WHEREAS, on March 19, 2020, the Hockley County Judge, Sharla Baldrige, declared a local state of disaster for public health emergency pursuant to Section 418.108(a) of the Texas Government Code, based upon the need for extraordinary measures to contain COVID-19 and to prevent its spread throughout Hockley County; and

WHEREAS, in each subsequent month effective through June 3, 2020, Governor Abbott has renewed the disaster declaration for all Texas counties; and

WHEREAS, the Commissioner of the Texas Department of State Health Services (DSHS), Dr. John Hellerstedt, has determined that COVID-19 represents a public health disaster within the meaning of Chapter 81 of the Texas Health and Safety Code; and

WHEREAS, Governor Abbott has issued Executive Order GA-08 on March 19, 2020, mandating certain social distancing restrictions for Texans in accordance with guidelines promulgated by President Donald J. Trump and the Centers for Disease Control and Prevention (CDC); and

WHEREAS, as normal business operations resume, everyone must act safely, and to that end, the Governor's executive order and prior executive orders provide that all persons should follow the health protocols recommended by DSHS, which whenever achieved will mean compliance with the minimum standards for safely reopening, but which should not be used to fault those who act in good faith but can only substantially comply with the standards in light of scarce resources and other extenuating COVID-19 circumstances; and

WHEREAS, the "governor is responsible for meeting... the dangers to the state and people presented by disasters" under Section 418.011 of the Texas Government Code and the legislature has given the governor broad authority to fulfill that responsibility; and

and growth services;

4. Amusement parks and carnivals shall operate at no more than 50 percent of the normal operating limits as determined by the owner, except that in counties with more than 1,000 cumulative cases of COVID-19, amusement parks may not begin operating until 12:01 a.m. on June 19, 2020;

In providing or obtaining services, every person (including individuals, businesses, and other legal entities) should use good-faith efforts and available resources to follow the minimum standard health protocols recommended by DSHS. Nothing in this executive order or the DSHS minimum standards precludes requiring a customer to follow additional hygiene measures when obtaining services. Individuals are encouraged to wear appropriate face coverings, but no jurisdiction can impose a civil or criminal penalty for failure to wear a face covering.

People shall not visit nursing homes, state supported living centers, assisted living facilities, or long-term care facilities unless as determined through guidance from the Texas Health and Human Services Commission (HHSC). Nursing homes, state supported living centers, assisted living facilities, and long-term care facilities should follow infection control policies and practices set forth by HHSC, including minimizing the movement of staff between facilities whenever possible. For the remainder of the 2019-2020 school year, public schools may resume operations for the summer as provided by, and under the minimum standard health protocols found in, guidance issued by the Texas Education Agency (TEA). Private schools and institutions of higher education are encouraged to establish similar standards. This executive order shall supersede any conflicting order issued by local officials in response to the COVID-19 disaster, but only to the extent that such a local order restricts services allowed by this executive order, allows gatherings prohibited by this executive order, or expands the list or scope of services as set forth in this executive order. Pursuant to Section 418.016(a) of the Texas Government Code, I hereby suspend Sections 418.1015(b) and 418.108 of the Texas Government Code, Chapter 81, Subchapter E of the Texas Health and Safety Code, and any other relevant statutes, to the extent necessary to ensure that local officials do not impose restrictions in response to the COVID-19 disaster that are inconsistent with this executive order, provided that local officials may enforce this executive order as well as local restrictions that are consistent with this executive order.

All existing state executive orders relating to COVID-19 are amended to eliminate confinement in jail as an available penalty for violating the executive orders. To the extent any order issued by local officials in response to the COVID-19 disaster would allow confinement in jail as an available penalty for violating a COVID-19-related order, that order allowing confinement in jail is superseded, and I hereby suspend all relevant laws to the extent necessary to ensure that local officials do not confine people in jail for violating any executive order or local order issued in response to the COVID-19 disaster.

This executive order supersedes Executive Order GA-23, but does not supersede Executive Orders GA-10, GA-13, GA-17, GA-19, GA-20, GA-24, or GA-25. This executive order shall remain in effect and in full force unless it is modified, amended, rescinded, or superseded by the governor. This executive order may also be amended by proclamation of the governor.

Given under my hand this the 3rd
day of June, 2020.
