

Matagorda County Emergency Operation Center Press Release

June 10, 2020 / 1200 hours / (Noon)

For Immediate Release:

Matagorda County Hospital District Officials reported they **have zero positive COVID-19 patients seeking treatment at Matagorda Regional Medical Center**. This is the first time since early March we have not had someone seeking treatment in the Medical Center.

Matagorda County has been informed we have five (5) recovered patient and zero new cases of COVID-19 today with 5 pending test results.

The Palacios Community Medical Center reported today that they have 29 negative and zero pending Covid-19 cases.

Matagorda County currently has 77 positive cases, of which 52 are recovered. Matagorda County's number of active cases is now 20.

The 20 positive cases are located in the communities of Bay City, Palacios, Van Vleck, Sargent, and Markham.

The DSHS epidemiological teams assigned to Matagorda County continue to have difficulty reaching some of the COVID-19 positive members of our community.

We will continue to provide press releases on Monday, Wednesday and Friday, unless something happens.

The daily numbers are being posted on the Matagorda Regional Medical Center dashboard.
