

Affidavit to the Public

(Commercial)

Before me, the undersigned authority, on this day personally appeared _____ who, after being by my duly sworn upon oath, states that he/she is the owner of record of that certain tract or parcel of land lying and being situated in Liberty County, Texas, and being more particularly described as follows:

Subdivision: _____

Section: _____ **Block:** _____ **Lot:** _____ If Not available: See attached Metes and Bounds

The undersigned further states that a surface application on-site wastewater treatment system will be installed in accordance with the permitting provision of the Texas Commission on Environmental Quality (TCEQ). The undersigned has entered into a maintenance agreement as required by the permitting entity with an approved maintenance company for service and repairs to the application system.

Further, the undersigned states that he/she will, upon any sale or transfer of the above described property, request a transfer of the permit to operate such surface application system to the buyer or transferee. Any buyer or transferee is hereby notified that a maintenance contract with an approved maintenance company will be required for the use of this system. For more information concerning the rules or regulations on surface application on-site wastewater treatment system, please contact the Texas Commission on Environmental Quality (TCEQ), via mail at P.O. Box 13087, Austin, Texas 78711-3087 or via phone at (512) 908-1000.

I hereby agree and acknowledge that I must:

1. Employ, by means of an initial two-year policy contract, a certified maintenance provider
2. Employ a certified maintenance provider during the entire operational life of the said facility.
3. Assure that the certified maintenance provider provides the testing of the sewage effluent on the schedule provided below and sends the required report to the Permit Division of the Liberty County Engineering Office:
 - a. **Three (3) Times Per Year: PH Chlorine of Fecal Coliform**
(Unless otherwise noted by permitting authority)
 - b. **Annually: BOD5 and TSS**
4. Operate this system in strict conformance with the sewage effluent discharge standards promulgated by the Texas Commission on Environmental Quality (TCEQ).
5. Adhere to maximum gallons per day as stated in design.
