RESOLUTION NUMBER 102-2018

A RESOLUTION OF THE COMMISSIONERS COURT OF NAVARRO COUNTY, TEXAS, REGARDING THE COMMISSIONERS COURT'S INTENT TO DECLINE TO DISCONTINUE, ABANDON, CLOSE, VACATE OR ALTER A COUNTY ROAD IN CONNECTION WITH THE PROPOSED HIGH SPEED RAIL PROJECT; AND THE COMMISSIONERS COURT'S REQUIREMENT THAT IF A RAILROAD LINE IS LAID ACROSS A COUNTY ROAD IN NAVARRO COUNTY, THE RAILROAD COMPANY SHALL CONSTRUCT AND MAINTAIN THE CROSSING, DURING AND AFTER CONSTRUCTION, SO THAT THE TRAVELING PUBLIC MAY USE THE COUNTY ROAD FOR ALL REASONABLY ANTICIPATED PURPOSES.

WHEREAS, the Texas Central Rail and Infrastructure, Inc. ("TCR") has indicated its intent to establish the Texas High Speed Railway on a route from Dallas to Houston that travels through Navarro County, even though TCR does not have eminent domain power; and

WHEREAS, the Draft Environmental Impact Statement ("DEIS") released in December of 2017 shows that the proposed route will cross at least fourteen county roads (and many other state, farm to market and private roads as well); and

WHEREAS, pursuant to §251.051(a) of the Texas Transportation Code, the Commissioners Court has the authority to order that public roads be laid out, opened, discontinued, closed, abandoned, vacated or altered; and

WHEREAS, neither TCR nor any actual railroad company (which TCR is not) has the authority to discontinue, close, abandon, vacate or alter any county road; and

WHEREAS, Section 112.059(a) of the Texas Transportation Code also provides that "each railroad company [which TCR is not] in the state shall place and keep the portion of the company's road bed and right-of-way over or across which a public county road runs in proper condition for the use of the traveling public;" and

WHEREAS, the DEIS appears to assume that the counties through which the proposed route will pass, including Navarro County, will cooperate in relocating and closing county roads to accommodate TCR's proposed route; and

WHEREAS, since the Commissioners Court of Navarro County has the sole control over all roads, highways and bridges in the county, and has the authority and obligation to ensure that any crossing of a county road by a railroad company results in the county road being maintained in its proper condition for use by the traveling public, the County Commissioners of Navarro County makes this resolution to express its intentions.

THEREFORE, the County has determined, and by this Resolution hereby determines the following:

1. The Commissioners Court does not intend to and hereby declines to close, abandon, vacate or alter any county road to accommodate the proposed the high speed railroad route; and

2. The Commissioners Court also requires that if TCR ever acquires eminent domain power and seeks to establish its route across any county road in Navarro County, the county road that is affected shall at all times, during and after construction, be maintained for use by the traveling public, including specifically the typical public uses to which county roads in Navarro County are often subjected, such as use by vehicles, equipment and machinery necessary to conduct operations oil and gas operations (drilling, reworking, producing, etc.), farm vehicles and equipment typically used in agricultural production, manufactured and mobile homes, and all other uses, whether named or not, for which Navarro County county roads are typically used.

PASSED AND APPROVED BY A MAJORITY VOTE OF THE COMMISSIONERS COURT OF NAVARRO COUNTY ON THIS THE 26 DAY OF FEBRUARY, 2018.

Re: Dallas to Houston High-Speed Rail – DEIS
Public Road Impacts

Mr. Wright,

It has been brought to our attention that the Draft Environmental Impact Statement (DEIS) prepared by the FRA includes relocation and realignment of public roads within Navarro County. Further, we understand that it is assumed that existing roads may be altered or closed and new roads are proposed to be constructed within our jurisdiction for our future ownership, responsibility and maintenance.

Please be advised, based on the information currently available, any construction, relocation or realignment of county roads within our county is not acceptable and will not be granted. Further, even if county roads were to be moved or altered, Navarro County will not accept responsibility for new or additional roads without a long-term maintenance reimbursement plan in place. In addition, the Commissioners Court will require that all county roads remain open for use by the travelling public both during and after construction. I am enclosing resolution no 102-2018, which clearly expresses the Navarro County Commissioners Court's views on these matters. They are consistent with state law. This resolution was passed on February 26, 2018.

Finally, the County has received a copy of comments by LCA Environmental, Inc. to you on the DEIs. Those comments refer to a new proposed (by LCA) Route 3Z. We have reviewed the comments by LCA and agree that if any route is ever approved by the FRA, Route 3Z is preferable to the other routes proposed by Texas Central Railroad. To be clear, Navarro County opposes any route for High Speed Rail. But, if a route is approved, we prefer Route 3Z (as set forth in the LCA comment) to the other routes. Regardless, Navarro County will still insist on compliance with the enclosed Resolution.

Please make the necessary adjustments to the DEIS document(s) to take this into account. At this point, we cannot even begin to evaluate the impacts to our County until the DEIS investigative findings are consistent with county regulations and the policies of the Commissioners Court. Once the DEIS has been updated and issued, only at that time will we be able to begin our detailed review and provide additional comments.

7. PAYMENT OF FEES. Customer shall pay LN the fees described on the applicable Schedule A. Customer shall be responsible for payment of the applicable fees for all services ordered by Customer or otherwise obtained through Customer's User IDs, whether or not such User ID is used by Customer or a third-party, provided access to the User ID is not the result of use by a person formerly or presently employed by LN (and not employed by Customer at the time of the use) or who obtains the User ID by or through a break-in or unauthorized access of LN's offices, premises, records, or documents. Customer agrees that it may be electronically invoiced for those fees. Payments must be received by LN within thirty (30) days of the invoice date. Any balance not timely paid will accrue interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by applicable law, whichever is less.

8. APPROPRIATION OF FUNDS. If sufficient funds are not appropriated or allocated for payment under this Agreement for any current or future fiscal period, then Customer may, at its option, terminate this Agreement on the last day of any calendar month, upon ten (10) days prior written notice to LN, without future obligations, liabilities or penalties, except that Customer shall remain liable for amounts due up to the time of termination. In addition, Customer shall certify and warrant in writing that sufficient funds have not been appropriated to continue the Agreement for the next fiscal year.

9. TERM OF AGREEMENT. These Master Terms are for services rendered and shall be in full force and effect during such periods of time during which LN is providing services for Customer (the "Term"); provided, however, that any term provided on a Schedule A (the "Schedule A Term") shall apply to the LN Services provided under such Schedule A until the expiration of that Schedule A Term. Upon expiration of any Schedule A Term, these Master Terms shall continue in effect for so long as LN is providing services for Customer.

10. TERMINATION. Either party may terminate these Master Terms at any time for any reason, except that Customer shall not have the right to terminate these Master Terms to the extent a Schedule A provides for a Schedule A Term or otherwise sets forth Customer's minimum financial commitment.
