Re: Engineer's Recommendation to Award Letter, Colorado County's Sewer Improvements Texas General Land Office Community Development & Revitalization Contract 24-065-079-E734 CID 03

Honorable Judge Ty Prause and Commissioners:

Weishuhn Engineering, Inc. (WEI) has advertised and received bids on behalf of Colorado County for the aforementioned project. Bids were based on our Texas General Land Office approved Plans and Specifications, dated December 4, 2024.

Three bids were received, opened and read aloud on February 19, 2025 at the Courthouse Annex, 300 Spring Street Suite 100. Capital Underground Utilities, LLC submitted the apparent low bid of \$119,125.00 for the scope of work. Capital Underground Utilities, LLC provided the required supporting bond, forms and documentation with their bid with the exception of an insurance certificate, Davis Bacon rates and a completed Form 1295. These items were promptly submitted.

WEI's review of Capital Underground Utilities, LLC bid did not identify any errors in calculation. Capital Underground Utilities, LLC's bid is not an irregular bid and appears to be acceptable.

Accordingly, WEI has identified Capital Underground Utilities, LLC as the apparent low bidder for the aforementioned project and recommends that they be awarded the scope of work in the amount of \$119,125.00.

Re: Consulting Engineer's Recommendation to Award Letter, Colorado County's Stand-by Electrical Generators Texas General Land Office Community Development & Revitalization Contract 24-065-079-E734 CID 02

Honorable Judge Ty Prause and Commissioners:

Weishuhn Engineering, Inc. (WEI) has advertised and received a bids on behalf of Colorado County for the aforementioned project. Bids were based on our Texas General Land Office approved Plans and Specifications, dated December 4, 2024.

Four bids were received, opened and read aloud on February 19, 2025 at the Courthouse Annex, 300 Spring Street Suite 100. Frnka Electric submitted the apparent low bid for \$746,187.56 for the scope of work. Frnka Electric provided the required supporting bond, forms and documentation with their bid.

WEI's review of Frnka Electric's bid did identify errors in rounding of unit costs as part of the total cost calculation. WEI confirmed with Frnka Electric that the error was made and accordingly, Frnka Electric's bid is not an irregular bid and appears to be acceptable.

Accordingly, WEI has identified Frnka Electric as the apparent low bidder for the aforementioned project and recommends that they be awarded the scope of work in the amount of \$746,187.56.
