**Navarro County Constable**

You have the right to make a complaint against a peace officer for any improper conduct. Texas law requires this agency to have a procedure to investigate citizen complaints. You have a right to a written description of this procedure. This agency may find, after investigation, that there is not enough evidence to warrant action on your complaint. Even if that is the case, you have the right to make this complaint and have it investigated, if you believe an officer behaved improperly. Citizen complaints and any reports or findings relating to complaints will be retained by this agency for at least five years.

**I HAVE READ AND UNDERSTAND THE ABOVE STATEMENT:**
