

Compact with Texans

The Texas Department of Motor Vehicles (TxDMV) is the entity responsible for registering and titling motor vehicles and issuing license plates, licensing motor vehicle dealers and salvage dealers, issuing permits to transport oversize/overweight cargos and motor carrier credentials, enhancing information technology systems to improve customer service, providing TxDMV customers with a “one-stop shop” through the Customer Contact Center to facilitate questions regarding TxDMV services, conducting investigations and enforcement activities such as Lemon Law and household goods carriers complaints and finally, deterring motor vehicle burglary and theft. All these activities require communication and interaction with our customers and stakeholders.

Colorado County Vision

Colorado County sets the standard as the premiere provider of customer service to the state of Texas.
