Fuel and Oil for Fannin County-All Precincts and Sheriff's Office

Below Specifications and Bid Sheets:

GENERAL: It is the intent of the following specifications to describe Gasoline, Diesel Fuel and Oil needed by Fannin County for the contract year of 2025-2026 with the option to renew for two (2) additional terms of twelve (12) month periods.

DELIVERY LOCATION: All commodities are to be delivered directly to Fannin County location releasing the supplies for delivery.

PRICE: Due to the fluctuation of fuel and oil prices, Fannin County is requesting that bidders structure their bid to include the "current published" cost of fuels and bulk oil effective January 7, 2025 prior to the bid closing date, and their "profit margin". In this manner, prices for this annual contract shall be tied to a "cost / plus basis", accountable to the published costs. A copy of the rack price sheet from which the bid pricing is based upon shall be included in the bid packet. All price re-determinations shall be supported by a copy of the effective publication reflecting the cost increase.

IF DURING the life of the contract, the successful bidder's net prices to other customers for fuel & oil

awarded herein are reduced below the contracted price, it is understood and agreed that the benefits of such reduction shall be extended to Fannin County.

FUELS: All fuels delivered under this contract will be high quality volatile hydrocarbon fuels free from any foreign substances or water, or any alcohol additives or extenders which may damage vehicles/equipment or contaminate storage tanks. All fuels sold under this contract shall be of the same quality or better than that which is available to the general public through retail outlets.

TEMPERATURE ADJUSTMENT: The successful bidder shall make compensation for change in temperature of fuel at loading point at the time the fuel was unloaded into the transport and must show the correction and adjustment made in gallons delivered to each entity using 60° F as the normal temperature reading. The bidder shall state in his bid the method for making such adjustments for temperature. Delivery slips reflecting gross gallons temperature and adjusted gallons must be available at the time of delivery.

Any violation of the above specifications by the successful bidder will constitute just cause for the Commissioners Court to cancel the contract should it so desire.

SUCCESSFUL BIDDER SHALL defend, indemnify and hold harmless Fannin County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful bidder, or of any agent, employee, subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful bidder shall pay any judgment with cost which may be obtained against Fannin County growing out of such injury or damages.
