Motion by Commissioner Carter, seconded by Commissioner Clevenger , 3 Votes Yes,
0 Votes No, that Commissioners' Court approve the Fire Service Agreement by and between the
City of Levelland and Hockley County, as per Agreement recorded below.

VOL. 59 PAGE 480

FIRE SERVICE AGREEMENT

This Agreement is made by and between the CITY OF LEVELLAND, TEXAS (the CITY), and the COUNTY OF HOCKLEY (the COUNTY) for the purposes and in accordance with the provisions herein set forth;

1. This Agreement is made under the authority of, and in accordance with the provisions of, TEXAS LOCAL GOVERNMENT CODE Chapter 352, County Fire Protection, and Texas Government Code. Chapter 791, the Interlocal Cooperation Act. The purpose of this Agreement is to provide for fire protection in the portion of the County that is situated outside of the municipal boundaries of the City, because the CITY owns and operates a Fire Department as a department of its municipal government, but the COUNTY neither owns or operates any fire-fighting equipment, nor does it provide any type of fire protection, except as hereinafter set forth.

2. The CITY hereby agrees to provide fire-fighting services for the portion of the COUNTY situated outside the municipal boundaries of the CITY, using its equipment and personnel, subject to the following limitations:

A. The particular equipment and the number of personnel dispatched to any fire shall be within the sole discretion of, the CITY's Fire Chief or his designee, taking into account such factors as (but not limited to), the size and type of the fire, the location of the fire, any special toxic or other high risk characteristics of the fire, its proximity to the other departments capable of responding, and the necessity of holding sufficient fire-fighting assets in reserve to respond to other fires that would require a response by the CITY's Fire Department.

B. This Agreement does not include the CITY's providing of fire prevention services, such as building or fire extinguisher inspections, risk assessments, public fire prevention or safety programs, or arson or suspicious circumstances investigations.

3. The COUNTY has provided equipment to, and made arrangements with, numerous irrigation well owners so that those wells can provide water to fire fighting equipment. The COUNTY shall be responsible for maintaining those well connections, and will provide the CITY with appropriate maps or other means for locating and using these wells to obtain necessary water.

4. The CITY presently may be a party to one or more Mutual Aid Fire Agreements with other Cities, which essentially provide for coordinated fire responses. Those Agreements are not affected by this Agreement, and are not made a part hereof.

5. In consideration of the CITY's providing fire-fighting services, the COUNTY agrees to pay to the CITY:

- A. An annual minimum amount of \$100,000 to cover up to 200 County Fire Runs. This amount shall be paid in two equal installments, the first installment of \$50,000 being paid to the CITY as soon as practicable after January 1, 2012, and the second \$50,000 installment as soon as practicable after July 1, 2012.
- B. The CITY shall periodically provide to the COUNTY reports on the number County Fire runs with each report to include a cumulative total for the calendar year.
- C. For each County Fire Run in excess of 200, up to and including the 240th County Fire Run during the calendar year, the COUNTY shall pay an additional \$500, with the calendar year total not to exceed a total COUNTY obligation of \$120,000. Payment for these runs shall be made as soon as practicable after receipt of the CITY report documenting the runs.

6. The CITY and COUNTY each acknowledge that they have undertaken a comprehensive review of the costs of providing fire protection services to the citizens of the COUNTY, including those living inside and outside of the CITY, in order that those costs can be equitably borne. The CITY's and COUNTY's representatives have met, and the parties hereto agree that the conditions and responsibilities outlined in this agreement will likely serve as an equitable arrangement for another year. However, periodically the parties shall again undertake a comprehensive review of fire protection services and develop a new or revised fire service agreement when appropriate.

7. The term of this Agreement is for one year, commencing on December 1, 2012 and ending on November 30, 2013, subject to the review and approval for subsequent years as outlined in paragraph 6. above. The parties agree that this agreement represents an obligation of 2013 fiscal year funds only.

8. This Agreement supersedes all previous agreements of the parties concerning the subject matter hereof.
