT
RESOLUTION ESTABLISHING THE NAVARRO COUNTY PACE PROGRAM

STATE OF TEXAS §
 §
NAVARRO COUNTY §

WHEREAS, the 83rd Regular Session of the Texas Legislature enacted the Property Assessed Clean Energy Act, Texas Local Government Code Chapter 399 (the "PACE Act"), which allows the governing body of a local government, including a County, to designate an area of the territory of the local government as a region within which an authorized local government official and the record owners of commercial, industrial, and large multifamily residential (5 or more dwelling units) real property may enter into written contracts to impose assessments on the property to repay the financing by the owners of permanent improvements fixed to the property intended to decrease energy or water consumption or demand;

WHEREAS, the installation or modification by property owners of qualified energy or water saving improvements to commercial, industrial, agricultural, and large multifamily residential real property in Navarro County will further the goals of energy and water conservation without cost to the public;

WHEREAS, the Commissioners Court finds that third-party financing of energy and water conserving projects through contractual assessments maintained by Navarro County ("PACE financing") furthers essential government purposes, including but not limited to, economic development, reducing energy consumption and costs, conserving water resources, and reducing greenhouse gas emissions;

WHEREAS, the Commissioners Court adopted a Resolution of Intent to establish a PACE program for Navarro County on July 24, 2017, including a reference to the report on the proposed program prepared as required by Section 399.009 of the PACE Act and made the report available to the public on the County website and for inspection in the County office;

WHEREAS, The Commissioners Court finds that the administration of the PACE program by a qualified non-profit organization as an independent third-party Authorized Representative contracted by Navarro County and compensated by application and administration fees paid by the participating property owners, will enable the program to be administered without use of County resources, will assure the objectives of impartiality and confidentiality of owner information, and will be convenient and advantageous to Navarro County; and

WHEREAS, the Commissioners Court also finds that because no County funds will be expended for PACE financing of the Authorized Representative's services, the selection of such an independent third-party Authorized Representative is not subject to the Professional Services Procurement Act or other County purchasing requirements; and

WHEREAS, the Commissioners Court held a public hearing on August 14, 2017 at 10:00 A.M. in the County Commissioners Courtroom, 601 North 13th Street Corsicana, Texas, at which the public hearing could comment on the proposed program, including the report available for public inspection as mentioned above and as required by Section 399.008(a)(2):

NOW THEREFORE, be it resolved by the Commissioners Court of Navarro County that:

- 1. Recitals. The recitals to this Resolution are true and correct and are incorporated into this resolution for all purposes.

2. Establishment of Program. Navarro County hereby adopts this Resolution Establishing the Navarro County Property Assessed Clean Energy Program ("Navarro County PACE"), herein called "the Program," and finds that financing qualified projects through contractual assessments pursuant to the PACE Act is a valid public purpose and is convenient and advantageous to County and its citizens.
3. Contractual Assessments. Navarro County will, at the property owner's request, impose contractual assessments on the property to repay PACE financing for qualified energy and water conserving projects available to owners of privately owned commercial, industrial, and large multifamily property.
4. Qualified Projects. The following types of projects are qualified projects for PACE financing that may be subject to such contractual assessments:

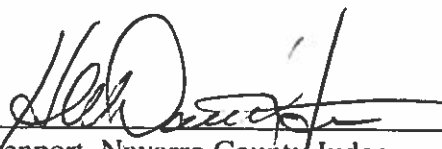

Projects that (a) involve the installation or modification of a permanent improvement fixed to privately owned commercial, industrial, or agricultural real property or residential real property with five (5) or more dwelling units, and (b) are intended to decrease energy or water consumption or demand, including a product, device, or interacting group of products or devices on the customer's side of the meter that uses energy technology to generate electricity, provide thermal energy, or regulate temperature.

An assessment may not be imposed to repay the financing of facilities for undeveloped lots or lots undergoing development at the time of the assessment or the purchase or installation of products or devices not permanently fixed to real property.

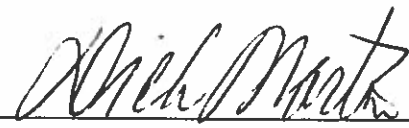

5. Region. The boundaries of the entire geographic area within Navarro County's jurisdiction are included in the boundaries of the region where PACE financing and assessments can occur.
6. Third- Party Financing. Financing for qualified projects under the Program will be provided by qualified third-party lenders chosen by the owners. Such lenders will execute written contracts with the Authorized Representative to service the debt through assessments, as required by the PACE Act. The contracts will provide for the lenders to determine the financial ability of owners to fulfill the financial obligations to be repaid through assessments, advance the funds to owners on such terms as are agreed between the lenders and the owners for the installation or modification of qualified projects, and service the debt secured by the assessments, directly or through a servicer, by collecting payments from the owners pursuant to financing documents executed between the lenders and the owners. Navarro County will maintain and continue the assessments for the benefit of such lenders and will enforce the assessment lien for the benefit of a lender in the event of a default by an owner. Navarro County will not, at this time, provide financing of any sort for the Navarro County PACE program.
7. Authorized Representative. The Commissioners Court will designate a non-profit organization to act as the Authorized Representative with authority to enter into written contracts with the record owners of real property in Navarro County to impose assessments pursuant to the PACE Act to repay the financing of qualified projects on the owners' property and enter into written contracts with the parties that provide third-party financing for such projects to service the debts through assessments. The County Judge or his designee will be the liaison with the Authorized Representative.

8. Enforcement. The County will enforce the collection of past due assessments and may contract with a qualified law firm to assist in collection efforts.
9. Report. The final report on the - PACE program, prepared in accordance with Section 399 of the Texas Local Government Code is attached and incorporated into this resolution. The County Administrator will post the resolution and report on the County website.
10. Amendment of Program. The Commissioners Court may amend the County PACE Program by resolution. However, another public hearing is required before the Program may be amended to provide for Navarro County financing of qualified improvements through assessments.

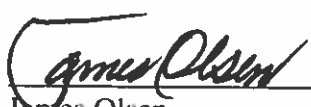

Adopted this 14th day of August 2017.

**PROFESSIONAL SERVICES AGREEMENT
BY AND BETWEEN NAVARRO COUNTY AND
TEXAS PROPERTY ASSESSED CLEAN ENERGY AUTHORITY**

THIS AGREEMENT is made and entered by and between **Navarro County**, hereinafter referred to as "**County**", and **TEXAS PROPERTY ASSESSED CLEAN ENERGY (PACE) AUTHORITY (dba Texas PACE Authority)**, a Texas non-profit business association, hereinafter referred to as "**Services Provider**" to be effective from and after the date as provided herein.

WITNESSETH:

WHEREAS, County desires to engage the services of a qualified consultant to administer a Texas Property Assessed Clean Energy program for the **County** of Navarro pursuant to the Property Assessed Clean Energy Act ("**PACE Act**"), Texas Local Government Code Chapter 399, and serve as Authorized Representative pursuant to Tex. Local Gov't Code §399.006(b), hereinafter referred to as the "**Project**"; and

WHEREAS, Services Provider desires to render such services for Navarro County upon the terms and conditions provided herein –

NOW, THEREFORE, for and in consideration of the covenants contained herein, and for the mutual benefits to be obtained hereby, the parties hereto agree as follows:

I. ENGAGEMENT

Navarro County hereby agrees to retain Services Provider to serve as administrator of Navarro County's PACE program and Services Provider agrees to perform such services in accordance with the terms and conditions of this Agreement.

II. SCOPE OF SERVICES

The parties agree that Services Provider shall perform such services as are further described in **Exhibit "A"** hereto (collectively "**Scope of Services**"). The parties understand and agree that deviations or modifications in the Scope of Services may be authorized from time to time by Navarro County, but said authorization must be made in writing.

III. TERM OF AGREEMENT

The initial term of this Agreement shall commence upon the complete execution of the Agreement by Navarro County and Services Provider. Notwithstanding the termination of this Agreement, Services Provider shall be permitted to continue administration of any third party agreements under the PACE program commenced prior to termination of this Agreement, and to recover any compensation due Services Provider for services performed in accordance with Section IV of this Agreement.

IV. COMPENSATION/EXPENSES

Services Provider shall be paid for performance of the Scope of Services in accordance with the compensation schedule set forth in Exhibit "A" hereto. Services Provider is entitled to payment in accordance with Exhibit "B"; however, Navarro County shall have no obligation to pay Services Provider for performance of the Scope of Services. All payments to Services Provider shall be made by participants in the PACE program in accordance with the PACE Act.

V. INSURANCE

Services Provider agrees to meet all insurance requirements, and to require all consultants who perform work for Services Provider to meet all insurance requirements, as set forth in Exhibit "C" to this Agreement.

VI. INDEMNIFICATION

SERVICES PROVIDER AGREES TO INDEMNIFY AND HOLD NAVARRO COUNTY AND ITS RESPECTIVE OFFICERS, AGENTS AND EMPLOYEES, HARMLESS AGAINST ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, FINES, PENALTIES, COSTS AND EXPENSES FOR PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE OR OTHER HARM OR VIOLATIONS FOR WHICH RECOVERY OF DAMAGES, FINES, OR PENALTIES IS SOUGHT FROM NAVARRO COUNTY TO THE EXTENT ARISING OUT OF OR OCCASIONED BY SERVICES PROVIDER 'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS AGREEMENT, VIOLATIONS OF LAW BY SERVICES PROVIDER, OR BY ANY NEGLIGENT, GROSSLY NEGLIGENT, INTENTIONAL, OR STRICTLY LIABLE ACT OR OMISSION OF THE SERVICES PROVIDER, ITS OFFICERS, AGENTS, EMPLOYEES, INVITEES, SUBCONTRACTORS, OR SUB-SUBCONTRACTORS AND THEIR RESPECTIVE OFFICERS, AGENTS, OR REPRESENTATIVES, OR ANY OTHER PERSONS OR ENTITIES FOR WHICH THE SERVICES PROVIDER IS LEGALLY RESPONSIBLE IN THE PERFORMANCE OF THIS AGREEMENT. THE INDEMNITY PROVIDED FOR IN THIS PARAGRAPH SHALL NOT APPLY TO ANY LIABILITY TO THE EXTENT RESULTING FROM THE NEGLIGENCE OF NAVARRO COUNTY, AND ITS OFFICERS, AGENTS, EMPLOYEES OR SEPARATE CONTRACTORS. NAVARRO COUNTY DOES NOT WAIVE ANY GOVERNMENTAL IMMUNITY OR OTHER DEFENSES AVAILABLE TO IT UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS PARAGRAPH ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

VII. INDEPENDENT CONTRACTOR

Services Provider covenants and agrees that it is an independent contractor and not an officer, agent, servant or employee of Navarro County; that it shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons performing same, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, subcontractors and consultants; that the doctrine of respondeat superior shall not apply as between Navarro County and Services Provider, its officers, agents, employees, contractors, subcontractors and consultants, and nothing herein shall be construed as creating a partnership or joint enterprise between Navarro County and Services Provider .

VIII. ASSIGNMENT AND SUBLETTING

Services Provider agrees that this Agreement shall not be assigned without the prior written consent of Navarro County, except to an Affiliate of Services Provider. Affiliate shall mean (1) any corporation or other entity controlling, controlled by, or under common control with (directly or indirectly) Services Provider, including, without limitation, any parent corporation controlling Services Provider or any subsidiary that Services Provider controls; (2) the surviving corporation resulting from the merger or consolidation of Services Provider; or (3) any person or entity which acquires all of the assets of Services Provider as a going concern. Services Provider shall be permitted to enter into subcontracts for performance of portions of the Scope of Services; however, Services Provider shall not subcontract the entirety of the Scope of Services to a single subcontractor without Navarro County consent. Services Provider further agrees that the assignment or subletting of any portion or feature of the work or materials required in the performance of this Agreement shall not relieve the Services Provider from its full obligations to Navarro County as provided by this Agreement.

IX. AUDITS AND RECORDS

Services Provider agrees that Navarro County or its duly authorized representatives shall, until the expiration of three (3) years after termination under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of Services Provider which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. Services Provider agrees that Navarro County shall have access during normal working hours to all necessary Services Provider's facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. Navarro County shall give Services Provider reasonable advance notice of intended audits.

XI. CONTRACT TERMINATION

The parties agree that Navarro County shall have the right to terminate this Agreement with cause upon thirty (30) days written notice to Services Provider. In the event of such termination, Services Provider shall deliver to Navarro County all finished or unfinished documents, data, studies, surveys, drawings, maps, models, reports, photographs or other items prepared by Services Provider in connection with this Agreement. In the event of termination by Navarro County, Services Provider shall be compensated in accordance with Section III of this Agreement with respect to any third party agreements under administration by Services Provider at the time of termination.

XII. COMPLETE AGREEMENT

This Agreement, including the Exhibits lettered "A" through "C", constitute the entire agreement by and between the parties regarding the subject matter hereof and supersedes all prior or contemporaneous written or oral understandings. This Agreement may only be amended, supplemented, modified or canceled by a duly executed written instrument.

XIII. AMENDMENTS (Added)

Amendments to this agreement may be made at any time upon agreement by Navarro County and Services Provider.

XIV. MAILING OF NOTICES

Unless instructed otherwise in writing, Services Provider agrees that all notices or communications to Navarro County permitted or required under this Agreement shall be addressed to Navarro at the following address:

County of Navarro, Texas
Attn: _____

Navarro County agrees that all notices or communications to Services Provider permitted or required under this Agreement shall be addressed to Services Provider at the following address:

Texas Property Assessed Clean Energy Authority
Attn: Charlene Heydinger
98 San Jacinto Blvd., Suite 1900
Austin TX 78701

All notices or communications required to be given in writing by one party or the other shall be considered as having been given to the addressee on the date such notice or communication is posted by the sending party.

XV. AUTHORITY TO SIGN

The undersigned officers and/or agents of the parties hereto are the properly authorized officials and have the necessary authority to execute this Agreement on behalf of the parties hereto.

XVI. MISCELLANEOUS

A. This is a contract for the purchase of personal or professional services, and is therefore exempt from any competitive bidding requirements of Navarro County.

B. Paragraph Headings:

The paragraph headings contained herein are for convenience only and are not intended to define or limit the scope of any provision in this Agreement.

C. Agreement Interpretation:

This is a negotiated Agreement, should any part be in dispute, the parties agree that the terms of the Agreement shall not be construed more favorably for either party.

D. Venue/Governing Law:

The parties agree that the laws of the State of Texas shall govern this Agreement, and that it is performable in Navarro County Texas. Exclusive venue shall lie in Navarro County, Texas.

E. Successors and Assigns:

Navarro County and Services Provider and their partners, successors, subcontractors, executors, legal representatives, and administrators are hereby bound to the terms and conditions of this Agreement.

F. Severability:

In the event a term, condition, or provision of this Agreement is determined to be void, unenforceable, or unlawful by a court of competent jurisdiction, then that term, condition, or provision, shall be deleted and the remainder of the Agreement shall remain in full force and effect.

G. Effective Date:

This Agreement shall be effective from and after the date of execution by the last signatory hereto as evidenced below.

SIGNED on the date indicated below.

Exhibit "A"
Scope of Services

The Program Administrator will perform the following services in the administration of the Navarro County Pace Program (the "Program"):

Community Outreach

Maintain a website and database;

Respond to inquiries from property owners, vendors, contractors, consultants, and the general public;

Publish the Technical Standards Manual on the Program website;

List interested, qualified lenders on the Program website or link to another neutral non-profit directory of lenders to enable property owners to identify potential sources of private third-party financing;

Arrange for training of contractors and independent third-party reviewers on how to apply for PACE financing and comply with the PACE-in-a-Box Technical Standards Manual; and

Establish quality assurance measures.

Application and Approval Process

Publish a Project Application Form based on PACE-in-a-Box model application form on the Program website;

Review submitted Application forms for administrative completeness and notify the applicants of any missing information;

Maintain the confidentiality of confidential owner information;

Maintain the PACE application process, including:

- Draft and distribute the PACE application, as well as accept and review the property owner's completed application;
- If the project meets eligibility requirements, provide written indication that the project meets PACE standards at this stage (subject to verification of all requirements at closing).
- Inform the property owner of his or her responsibilities in the process, including hiring a third-party reviewer, obtaining a lender, determining final project scope and completing and submitting a closing verification package.
- Conduct a Pre-Closing Verification, which will confirm the statutorily required eligibility requirements of the owner including that the property owner:
 - Is the legal property owner of the benefited property;
 - Is current on mortgage and tax payments;
 - Is not insolvent or the subject of bankruptcy proceedings;
 - Holds a title to the property to be subject to a PACE assessment that is not in dispute; and
 - Has consent of any pre-existing mortgagee to the proposed PACE assessment through a written contract.

Require independent third-party verification of expected energy or water savings resulting from a project (provided by engineer or consultant retained by applicant), according to the PACE-in-a-Box Technical Standards Manual; This review will include a:

- Site visit,
- Report stating the savings (energy, demand, and/or water) and expected project life are reasonable and in compliance with PACE in a Box program guidelines; and
- Letter from the ITPR certifying that he/she has no financial interest in the project and is an independent reviewer.

Require independent third-party verification, according to the PACE-in-a-Box Technical Services Manual, that the period of an assessment does not exceed the expected life of the improvements or thoroughly review waiver application and justification (provided by engineer or consultant retained by applicant);

Require lender to confirm in writing its determination, based on underwriting factors established by the lender, that the owner has demonstrated the financial ability to repay the financial obligations to be repaid through assessment.

Require the owner to notify the holder of any mortgage lien on the property of the owner's intention to participate in the Program and obtain the lienholder's written consent prior to the imposition of the PACE assessment;

Review and finalize the terms of every Owner Contract and Lender Contract prior to execution; The Contract must contain:

- Amount of the assessment;
- The legal description of the property;
- The name of the property owner; and
- A reference to the statutory assessment lien provided under the PACE Act.

Collect and retain owner application fees as compensation for administrative services;

Perform closing verification reviews and schedule assessment transaction closings when all requirements are met; Such closing verification must include:

- The report conducted by a qualified independent third-party reviewer of water or energy baseline conditions and the projected water or energy savings attributable to the project;
- Such financial information about the owner and the property as the lender chosen by the owner deems necessary to determine that the owner has demonstrated the financial ability to fulfill the financial obligations to be paid through assessments; and

All other information required by the Program Administrator.

Coordinate and take part in assessment transaction closings.

Execute contracts under the Program as authorized on behalf of Navarro County.

Arrange for recordation of a Notice of Contractual Assessment Lien for each approved project in the Official Public Records of the county where the project is located; The Notice must contain:

- Amount of the assessment;
- The legal description of the property;
- The name of the property owner; and
- A reference to the statutory assessment lien provided under the PACE Act.

Require independent post-closing third-party verification (by engineer or consultant retained by Applicant) that each project was properly completed and is operating as intended; and

Collect and retain administration fees collected by lenders from owners that receive PACE financing

Management and Reporting

Manage communications with lenders regarding assessment servicing, payment, and default;

Upon notification by a lender of an owner's default in payment of an assessment and the lender's compliance with the requirements of the Lender Contract on collection after default, notify the Local Government to enforce the assessment lien in accordance with law and the agreements between the parties;

Receive and store owner reports on energy and water savings;

Maintain the form contracts and make technical and conforming updates as necessary so long as the changes are consistent with the resolution to establish the PACE program and the statute.

At the request of property owners, prepare annual notices of assessment to be issued by Navarro County to the owners, stating the total amount of the payments due on each assessment in the coming calendar year according to the owner contract and the financing documents;

Determine the amounts of the application and administration fees to be paid by owners;

Produce annual report on Texas PACE financing usage and the resulting energy and water savings enabled through PACE Assessments.

Exhibit "B"
Compensation and Fees

The Texas PACE Authority shall determine the amounts of the uniform application and administration fees to be paid by property Owners participating in the Program. Such fees will not exceed the fees below:

- An application fee of \$2,500.00 or 1% of the total amount of the assessment, whichever is greater, to be paid as follows:
 - \$500.00 per project at the time of application submittal;
 - the balance of the full remaining application fee at closing; and
- A recurring administration fee of 0.10% of the outstanding principal balance, which amount shall be collected by lender and paid to the Services Provider as provided in the owner contract and the financing documents. This fee can also be capitalized and paid at closing. If paid under a negotiated regular schedule to the lender by the property owner, the lender shall pay this fee to the Texas PACE Authority at the time of each payment by the property owner in accordance with the financing documents.
- No amounts shall be due by Navarro County to the Texas PACE Authority.

Exhibit "C"
Insurance Requirements

COVERAGE	LIMIT OF LIABILITY
Employer's Liability	\$500,000 per occurrence
General Liability	Bodily Injury and Property Damage, Combined Limits of \$500,000 each Occurrence, and \$1,000,000 aggregate

To Whom It May Concern:

LionHeart Alliance, LLC. ("LionHeart Alliance") is an innovative small business that pushes the boundaries, Forging Custom Solutions, with cutting edge tactical equipment and services *For Those In The Fight*. LionHeart Alliance designs and develops specialized products and kitted solutions under the Dynamic Assault Systems brand name and is the sole source for this brand of equipment.

Dynamic Assault Systems products and kitted solutions are designed and customized by LionHeart Alliance with input from Special Operations and Law Enforcement professionals with a primary focus on expanding operational capabilities. Dynamic Assault Systems products and kitted solutions offer turn key solutions to fill mission specific end user requirements that span tactical, medical, communication, and weapons centric categories. The Dynamic Assault Systems brand is on the leading edge of the Defense Industry, utilizing the latest advancements in technology and equipment to develop these mission specific solutions.

LionHeart Alliance owns the Dynamic Assault Systems brand and logo and is the sole source for this brand of equipment.

AFFIDAVIT SUBMITTED BY
Ryan Douglas
NAVARRO COUNTY TREASURER

STATE OF TEXAS

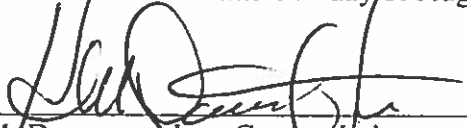

COUNTY OF NAVARRO

Before me, the undersigned authority, on this day personally appeared the following named persons, and after being duly sworn, deposes and says: Honorable H. M. Davenport, Jr., County Judge, Honorable Jason Grant, Commissioner Pct. 1, Honorable Richard Martin, Commissioner Pct. 2, Honorable Eddie Moore, Commissioner Pct. 3, and Honorable James Olsen, Commissioner Pct. 4.

I, Ryan Douglas, the Navarro County Treasurer, on this 14th day of August, 2017 present to the Navarro County Commissioners Court the Monthly Financial Report for the month ending on June 30, 2017 for the court to review and approve. This report is in compliance with section 114.026 of the Local Government Code, so therefore we hereby execute this affidavit for publication.

With this signed affidavit, We the Commissioners Court, state that the requirements of Subsection (C) have been met with the examination of this report.

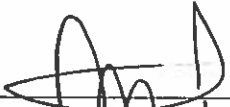

Signed and executed this 14th day of August, 2017.

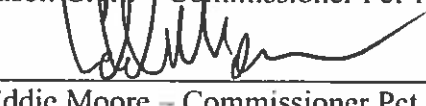

H. M. Davenport Jr. - County Judge

Richard Martin - Commissioner Pct 2

James Olsen - Commissioner Pct 4

Jason Grant - Commissioner Pct 1

Eddie Moore - Commissioner Pct 3

SWORN AND SUBSCRIBED TO BEFORE ME, this 14th day of August, 2017 by H. M. Davenport, Jr., Jason Grant, Richard Martin, Eddie Moore, and James Olsen, in their official capacities as the members of the Navarro County Commissioners Court.

Sherry Dowd - Navarro County Clerk

COUNTY GIS AND ADDRESSING DISBURSEMENT

County GIS & Addressing Disbursement Model	Description: Establishes a methodology by which District pays Counties for maintenance and submission of GIS/addressing databases on a performance metric and provides for an in-house transition option.
Date of Approval:	Revision History:
Effective Date: The initial date is September 1, 2017 and renews annually thereafter on September 1 of each subsequent year.	Scheduled for Review:
Topic: GIS	Administering Department: NCTCOG 9-1-1

OVERVIEW: NCTCOG 9-1-1 created a methodology by which disbursements may be made to participating Counties for their assistance in providing address updates and GIS database maintenance. The methodology of disbursement will include inputs that reflect the relative address activity in the Counties (i.e. growth) and accuracy in their submitted data.

NCTCOG 9-1-1 staff will prepare quarterly reports that demonstrate the Counties' activity and performance throughout the year. The disbursement rates will be set annually for the upcoming budget year, in sufficient time for the Counties to include in their next budget cycle. Any major changes in the disbursement method will be communicated to the Counties and to the Regional Advisory Committee for input and feedback.

NCTCOG 9-1-1 further establishes a transition option to take GIS database maintenance in-house in such instances where the County requests the transition, or in situations where performance standards are not met. The disbursement rate would be adjusted accordingly.

NCTCOG 9-1-1 is not bound by law nor contract to make these disbursements, but chooses to assist counties with its funding, in an effort to provide adequate support for a highly accurate and efficient database system.

DEFINITIONS AND AUTHORIZATIONS:

Interlocal Agreements (ILAs) between NCTCOG 9-1-1 and the Counties provide for minimum expectations of the County and outline roles and responsibilities of each agency, including GIS and performance expectations. In addition, through the State Commission on Emergency Communications (CSEC), the state requires database performance standards of NCTCOG 9-1-1.

Within the remaining document, the following definitions apply:

- **Growth Rates** means the number of new addresses added to the database in a given period.
- **Index** is a relative measure assigned by GIS Project Coordinator that groups Counties into categories based on the activity in their area.
- **Error Improvement** is the percent change in performance (as defined by number of errors) to the prior period.

ACTIONS REQUIRED:

1. GIS Model Preparations

Area of Responsibility - Each county within the NCTCOG 9-1-1 region is ultimately responsible for the 9-1-1 addressing and GIS maintenance within its borders. Exceptions include cities that maintain their own addressing and GIS data, non-participating 9-1-1 entities within the county, or border encroachments from neighboring counties. The NCTCOG 9-1-1 Program maintains a digital representation of the county geographic jurisdiction and this representation is referred to as the *Area of Responsibility*.

Growth Rates – Growth rates are measured utilizing GIS software to extract new address data within the *Area of Responsibility*. The extractions are tracked monthly.

Performance – GIS errors are distributed to the NCTCOG 9-1-1 Program from CSEC as a function of the Enterprise Geospatial Data Management System (EGDMS) process. The process identifies these errors from within the *Area of Responsibility*. Performance is then measured by reviewing the level of error corrections. The results are tracked monthly.

2. Data Cycle Periods

The *Data Cycle Period* begins April 1st and ends the following year on March 31st. *Growth Rates* and *Performance* statistics extracted and tracked during the *Data Cycle Period* are utilized in the GIS Disbursement Model corresponding to the next *annual effective date*.

3. Notification Dates

Annual Reports - Each year or before the 31st of May the NCTCOG 9-1-1 Program will notify the counties of the *Total Annual Disbursements* applicable for the next fiscal year beginning September 1st. Notification will include the *GIS Disbursement Model and Data Cycle Period* statistics.

Quarterly Reports - Quarterly performance reports are issued during each current *Data Cycle Period*:

- July - September period to be reported on or before October 31st
- October - December period to be reported on or before January 31st
- January - March period to be reported on or before April 30th
- April - June to be reported on or before July 31st

4. Model Stages and Descriptions

Total Budget – Annual financial budgeting distribution to NCTCOG 9-1-1 Program from CSEC.

Step 1:

Addressing Allowance - An annual *Addressing Allowance* is assigned for distribution to each County, as the addressing authority with addressing maintenance responsibilities. Addressing data is to be delivered to the NCTCOG 9-1-1 Program via agreed upon methods and technology.

Step 2:

Distribution Potential – Counties are grouped and indexed based upon *Growth Rates* (Fig.1). The remaining budget (*Total Budget less Address Allowance*) is then distributed in accordance with this indexing.

<u>Growth Rates</u>	<u>Index</u>
0	1
59	1
154	1
217	2
254	2
355	2
397	2
587	2
697	2
1262	3
2942	3
3364	4
3750	4

Figure 1.

* *Index will vary based on a relative scale of the new addresses added during each annual Data Cycle Period.*

Step 3:

Performance Distribution - The actual percentage of the *Distribution Potential* allocation is based upon GIS *Performance* and error improvement rates. A payment ratio tier system (Fig.2) is established to determine the performance distribution.

	<u>Tier</u>	<u>% Error Improvement</u>	<u>% Distribution Potential</u>
I		90-100	100
II		80-89	90
III		70-79	80
IV		60-69	70
V		<60	0

Figure 2.

* *Ratio will vary based on a relative scale of error improvement rates during annual Data Cycle Period.*

Total Annual Disbursement - The *Total Annual Disbursement* is obtained by adding the *Address Allowance* and *Performance Distribution*.

5. Requirements of County Maintained 9-1-1 GIS Data

Requirements - GIS plays a critical role in 9-1-1, therefore, the NCTCOG 9-1-1 Program requires the highest GIS standards. To maintain the 9-1-1 GIS data and continue receiving the *Performance Distribution* portion of the *Total Annual Disbursement*, the county must:

- Consistently maintain GIS *Performance* rates at a minimum of 90% (Tier I), based upon *Quarterly performance reports*
 - GIS *Performance Rates* below 90 to 100% (Tier I) may result in decreased *Performance Distribution* within the current *Data Cycle Period*
- Consistently maintain a 98% ALI / MSAG match rate as reported quarterly
- Abide by all Inter-local Agreement (ILA) requirements
- GIS contractual agreements between counties and vendors must reflect the "GIS Requirements" portion of the ILA.

6. Transition of County 9-1-1 GIS Data Maintenance In-house

In-House Transition - The responsibility of the 9-1-1 GIS data maintenance may be transitioned from a county entity to NCTCOG 9-1-1. *In-House Transition* may be *voluntary* or *involuntary*. Once an *In-House Transition* occurs NCTCOG 9-1-1 will permanently assume the responsibility of that data.

Voluntary Transition - Counties have the option to voluntarily relinquish the responsibility of the 9-1-1 GIS data maintenance to NCTCOG 9-1-1. Under *Voluntarily Transition* the county agrees to the following:

- Allow time for the NCTCOG 9-1-1 Program to determine resources required and if necessary obtain additional resources
- Counties, as the addressing authority, will continue to maintain addressing responsibilities and deliver addressing data to NCTCOG 9-1-1 via replication
- County will continue to effectively and openly communicate with NCTCOG 9-1-1 all data pertaining to or associated with 9-1-1 Response
 - Including but not limited to new roads, road work, addresses, subdivisions, buildings, construction
- County will continue to receive the *Addressing Allowance* portion of the *Total Annual Disbursement*
- Counties will forfeit the *Performance Distribution* portion of the *Total Annual Disbursement*
- NCTCOG 9-1-1 will maintain the GIS data, error corrections, Automatic Location Information (ALI) and Master Street Address Guide (MSAG) updates In-House
- Once a *Voluntary Transition* occurs NCTCOG 9-1-1 will permanently assume the responsibility of that data.

Involuntary Transition – NCTCOG 9-1-1, under extenuating circumstances, may transition the responsibility of the 9-1-1 GIS data maintenance to *In-House Transition*. Counties unable to fulfill the obligations of the *Requirement* section in this document and consistently exhibit GIS *Performance* rates of less than 60% (Tier 5) are subject to *Non-Voluntary Transition*. Under *Non-Voluntarily Transition* the county agrees to the following:

- Counties, as the addressing authority, will continue to maintain addressing responsibilities and deliver addressing data to NCTCOG 9-1-1 via replication
- County will continue to effectively and openly communicate with NCTCOG 9-1-1 all data pertaining to or associated with 9-1-1 Response

- Including but not limited to new roads, road work, addresses, subdivisions, buildings, construction
- County will continue to receive the *Addressing Allowance* portion of the *Total Annual Disbursement*
- Counties will forfeit the *Performance Distribution* portion of the *Total Annual Disbursement*
- NCTCOG 9-1-1 will maintain the GIS data, error corrections and ALI / MSAG updates In-House
- Once a *Non-Voluntary Transition* occurs NCTCOG 9-1-1 will permanently assume the responsibility of that data.

INQUIRIES:

Please contact
9-1-1 GIS Project Coordinator
David Dean, DDean@NCTCOG.org
(817) 704-5688

North Central Texas Council of Governments
Requirements for Database & GIS Maintenance
September 1, 2015 to August 31, 2017

The "9-1-1 Addressing Coordinator" shall manage and facilitate all 9-1-1 GIS activities within the county, including all municipalities within the counties jurisdictional boundary, to develop and enhance the 9-1-1 GIS coverage required for mapped ALI, and Next Generation 9-1-1 (NG9-1-1) applications that are used to assist in locating 9-1-1 callers and route 9-1-1 callers to the correct Public Safety Answering Point (PSAP).

Spatial Data Layers

The 9-1-1 Addressing Coordinator must develop, compile and maintain current, seamless countywide coverage for the following layers:

- I. Address Structure Points
- II. Road Centerlines
- III. City Boundaries
- IV. County Boundaries
- V. Emergency Service Zones (ESZs)
- VI. Emergency Service Boundaries (ESBs) such as Fire, Law, EMS, and PSAP where applicable¹
- VII. MSAG Community Boundaries
- VIII. Exchange Boundaries
- IX. Fire Hydrants
- X. Mile Markers
- XI. PSAP Point locations
- XII. Zip Code Boundaries (where possible)

The 9-1-1 Addressing Coordinator shall provide data to the NCTCOG 9-1-1 GIS Department with 100% complete attribution for all data features containing the following information:

- Road centerlines spatially accurate to within + or – 10 feet verified by GPS if possible, or digitized over spatially accurate Satellite or Aerial Imagery and drawn in the correct direction for the corresponding address range;
 - The following fields at a minimum need to be attributed:
 - Data Source
 - User ID
 - Date Modified
 - Range information (Left From, Left To, Right From, Right To, High and Low)
 - Pre-directional
 - Street Name

¹ NCTCOG will discuss editing procedures for Emergency Service Boundaries (ESBs) with the counties. In certain cases, editing of these layers will be disabled on county datasets.

1248

- Road Type
 - Post Directional (Suffix)
 - Road Full Name
 - Road Class
 - ESN Left and Right
 - County Left and Right
 - State Left and Right
 - MSAG Community Left and Right
 - Zip Code Left and Right
 - Exchange Boundary Left and Right
 - Maintenance Authority²
- Addressed Structure Points spatially accurate to within + or – 25 feet;
 - The following fields at a minimum need to be attributed:
 - Data Source
 - User ID
 - Date Modified
 - Structure Number
 - Address Prefix (if applicable)
 - Structure Road Name
 - Structure Name
 - Structure Type
 - Structure Suffix
 - Road Full Name
 - Structure Full Name
 - Structure Class (if applicable)
 - Structure Type (if applicable)
 - ESN Number
 - MSAG Community Name
 - Community Name
 - Postal Community Left and Right
 - Zip Code Left and Right
 - Exchange Boundary Left and Right
 - Maintenance Authority
- City Boundary polygons spatially accurate to within + or – 50 feet of their true location
 - The following fields at minimum need to be attributed:
 - Data Source
 - User ID
 - Date Modified
 - City Name
 - County Name
- County Boundary polygons spatially accurate to within + or – 50 feet of their true location³
 - The following fields at minimum need to be attributed:
 - Data Source

² Source responsible for maintaining the data

³ NCTCOG understands that this may not always be possible based on political decisions and surveyor error

- User ID
 - Date Modified
 - County Name
- Emergency Service Boundary (ESB) polygons
 - Based on the Next Generation 9-1-1 Requirements and Industry Standards⁴, accuracy is paramount when editing the spatial properties of the ESB boundaries and attributing the fields.
 - NCTCOG will need to work with each county on a case-by-case basis to resolve any spatial and attribute changes to the ESB boundaries and tables.
 - Emergency Service Zone (ESZ) polygons spatially accurate to within + or – 50 feet of their true location
 - The following fields at a minimum will be attributed:
 - Data Source
 - User ID
 - Date Modified
 - Emergency Service Number (ESN)
 - ESN City Name
 - ESN County Name
 - Law Responders
 - Fire Responders
 - Medical Responders
 - PSAP Name
 - 9-1-1 MSAG Community polygons spatially accurate to within + or – 50 feet of their true location.
 - The following fields at a minimum will be attributed:
 - Data Source
 - User ID
 - Date Modified
 - 9-1-1 Community Name
 - County Name
 - Exchange Boundary polygons spatially accurate to within + or – 50 feet of their true location.
 - The following fields at a minimum will be attributed:
 - Data Source
 - User ID
 - Date Modified
 - Exchange Telco Name
 - Exchange Name
 - Exchange Tandem Name

⁴ NENA 08-003v1 and NENA 71-501v1

Map Update Process

The 9-1-1 Addressing Coordinator shall ensure that the 9-1-1 Child Replica Database is synchronized with the NCTCOG Parent Database on a daily basis⁵ using Web / Geodata Services hosted by NCTCOG. The 9-1-1 Addressing Coordinator shall be responsible for updating all GIS data in the county including municipalities within their jurisdiction as frequently as possible.

Quality Control

The 9-1-1 Addressing Coordinator shall perform Quality Control on their data prior to synchronizing the 9-1-1 Child Replica Database with the NCTCOG Parent Database. The County shall resolve conflicts and problems related to the 9-1-1 GIS data maintained by the County on a daily basis and communicate issues with each of the municipalities within its jurisdiction on a monthly basis. If any matter regarding the GIS data arises in which the County cannot resolve on its own, the County must contact NCTCOG within three business days to determine the best course of action to resolve the issue⁶. The 9-1-1 Addressing Coordinator shall adhere to the requirements outlined in the Enterprise Geospatial Data Management System (EGDMS).

Data Backup

At a minimum, the County shall: Maintain weekly backup copies of critical 9-1-1 GIS data, which shall be stored on a removable media device within a secure location⁷.

⁵ NCTCOG will be providing automated processes to ensure synchronization. As of July 2017, Counties will still be required to manually synchronize the database.

⁶ NCTCOG will be supplying QA/QC scripts to assist the County

⁷ NCTCOG will work with each County Addressing Office to automate this backup process

GIS and Addressing Standards

The 9-1-1 Addressing Coordinator shall comply with NENA GIS and Addressing Standards, in particular, the following NENA documents can be used as a reference⁸:

- o 02-014
- o 02-015
- o 71-501
- o 08-502

The 9-1-1 Addressing Coordinator shall familiarize themselves with the following Next Generation 9-1-1 / i3 NENA Standards documentation:

- o 08-002
- o 08-751

NCTCOG will supply documentation to each County Addressing Office that will assist the County in "Workflow" processes such as Standard Operating Procedures (SOPs). This documentation will be made available to the County Addressing Office via a secure website, USB device, or email, and updated on a regular basis. The County shall review this documentation and provide changes, recommendations, or comments to NCTCOG at the end of each quarter of the Financial Year⁹. It is imperative that the aforementioned documentation is updated by the County Addressing Coordinator to ensure the success of the 9-1-1 operations in the counties and the safety of its citizens.

Communication and meetings

The 9-1-1 Addressing Coordinator will attend regularly scheduled meetings at NCTCOG. NCTCOG will aim to host a 9-1-1 GIS / Addressing meeting once per quarter, either at NCTCOG's location or via virtual web technology.

The 9-1-1 Addressing Coordinator shall track County Commissioner's Court and City Council meetings that relate to development and improvement of GIS implementation for emergency services delivery. If an issue arises where either the County commissioner's court or City Council takes a course of action that would interfere with or be inconsistent with the data development and maintenance procedures followed by the County, the County needs to notify NCTCOG personnel within two business days.

⁸ A full list of all NENA Standards documentation can be found here: <http://www.nena.org/?page=Standards>

⁹ A schedule with exact dates of when to submit changes, recommendations, or comments will be sent to each County Addressing Office

ADDENDUM
INTERLOCAL AGREEMENT
WITH NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS
AND
Navarro County

This addendum is to extend the termination date of the Interlocal Agreement with the North Central Texas Council of Governments for 9-1-1 Services initiated on September 1, 2015. This addendum will extend the current Interlocal agreement.

Judge H.M. Davenport
County Judge

Mike Eastland, Executive Director
North Central Texas Council of Governments

DEFINITIONS: "Appraised value" means the value determined as provided by Chapter 23 of the Tax Code according to category. "Assessed value" means for the purposes of assessment of property for taxation, the amount determined by multiplying the appraised value by the applicable assessment ratio, but, for the purposes of determining the debt limitation imposed by Article III, Section 52 of the Texas Constitution, shall mean the market value of the property recorded by the Chief Appraiser. "Taxable value" means the amount determined by deducting from the assessed value the amount of any applicable partial exemption.
