

FROM THE DESK ~~OF THE~~ RISK MANAGER COVID-19 MITIGATION

Michael Willow

This is the latest numbers that are reported to the Department of State Health Services (DSHS). It needs to be said that the numbers posted in no way are accurate. With the self testing many people do not report the positive test results to the appropriate agency or there family Doctor.

If you have been watching the news, The Novel COVID Virus booster will soon be a shot administered just like the annual flu shot.

The numbers for the week of 10/28/2022

Confirmed cases 9 this week for Total Cases for the year 1854

Probable cases 13 this week for Total Cases for the year 1534

Deaths 1 this week for Total Deaths for the year 18

As always if you have any questions please call the COVID hot Line at 361-492-5981

Thank you
