

# WRITE-IN VOTING

## HOW TO VOTE FOR WRITE-IN CANDIDATES

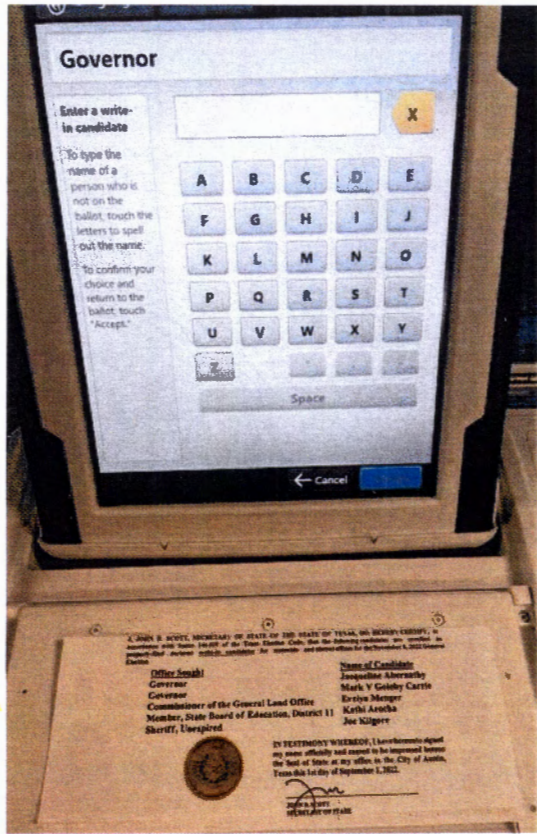

First, voter must choose - the box beside: **To enter a write-in, touch here**

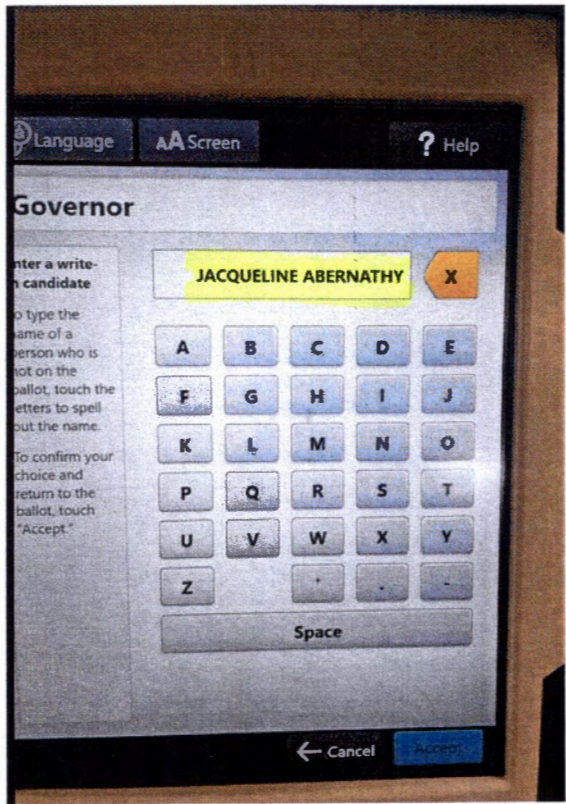

Automatically, a keyboard will populate on the DUO screen. The voter must press the letters to spell the name of the candidate from the list of certified write-in candidates.

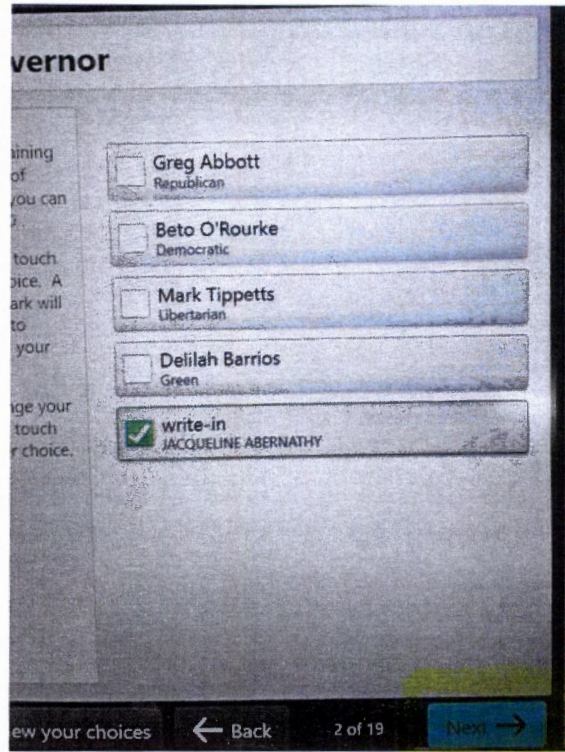

The list of certified candidates is on each DUO as below. They are also in the polling location posted with the sample ballots.

Voter has typed in the name of the write-in Candidate for Governor and it will look like this on the DUO.

After the voter has pressed **Accept** at the bottom right, the screen below will appear on the DUO. Notice that **write-in** is checked and it shows the name that was typed in by the voter. Voter will select next and proceed to the next election race.

The final review page will look like below. List the race, write-in, and name that the voter typed in.
