

Job Title: Equipment Operator / Laborer

Department: Liberty County Road & Bridge Department Precinct 4

Location: Liberty County, Texas

Job Type: Full-Time / Open Until Filled

Job Description:

The Liberty County Precinct #4 Road & Bridge Department is seeking a dedicated Equipment Operator/Laborer to assist with the construction, maintenance, and repair of county roads and infrastructure. This position involves operating heavy equipment, performing manual labor, and ensuring the safe and efficient upkeep of county properties.

Duties & Responsibilities:

- Follow safety guidelines and traffic control procedures while working on public roadways
- Operate and maintain equipment such as motor graders, bulldozers, backhoes, dump trucks, excavators and loaders
- Perform road maintenance tasks, including pothole repair, ditch clearing, and brush removal
- Assist with concrete work, asphalt patching, and gravel road upkeep
- Maintain equipment by checking fluid levels, lubricating parts, and reporting maintenance needs
- Perform other duties as assigned by the Road & Bridge Supervisor

Minimum Qualifications:

- High school diploma or GED preferred
- Experience operating heavy equipment is a plus; training may be provided

- Ability to perform physical labor, including lifting up to 50 lbs., standing for extended periods, and working outdoors in all weather conditions
- Possession of a valid Texas Class C driver's license (CDL preferred or ability to obtain)
- Demonstrate ability to operate equipment
- Must pass a background check and drug screening

Salary & Benefits:

- Competitive wage (depending on experience)
- County benefits package, including health insurance, retirement plan, and paid time off
- Opportunities for comp time and career advancement

How to Apply:

Interested applicants should submit a completed county job application to the Liberty County Precinct #4 Office. Applications can be picked up in person at 1034 CR 605 Dayton, Texas or download online at www.co.liberty.tx.us go to quick links, go to employment opportunities, then go to job openings and scroll to bottom of page or type in employment application in search bar.
