REQUEST FOR QUALIFICATIONS**

Matagorda County is seeking for completed Statements of Qualifications (**3 bound copies and 1 original**) for Architectural/Engineering Services until ~~10:00 AM, Friday, November 15, 2024, 9:30 AM, Thursday, November 21, 2024~~ at the office of:

**Kristen Kubecka, County Auditor
2200 7th Street, Room 208
Bay City, Texas 77414**

For the following Projects:

**JUSTICE OF THE PEACE #2 BUILDING
SARGENT COMMUNITY CENTER/ALTERNATE EOC**

Please include your company's contact person and email address with your sealed qualifications submittal.

Submission Requirements – SOQs may be received by mail OR hand-delivered to the address above OR by email to kkubecka@co.matagorda.tx.us. It is the responsibility of the submitting entity to ensure that the SOQ is received in a timely manner. SOQs received after the deadline will not be considered for award, regardless of whether or not the delay was outside the control of the submitting firm. Multiple contracts may be awarded as a result of this solicitation.

Sealed Qualifications will be publicly opened and the names of the firm(s) submitting will be read aloud at the time and date listed above. Within 15 days after the date of opening of Qualifications, the Owner shall evaluate each firm submitting a statement of Qualifications. The Owner reserves the right to waive any informality and to reject any or all submitters.

In accordance with the specific legal requirements, Architectural/Engineering Services, the following criteria will be considered under the process for selecting the Engineering firm(s) for the Projects. After selecting two or fewer firms, the Owner will begin contract negotiations with the highest-ranking firm(s). Should the parties not be able to reach an agreement, the County will begin the same negotiation process with the next ranked firm. The selected engineering firm(s) will assist the Owner with preconstruction services and to manage/build the project.

Anticipated Selection Schedule: It is anticipated that the selection of qualified firm(s) from the process on November 25, 2024 will be notified by December 10, 2024. Contract negotiations will begin immediately following evaluation process. The selection committee will make their recommendation to all entities at the next regularly scheduled meeting of Matagorda County, based upon the criteria for qualifications and the firm(s) that provides the best value to the Owner and said Projects.

Anticipated Project Schedule: It is anticipated that pre-construction services will begin in December 2024, and construction of the Project will begin in April 2025. Anticipated Completion would be achieved by September 2025.

Anticipated Project Budget: The Project Budget for the Justice of the Peace #2 Building is approximately One Million, Five Hundred Thousand Dollars (\$1,500,000.00). The Project Budget for the Sargent Community Center/Alternate EOC is approximately One Million, Five Hundred Thousand Dollars (\$1,500,000.00).

- ~~Support and assist the County during state/federal monitoring or auditing activities, including providing financial information, reports, site visits, and other requests that may be required.~~

TECHNICAL REQUIREMENTS

The selected Firm(s) shall provide construction services including, but not limited to, the following technical requirements:

Preconstruction Services

During the phase of preconstruction services, the following activities are performed:

- a. ~~Procure in advance or establish reliable supply chains for materials, equipment, supplies and appurtenances with long lead items.~~
- b. ~~Perform procurement of early trade work.~~
- c. ~~Submit sample boards of materials (i.e., cabinets, carpet, hardware, paint, etc.) for review and approval of the County.~~
- d. ~~Prepare and maintain a detailed schedule.~~
- e. ~~Work collaboratively with design team and review drawings for submittal to the County for final approval.~~

Construction Services

During the phase of construction services, the following activities are performed:

- a. ~~Firm shall meet with assigned County contact (or assignee) to review selections of construction materials.~~
- b. ~~Firm will be responsible to coordinate with appropriate departments for shutoff and timely reconnection of all utilities. Firms shall be responsible for managing all utility-related issues associated with demolition and/or construction.~~
- c. ~~Firm is responsible for demolition of damaged structure, if specified in the scope of work. All demolition activities and disposal of demolition/construction debris must follow applicable local, state, and Federal guidelines, laws, and regulations.~~
- d. ~~Firm shall obtain or ensure that all necessary permits for demolition and construction are issued and properly documented, Certificates of Occupancy are issued and properly documented, and provide foundation location and as-built surveys to confirm that construction is compliant with elevation and setback building line requirements.~~
- e. ~~Firm shall provide construction services in accordance with County building codes and within the prescribed construction timelines and approved schedule.~~
- f. ~~Firm shall provide administrative, management, and related services to coordinate scheduled activities and responsibilities of their general contractors, subcontractors, and trades with each other to manage construction schedule. Firms are allowed to self-perform construction and are responsible for coordinating and scheduling their own construction services.~~

- ~~g. Firm shall visit and thoroughly inspect the project sites and any structures or other manmade features to be modified.~~
- ~~h. Firm shall coordinate and manage the scope of work to be performed by their subcontractors through final acceptance, including punch list work. Firms shall be responsible for keeping the services on schedule and ensuring that the subcontractors furnish materials and perform work according to the approved scope of work and construction plans.~~
- ~~i. Firm shall have the authority over their general contractors/subcontractors to require prompt execution of the work and to give instructions to require corrective actions, whenever such action may be necessary in its opinion to ensure proper execution of the Contract Documents and/or to protect the interests of the County.~~
- ~~j. As requested by the County, Firms shall provide routine reports regarding quality control inspections to ensure progress and quality of construction, adherence to schedule, and conformance with applicable construction standards.~~
- ~~k. Firm shall coordinate their trades, subcontractors, and other construction personnel to ensure that the quantity, quality, fitness, and progress of the work is in compliance with the Contract requirements. All work is subject to the final review of the County. The County will not routinely require prior approval of these actions but reserves the right to review and approve at its sole discretion.~~

Scheduling

~~During the phase of construction services, the following activities are performed:~~

- ~~a. The selected Firm(s) will generate and maintain a master schedule (schedule of all assigned construction sites if more than one location is involved) showing average duration for performing activities at the assigned sites. This schedule will break down activities from work order assignment and construction milestones, through Certificate of Occupancy (COO), final inspection, and close out. This schedule should also include the County's activities which potentially may impact the schedule.~~
- ~~b. The selected Firm(s) shall update the master schedule weekly to determine revised durations on the active construction projects. The schedule will also indicate any delays and recommend actions to mitigate the delays and implement approved schedule recovery measures.~~
- ~~c. The selected Firm(s) will be responsible for performing regular routine daily/weekly monitoring of construction; however, the County, or assignee, will perform milestone inspections required for compliance.~~

Environmental, Health, and Safety

~~During the phase of construction services, the following activities are performed:~~

- ~~a. The Firm shall have detailed procedures addressing environmental risks, safety hazards, and provide mitigation methods. The Firm shall identify and ensure that all Personal Protective Equipment (PPE) required for performing services is utilized.~~
- ~~b. All health and safety complaints must be addressed immediately, and the County must be notified of the complaints and proposed resolutions within 24 hours.~~
- ~~c. Investigation, removal, and disposal of all hazardous materials shall be addressed in accordance with all applicable construction/environmental and any other federal, state, and local laws and regulations.~~
- ~~d. All construction activities shall be performed in compliance with applicable Occupational Safety and Health Administration (OSHA) safety regulations and other applicable laws.~~

SCOPE OF WORK

The Contractor shall provide the following scope of services:

SCOPE OF SERVICES REQUESTED

Respondents may be qualified to provide Program Engineering services for one or more projects or services (environmental, acquisition, general administration, etc.)

DESCRIPTION OF SERVICES AND SPECIAL CONDITIONS

Respondents must be able to perform the tasks listed herein to be considered eligible for an award under this Solicitation. Respondents should provide a detailed narrative of their experience as it relates to each of the items below. Respondents should clearly indicate if they intend to provide services in-house with existing staff or through subcontracting or partnership arrangements. The Providers shall furnish pre-funding and post-funding program engineering services to complete the projects, including, but not limited to the following:

General Requirements

- a) Coordinate, as necessary, between County and its service providers (i.e., Engineer, Environmental, Contracted Construction Company, etc.)

Initial Engineering and Design Support

Respondents will be required to show the ability to provide all the Engineering services described below:

- a) Assist with the development of project related services, including, but not limited to cost estimates, preparation of project justification, project maps and accurate project descriptions.
- b) Provide all project information necessary to ensure timely execution of the environmental review (if required).
- c) Provide preliminary engineering, investigations, and drawings sufficient to achieve the preliminary design milestone, including at a minimum:
 - i. Cross sections/elevations
 - ii. Project layout/staging areas
 - iii. General notes
 - iv. Special notes
 - v. Design details
 - vi. Specifications
 - vii. Utility relocation designs
 - viii. Construction limits, including environmentally sensitive areas that should be avoided during construction
 - ix. Required permits
 - x. Quantities
 - xi. Estimate of construction costs to within +/- 25%
 - xii. Schedules for design, permitting, acquisition and construction
- d) Design surveying, topographic and utility mapping.
- e) Perform subsurface explorations for project sites, as necessary.
- f) Prepare horizontal alignments/layouts for all proposed project alternatives necessary to fully describe the project scope, anticipated limitations, and potential project impacts.
- g) Recommend value engineering options (alternative design, construction methods, procurement, etc.) that may improve efficiency, expedite the schedule, or reduce project costs for the County.
- h) Identify, acquire and submit all necessary permits and approvals required for design approval and construction.
- i) Submit all necessary deliverables to the appropriate entity for review and comment. Adjust project and/or design

- to satisfactorily address any comments, as necessary.
- j) Prepare plans and profiles, including vertical design information for the selected alternative.
 - k) Identify and address potential obstacles to project implementation (i.e., pipelines, easements, permitting, environmental, etc.) prior to moving forward with the final design.
 - l) Support County with acquisition or property/servitudes/right-of-way documentation as required by the City to facilitate the project, preparing right-of-way surveys and/or property boundary maps and legal descriptions of parcels to be acquired.

Engineering and Final Design Support

Respondents will be required to show the ability to provide all the Engineering services described below as they relate to final design support:

- a) Prepare plans and profiles, including necessary design information for the selected alternative sufficient to achieve all detailed design milestones. Examples include, but are not limited to:
 - i. Cross sections/elevations
 - ii. Project layout/staging areas
 - iii. General notes
 - iv. Special notes
 - v. Design details
 - vi. Specifications
 - vii. Utility relocation designs
 - viii. Construction limits, including environmentally sensitive areas that should be avoided during construction
 - ix. Required permits
 - x. Quantities
 - xi. Estimate of construction costs to within +/- 20%
 - xii. Schedules for design, permitting, acquisition and construction
- b) Provide information to appropriate individuals for the development of environmental fund release reports and floodplain maps.
- c) Identify, acquire and submit all necessary permits and approvals required for design approval and construction.
- d) Provide hard copy, if necessary, reproducible plan drawings and bid documents, in addition to electronic copies to the County, upon design completion, and as requested during design. Electronic copies should be in the native format (AutoCAD DWG) along with PDF packages and should contain all corresponding references, databases, or files associated with the completed design documents.
- e) Assist the County and any service provider related to the project with all necessary documentation to ensure compliance with all Program requirements and regulations.

Bid and Award Support

Respondents will be required to show the ability to provide all the Engineering services described below as they relate to bid and award support.

- a) Submit appropriate items and support County in the development of complete bid package.
- b) Prepare and assist County in the advertisements for bid solicitation.
- c) Support development and issuance of bid-related documents necessary to complete bid process (e.g., bid proposal form, bid addenda and supporting documentation).
- d) Attend and support County at pre-bid conference and bid opening.
- e) Support County with ongoing communication during bid process.
- f) Support County to complete bid tabulation and evaluation of responses and provide recommendation for award.
- g) Support County to negotiate and finalize contract documents, including issuance of the Notice to Proceed, in accordance with program and County requirements.
- h) Support County in the conducting of a preconstruction conference.

Contract Management and Construction Oversight

Respondents will be required to show the ability to provide all the Engineering services described below as they relate to contract management and construction oversight.

- a) Ensure delivery of County project in accordance with contract.
- b) Provide ongoing Construction Oversight Reports detailing the status of construction for County project.
- c) Review all service provider submittals to ensure compliance with construction contract documents and provide recommendations to County.
- d) Provide periodic and final inspections and tests reports, as required for the project.
- e) Provide on-site supervision and oversight of construction activities at a minimum on a bi-weekly basis or as needed by the County.
- f) Review Construction Change Orders and provide recommendation to County as to appropriate action.
- g) Review invoice/draw requests and provide recommendation to County as to appropriate action, in compliance with the construction contract documents.
- h) Obtain independent cost estimates for validation purposes, as required.
- i) Review and respond to requests for information/clarification.
- j) Support County with issue identification and claims resolutions.
- k) Develop a final "as built" report of quantities, drawings, and specifications.

- m) Deliver "as-built" drawings to the County within 30 days of project completion.
- n) Host and/or attend project coordination meetings in person, by phone, or by video conference, which may or may not fall during normal business hours.
- o) Perform other contract management and construction oversight duties as required to ensure success of the County project.
- p) Provide necessary certifications to regulatory agencies of project completion and compliance (ex. TCEQ).
- q) Submit all final invoices within 60 days after contract or work order expiration.

Specialized Services

Respondents will be required to show the ability to provide all the Engineering services described below as they relate to specialized services.

- a) Provide Geotechnical Investigations as may be required for a project.
- b) Provide Detailed Surveying as may be required for a project.
- c) Provide Site Specific Testing as may be required for a project.
- d) Provide Archeological Studies as may be required for a project.
- e) Provide Planning Studies as may be required for a project.
- f) Provide Feasibility Studies as may be required for a project.
- g) Provide Legal documentation for property and/or easements to be acquired (i.e., field notes, etc.).
- h) Provide Phase I and Phase II environmental site assessments as requested.

Statement of Qualifications
Architectural/Engineering Services
for the project:
JUSTICE OF THE PEACE #2 BUILDING
SARGENT COMMUNITY CENTER/ALTERNATE EOC

Provide the information requested below in the sequence and format prescribed by this *Statement of Qualifications* form. Refer to Page 2 of 8 for the scoring priority of the information provided.

- 1. AIA DOCUMENT A305, CONTRACTOR QUALIFICATION STATEMENT.**
- 2. FELONY CONVICTION NOTICE.**
- 3. EXPERIENCE.** List and describe only your projects that are specifically relevant to proposed project and for which you performed Architectural/Engineering services.
- 4. REFERENCES.** For those projects listed above, provide name, title, current phone number and email address for representatives familiar with the services performed by your company.
- 5. RESUMES OF KEY PERSONNEL.** Provide resumes of key personnel to be assigned to this project, including the Engineer, Architect, Project Manager, and/or Estimator and any other proposed personnel. Resumes must clearly show specifically relevant experience in projects of similar scope, size, and complexity. Provide references for each person, who can substantiate their background and experience. Include current contact information for each reference.
- 6. PROJECT SCHEDULING.** Include a detailed example of the level of scheduling quality to be expected on the project, utilizing the schedule of one of your completed projects of similar complexity.
- 7. COST ESTIMATING.** For a single project (project name may be concealed), attach a cost estimate prepared during the design phase, and the final cost breakdown of Guaranteed Maximum Price. Explain any significant differences between the two amounts.
- 8. CERTIFICATE OF INSURANCE.** A Certificate of Insurance must accompany all Statements of Qualifications, on an ACORD form itemizing the firm's normal coverage at the time of this qualification. Additional insurance coverage available to the Owner without increase in cost (due to normal coverage's carried by the company) will be considered of benefit to the Owner. Please show available excess or umbrella coverages on the insurance certificate, should such coverages be in place. Property Insurance (Builder's Risk) will be provided and paid for by the firm.
- 9. ARCHITECTURAL/ENGINEERING SERVICES.** Describe your organization's approach to working in a team relationship with the Owner during the design and construction of completed firms' projects. Describe your organization's methods for cost control and evaluating building systems during the design/construction documents phases. It is anticipated that the guaranteed maximum price (GMP) will provide at or near 90% completion of construction documents.
- 10. ADDITIONAL COMMENTS.** The aesthetics of the Statement of Qualifications will play no part in the selection of a firm. Clarity, completeness, and responsiveness to the RFQ are required. The Owner reserves the right to reject any Statement of Qualifications without cause.
- 11. LOCAL, STATE, & FEDERAL FUNDING REQUIREMENTS (REQUIRED PROVISIONS, CERTIFICATIONS, AFFIDAVITS, QUESTIONNAIRES, AND FORMS).** This project **MAY** be partially funded with federal dollars, if federal dollars are collaborated, the following documents will be required to be in compliance with local, state, and federal requirements. The following will be considered with regard to Responsiveness and Completion:

ARPA Required Provisions for EC 6.1 / Revenue Loss Projects: The ARPA Terms & Conditions are included within solicitation and will become part of any contracts awarded in response to this solicitation **EXHIBIT A**

Conflict of Interest Questionnaire Form CIQ: The questionnaire is required by Local Government Code Chapter 176 **EXHIBIT B**

Certification Regarding Lobbying SF-LLL / Disclosure of Lobbying Activities: The disclosure of lobbying activities is required pursuant to title 31 U.S.C. section 1352 **EXHIBIT C**

The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.</p> <p>(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.</p> <p>(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.</p> <p>(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.</p> <p>(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.</p> <p>(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.</p> <p>(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.</p> <p>(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:</p> <p>Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.</p> <p>The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any</p>

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

- ***
- (2) the vendor:
 - (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
 - (i) a contract between the local governmental entity and vendor has been executed;
 - or
 - (ii) the local governmental entity is considering entering into a contract with the vendor;
 - (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
 - (i) a contract between the local governmental entity and vendor has been executed; or
 - (ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

- (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
- (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
- (3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

- (1) the date that the vendor:
 - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
 - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
- (2) the date the vendor becomes aware:
 - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

Certification Regarding Lobbying

(To be submitted with each bid or offer exceeding \$100,000)

The undersigned certifies, to the best of his or her knowledge and belief, that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(c) The undersigned shall require that the language paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995).

The Contractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFQ) number; Invitations for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Included prefixes, e.g., "RFQ-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.
(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).
11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503

APPLICABLE REGULATIONS	
<p>As stated in the ARPA/SLFRF Terms & Conditions: <i>“OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement), 2 CFR Part 180, including the requirement to include a term or condition in all lower tier covered transactions (contracts and subcontracts described in 2 CFR Part 180, subpart B) that the award is subject to 2 CFR Part 180 and Treasury’s implementing regulation at 31 CFR Part 19.”</i></p> <p>Also, Federal Executive Order (E.O.) 12549: <i>“Debarment”</i> requires that contractors, beneficiaries or subrecipient organizations and their principals – who are receiving awards, using federal funds, are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency from doing business with the federal government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify you from receiving or retaining funds. Information on debarment is available at the following website: www.sam.gov</p> <p>Be advised that we may pursue available remedies per 2 CFR 180.360 as an ARPA recipient entity: <i>“If a federal agency later determines that you failed to tell the [awarding agency] that you were excluded or disqualified at the time you entered into the covered transaction with that person/awarding agency, the agency may pursue any available remedies, including suspension and debarment.”</i></p>	
(INITIAL)	CERTIFICATION & SIGNATURE
	We hereby certify that we are not excluded, disqualified, or debarred from receiving federally funded awards.
	We hereby confirm that if that status should change within the course of this agreement, we will provide notification immediately. Failure to do so may result in the termination of this agreement and/or the repayment of funds.
<p><i>Your signature certifies that neither you nor your principal(s) is/are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.</i></p> <p align="right">_____</p> <p align="right">Signature</p>
