March 17, 2020

Dear Governor

The [**Ochiltree,County**, Texas, do hereby certify that COVID-19 poses an imminent threat of disaster to [**OchiltreeCounty**.

The novel coronavirus now designated SARS-CoV-2 which causes the disease COVID-19, has spread through the world and has now been declared a global pandemic by the World Health Organization. President Donald Trump has proclaimed the COVID-19 outbreak a national emergency in the United States; and Governor Greg Abbott has declared a state of disaster for all counties in Texas;

The potential impact of this threat is:

The risk of spread of the infectious disease when necessary mitigation has not been put in effect for large gatherings

Costs have been incurred to prepare for and respond to COVID-19 and are beginning to mount at the county and municipal levels.

I have determined that this incident is of such severity and magnitude that an effective response is beyond the capability of the [county/city] to control. Pursuant to §418.108 of the Texas Government Code, I am requesting that you declare a state of emergency for **Ochiltree County**, Texas, and issue appropriate directives to deal with the emergency.

Furthermore, I am asking that successive proclamations be issued and remain in effect until the threat of loss of life, injury, or damage property is contained.

A timely response to this request would be appreciated.

Ochiltree County, Charles Kelly, County Judge
