**MEMORANDUM OF UNDERSTANDING
Texoma HIDTA Regional Intelligence Support Center (RISC)
Federal Equitable Sharing**

The RISC recognizes an ancillary benefit of asset forfeiture is the potential to share federal forfeiture proceeds with cooperating state and local law enforcement agencies through equitable sharing. The Equitable Sharing Program (Program) enhances cooperation between federal, state, local, and tribal law enforcement by providing valuable additional resources to each RISC member agency. Equitable sharing funds are designed to supplement and enhance, not supplant, appropriated agency resources.

The RISC understands that Federal law authorizes the Attorney General and the Secretary of the Treasury to share federally forfeited property with participating state and local law enforcement agencies. The RISC understands that the exercise of this authority is discretionary and limited by statute and sharing is not required in any case. In addition, the RISC understands that sharing is only available from remaining net proceeds after recovery of government expenses and payment of victim compensation. The sharing amount for each asset will bear a reasonable relationship to the degree of direct participation of each member agency and will consider the sharing recommendations outlined in this section based on qualitative factors such as unique contributions and financial obligations of the RISC.

The RISC understands that in order for its member law enforcement agencies to receive shared funds, the member agency must be compliant with Program guidelines and reporting requirements. Each member agency's Agency Head and Governing Body Head must annually sign the member agency's Equitable Sharing Agreement and Certification (ESAC) report. By signing and submitting the ESAC report, each member agency and its jurisdiction agree to abide by all policies set forth in the current *Guide to Equitable Sharing for State and Local Law Enforcement Agencies* and all subsequent updates.

Sharing Request Submissions: Sharing requests may be submitted at any time following the seizure, but no later than 45 days after forfeiture.

Financial Management Requirements: Equitable sharing funds are awarded to each member agency to be spent at the discretion of the recipient agency. All federally shared funds received by each member agency will be maintained in separate revenue accounts/accounting codes by each member agency's jurisdiction. These funds will be treated in the same manner as appropriated funds, including procedures for all

procurement and approval processes and inclusion in all single audit requirements by the jurisdiction.

Funds may be expended in support of RISC operations, such as paying leases and renting undercover vehicles and cell phones. The RISC member agencies will not expend funds at the direction of or for the sole use of federal agencies.

Sharing Percentages:

Agency A: Navarro County SO	49%	Agency C: Texas National Guard	17 %
Agency B: Irving PD	17 %	Agency D: Tarrant County SO	17 %

The sharing percentages listed represent an equitable share in accordance with the statute and are based on each RISC member agency's contribution to the RISC. Contribution includes manpower, tangible contributions such as equipment and facilities, and financial contributions for revolving expenses. If one RISC member agency provides a greater financial responsibility to the RISC, such agency should receive a higher share reflective of the financial contribution.

The RISC may deviate from the above percentages on a case-by-case basis as needed upon concurrence of all RISC member agencies. Deviations from the agreed upon percentages generally would only occur in rare and unique situations involving cases where a larger than usual sharing may occur.

Change in Participation: This portion of the Agreement/Memorandum of Understanding will be updated each time a change in RISC member or manpower contribution occurs and/or if a change in financial/administrative responsibilities occurs.

Dissolution: Should the RISC disband or when a member agency withdraws from the RISC, all funds currently in that member agency's possession remain with that member agency.

Entry of the Governing Body Head name above indicates his/her agreement to abide by the policies and procedures set forth in the Guide, any subsequent updates, and the Code of Federal Regulations.

I certify that I have obtained approval from and I am authorized to submit this form on behalf of the Agency Head and the Governing Body Head.

Dear Hon. H.M. Davenport,

We hope you are enjoying the updated design and editing features of your county website hosted by the Texas Association of Counties County Information Resource Agency (TAC CIRA). This recent upgrade allows your website to display properly on mobile devices (responsive design) and meet ADA accessibility standards, in addition to an updated layout and style.

As we communicated earlier in the year — a copy of that letter is enclosed — TAC CIRA's annual fees for website hosting and content management are increasing for the first time since 2012, taking effect in January 2019. TAC subsidized the price increase in 2018 in order to allow your county to plan for the change. The 2019 website hosting and content management prices are set forth in Exhibit A to the Services Agreement and summarized here:

TAC CIRA Annual Website Fees	2018	2019
Website Hosting (required)	\$550.00	\$800.00
Website Content Management (optional)	\$500.00	\$725.00

Due to this price increase, you will need to sign an updated TAC CIRA services agreement, which you will find enclosed with this letter. Please sign page 13 of the enclosed updated Services Agreement and fill out the contact information requested at page 14. Exhibit D need only be signed if you would like to subscribe to new TAC CIRA services, and Exhibit B only applies to TAC CIRA Members who currently use TAC CIRA's email support services. If you are receiving this correspondence, you are already using one or more of TAC CIRA's web hosting or content management services and can ignore Exhibit C.

Please forward the executed Services Agreement and your contact information to TAC CIRA by February 5, 2018, via one of the methods indicated below. Please note that the email address for corresponding with TAC CIRA has changed, as reflected below. Digital signatures are accepted. Invoices reflecting the updated website hosting and content management pricing are expected to be sent mid-January 2019.

V. **Owner**, at its own expense, shall maintain a general liability insurance policy in an amount sufficient to insure against loss or damages caused by the construction, maintenance and operation of the pipeline. The general liability insurance requirement may be met by a combination of self-insurance, primary and excess insurance policies. **Owner** shall also, at its own expense, carry worker's compensation insurance as required by law.

VI. **Owner**, its successors and assigns agree to release, defend, indemnify, and hold harmless the County its respective commissioners, agents and employees (collectively, the "**Indemnified Parties**"), from any and all costs, losses, claims, judgments, settlements, and damages of every kind and character to real property, personal property or persons (including, without limitation, claims involving environmental laws and regulations, pollution, contamination of ground waters, personal injury and death), lawsuits and/or causes of action (including reasonable attorneys' fees, expert fees and court costs) (collectively "**Claims**"), which may grow out of, arise from, or in any manner be connected with the activities of **Owner's** agents, invitees, guests, contractors, servants and employees, on the license area, or any adjacent property, including, without limitation, any Claims arising from loss of subsurface support of any County road and any Claims arising from the production or transportation of materials through any pipeline. For purposes of this license, environmental laws and regulations include, without limitation, the federal Oil Pollution Act (OPA), the federal Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), the federal Resource Conservation and Recovery Act (RCRA), the federal Clean Water Act, the Texas Solid Waste Disposal Act

(TSWDA), the Texas Water Code (TWC), and the federal, state and local rules, regulations, ordinances, orders and governmental directives implementing such statutes.

As used in this license, the term "**Hazardous Materials**" means any substance or material defined or identified as hazardous, extra-hazardous, toxic or radioactive or subject to regulation as a solid waste or pollutant under any applicable federal, state, or local statute or regulation including, without limitation, the environmental laws and regulations referenced herein. "**Remedial Work**" is defined as any site investigation or monitoring, any cleanup, containment, remediation, removal, or restoration work performed in response to any federal, state or local government authority or private party action ("**action**"), or pursuant to any federal, state or local statute, rule, regulation, ordinance, order, governmental directive or other laws ("**law**"). **Owner** agrees, for the benefit of the **County** and any adjacent surface owner, (1) to remove from the license area, if, as and when required by any action or law, any **Hazardous Materials** placed or released thereon by **Owner** (including its contractors), (2) to perform **Remedial Work** where the need therefore arises in connection with **Owner's** (including its contractors) operations or activities on the license area or any adjacent property, and (3) to comply in all respects with all laws governing operations by **Owner** (including its contractors) and **Remedial Work** on or associated with the license area and any adjacent property. **Remedial Work** shall be performed by one or more contractors selected by **Owner** under the supervision of an engineer selected by **Owner**. All costs and expenses of **Remedial Work** resulting from **Owner's** (including its drillers` and other contactors`) operations shall be paid by **Owner**, including, without limitation, the charges of such contractors and/or the consulting engineer and the **County's** reasonable attorneys' fees and costs incurred in connection with the monitoring or

review of Remedial Work. If **Owner** shall fail to timely commence or cause to be commenced, or fail to diligently prosecute to completion, such Remedial Work, **the County** may (but shall not be required to), after first giving **Owner** thirty (30) days notice of its failure and **Owner's** continued failure to perform, cause such Remedial Work to be performed and **Owner** will reimburse all reasonable costs of same on demand. The provisions of this Article shall not constitute approval or obligate **The County** or the surface owner to consent to the imposition of any engineering or institutional control that would restrict or limit future use of the License area for any purpose including, without limitation, any deed restriction or limitation on the use of groundwater or use of the property for residential purposes. **Owner** will notify **the County** and surface owner of any claim or other action by any governmental agency or any third party involving the actual or alleged existence of Hazardous Materials on the License area or any adjoining property and provide **the County** and surface owner with copies of (1) any notice of any actual or threatened release of Hazardous Materials given by **Owner** pursuant to any law and (2) any report of and response to any such release including all Remedial Work. **Owner**, its successors and assigns, in accordance with the provisions of Article 8, will release, indemnify, pay and protect, defend and save the Indemnified Parties harmless from all claims, liabilities, fees and expenses of any kind (including reasonable attorneys' fees, expert fees and costs) that arise from the actual or alleged presence or release of any Hazardous Materials in connection with the operations of **Owner** and **Owner's** agents, invitees, guests, contractors, servants and employees on the License area or any adjacent property. Such indemnification shall include, without limitation, costs in connection with any Remedial Work performed by **the County**, surface owner, or any third party in response to any federal, state or governmental authority, laws

or regulations, due and payable upon demand by **the County** or adjacent surface owner.

Owner's obligations herein shall survive the termination of this License.

VII. This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

VIII. This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created by this Agreement are performable in Navarro County, Texas.

IX. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision of the Agreement, and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in the Agreement.

X. The rights and remedies provided by this Agreement are cumulative, and the use of any one right or remedy by either party shall not preclude or waive its right to use any or all other remedies. The rights and remedies provided in this Agreement are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.

ORDER OF THE NAVARRO COUNTY COMMISSIONERS COURT

On this the 10th day of December, 2018, the following budget amendment to the previously approved 2018-2019 Navarro County Budget is made by the Navarro County Commissioners Court.

Account Number	Line Item Description	Amount
