The Sanderson Sheriff's Office continues to remain busy, mainly by providing assistance to the United States Border Patrol with the detention, apprehension and transportation of illegal aliens. We did see a slowdown in activity due to the rain.

During the month of Assisted, we assisted with the apprehension of approximately 22 illegal aliens and disrupted 6 illegal alien smuggling events. Sadly, we conducted three more recovery efforts of illegal aliens due to heat related illnesses. This brings us to a total of 12 illegal alien deaths due to heat related illnesses in Terrell County this year. Additionally, DPS had a pursuit that resulted in a head-on collision killing four people.

Chief Deputy Gonzales, the Treasurer's Office and Tina Glass have made great strides in reconciling Operation Lone Star grant expenditures so we can submit for reimbursement from the state. With that said, we've seen an increase in productivity and cooperation through improved communication in both offices.

Sincerely,

Thaddeus C. Cleveland  
Sheriff  
Terrell County
