DUE TO PUBLIC HEALTH EMERGENCY**

WHEREAS, a novel coronavirus, now designated SARS-CoV2 which causes the disease COVID-19, has been declared a global pandemic by the World Health Organization; and

WHEREAS, the symptoms of COVID-19 can range from mild to severe illness and cause further complications including death; and

WHEREAS, COVID-19 virus mainly spreads between people who are in close contact with one another through respiratory droplets produced when an infected person coughs or sneezes; and

WHEREAS, on March 13, 2020, the Governor of the State of Texas issued a proclamation certifying that COVID-19 poses an imminent threat of disaster in the state and declaring a state of disaster for all counties in Texas; and

WHEREAS, on March 31, 2020, the Governor of the State of Texas, issued Executive Order GA-14 ordering the following on a statewide basis effective 12:01 a.m. on April 2, 2020, and continuing through April 30, 2020, subject to extension based on the status of Covid-19 in Texas and the recommendations of the CDC and the Whitehouse Coronavirus Task Force:

In accordance with guidance from DSHS Commissioner Dr. Hellerstedt, and to achieve the goals established by the President to reduce the spread of COVID-19, every person in Texas shall, except where necessary to provide or obtain essential services, minimize social gatherings and minimize in-person contact with people who are not in the same household.

“Essential services” shall consist of everything listed by the U.S. Department of Homeland Security in its Guidance on the Essential Critical Infrastructure Workforce, Version 2.0, plus religious services conducted in churches, congregations, and houses of worship. Other essential services may be added to this list with the approval of the Texas Division of Emergency Management (TDEM). TDEM shall maintain an online list of essential services, as specified in this executive order and in any approved additions. Requests for additions should be directed to TDEM at EssentialServices@tdem.texas.gov or by visiting www.tdem.texas.gov/essential-services.

In providing or obtaining essential services, people and businesses should follow the Guidelines from the President and the CDC by practicing good hygiene, environmental cleanliness, and sanitation, implementing social distancing, and working from home if possible. In particular, all services should be provided through remote telework from home unless they are essential services that cannot be provided through remote telework. If religious services cannot be conducted from home or through remote services, they should be conducted consistent with the Guidelines from the President and the CDC by practicing good hygiene, environmental cleanliness, and sanitation, and by implementing social distancing to prevent the spread of COVID-19.

In accordance with the Guidelines from the President and the CDC, people shall avoid eating or drinking at bars, restaurants, and food courts, or visiting gyms,

massage establishments, tattoo studios, piercing studios, or cosmetology salons; provided, however, that the use of drive-thru, pickup, or delivery options for food and drinks is allowed and highly encouraged throughout the limited duration of this executive order.

This executive order does not prohibit people from accessing essential services or engaging in essential daily activities, such as going to the grocery store or gas station, providing or obtaining other essential services, visiting parks, hunting or fishing, or engaging in physical activity like jogging or bicycling, so long as the necessary precautions are maintained to reduce the transmission of COVID- 19 and to minimize in person contact with people who are not in the same household.

In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes, state supported living centers, assisted living facilities, or long-term care facilities unless to provide critical assistance as determined through guidance from the Texas Health and Human Services Commission.

This executive order shall supersede any conflicting order issued by local officials in response to the COVID-19 disaster, but only to the extent that such a local order restricts essential services allowed by this executive order or allows gatherings prohibited by this executive order. I hereby suspend Sections 418.1015(b) and 418.108 of the Texas Government Code, Chapter 81, Subchapter E of the Texas Health and Safety Code, and any other relevant statutes, to the extent necessary to ensure that local officials do not impose restrictions inconsistent with this executive order, provided that local officials may enforce this executive order as well as local restrictions that are consistent with this executive order.
