COUNTY CLERK
SAN JACINTO COUNTY, TEXAS

Honorable John Lovett and Commissioners
San Jacinto County

Dear Honorable John Lovett and Commissioners:

There has been some questioning as to the status of an inventory of the Old Jail Museum artifact inventory. I have personally used my volunteered time using my truck, my computer and my printer to create the lists attached with help from some volunteer grad students from Sam Houston State. This was a big task as you can see from the lists taking several months and about 144 hours of my time. There are 2 lists attached, a **Donation List** from archives of past chairman person journals and an **Inventory List** that is a report of physical looking and seeing each item. We are still in the process of auditing and reconciling the lists, this process will a little more time to complete if it is relevant. These lists are electronic and can live on beyond my term.

When I took the chairmanship **Mr. Steve Watson** sent me some 16 pictures of a journal of donation list items some from pre 1980 when the county museum was in the basement of the courthouse. I found this journal, other journals and other forms that the donation list was compiled from. Never did I promise Steve Watson any list, or any information. It has been the County Historical Commissions decision not to publically publish these for security reasons unless requested under freedom of information act. He is now slandering me on his blog along with Barbara Shelton and my wife about this matter saying we are pilfering and plundering the museum and its artifacts.

I find this kind activity of lies and untruths as being totally unproductive and if he has proof of Barbara Shelton, my wife or me doing anything wrong like taking items from the museums he needs to file charges with the District Attorney. This is the exact kind of things that go on in this county that makes **no one** want to serve as a volunteer in this county.

I was going to present this to Commissioners Court in December or January but I didn't want to appear as if I was grand standing as I am running for public office. Please forgive me for being tarty in giving this to you if I am required to do so.

Sincerely,

Ray McCoppin
