**Value of Construction:** The value of construction shall include the prevailing fair market value of all labor, materials and equipment, whether actually paid or not, as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire-extinguishing systems, automatic sprinkler systems, other mechanical systems and other permanent work or permanent equipment, not including furnishings. The Building Official shall make the final determination of the value of construction as specified in Section 108.3 of the International Building Code.

**Expiration of Plan Review: Applications** for which no permit is issued within 180 days following the date of application or approval date shall expire and all fees paid shall be forfeited. Upon written request of the applicant, the Building Official may grant a 90-day extension to the Plan Review time as specified in Section 105.3.2 of the International Building Code. No application shall be extended for a period of more than 90 days.

**Building Owner or Authorized Agent:**

*I hereby certify that I have read and examined this application and know the same to be true and correct, and I am authorized to apply for this permit.*

**Requirements for Development of Recreational Vehicle and/or Mobile Home Parks**

- Electrical installation shall follow current NFPA 70 (NEC) standards
- Entrance gates are to be set back far enough to allow safe entry by all users
- Dead end roads more than 150'(feet) shall have a 50'(foot) diameter turnaround
- Interior roadways shall be able to support firefighting apparatus
- Interior roadways shall be all weather roads – crushed concrete, limestone, GS 100, asphalt or concrete. Interior roads should have a driving surface of 24'
- Permanent structures and site buildings shall have marked fire lanes
- Each RV or mobile home shall be identified by numbers easily read from the street
- Each parking slot shall be a minimum of 12'(feet) in width
- Parking sites shall be constructed of material which will prevent low spots and ruts
- A supply of potable water shall be demonstrated and provision for sanitary sewer service must also be demonstrated
- Plan drawings showing parking sites, roads, structures and drainage will be required
- Park developers are encouraged to have a single central location where park residents can receive and send mail

# RV Park Required Documents

---

- Tax I.D. or State License
- LLC or DBA (Contact Liberty County Clerk)
- Current Driver's License/Identification of the owner of the business
- Business Liability Insurance (Certificate of Liability Insurance)
- Lease Agreement, a Letter from Land Owner, or Proof of Ownership of Property
