Matagorda County Emergency Operation Center Press Release

May 7, 2020 / 1500 hours / (3 PM)

For immediate Release:

The Matagorda County Emergency Operation Center was informed this afternoon that the Matagorda County Hospital District Officials received confirmation that a man between the ages of 90 and 100 passed away with symptoms consistent with COVID-19.

The patient's COVID-19 status was confirmed in an outpatient setting prior to being admitted to the Matagorda Regional Medical Center for care. The man was later transferred to a healthcare facility in Victoria where he passed away. This is the fifth confirmed COVID-19 related death of a Matagorda County resident. Our prayers go out to his family and loved ones, and to all of our community members who are mourning his passing.
