

ORDER OF THE COMMISSIONERS COURT OF HILL COUNTY,
TEXAS DESIGNATING, CREATING AND ESTABLISHING COUNTY
REINVESTMENT ZONE NO. 006

WHEREAS, pursuant to Chapter 312, Subchapter C of the *Texas Property Tax Code* and the Third Amended and Restated Hill County Tax Abatement Guidelines, the Hill County Commissioners Court is authorized to create county reinvestment zones for purposes of allowing for tax abatements to encourage the expansion and/or retention of primary employment, attract major investment to the zone, and contribute to the economic development of Hill County;

WHEREAS, Hubbard Wind, LLC is proposing to develop and construct/install facilities and equipment for, and the operation of a 120 MW AC electric generating wind facility featuring approximately 40 wind turbines and other equipment in an unincorporated area of Hill County (hereinafter "Project") on the land described in Exhibit "A" which is attached hereto and incorporated herein by reference. This is part of a larger project that includes facilities in Limestone County;

WHEREAS, notice of the consideration by the Commissioners Court of the creation of a County Reinvestment Zone having the same boundaries as the property boundaries set forth in Exhibit "A" and the public hearing thereon was given in accordance with Section 312.401 of the *Texas Property Tax Code*;

WHEREAS, a public hearing was held in accordance with Section 312.401 of the *Texas Property Tax Code*; and

WHEREAS, after considering the information before it, including input from the public hearing, the Commissioners Court finds that creation of the Reinvestment Zone is in the best interest of the County and its citizens.

NOW, THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF HILL COUNTY, TEXAS THAT:

1. the above recitals are incorporated herein for all purposes;
2. the Commissioners Court hereby finds that the creation and establishment of a County Reinvestment Zone having the boundaries set forth in Exhibit "A" would contribute to the retention or expansion of primary employment or would attract major investment in the zone that would be a benefit to the property to be included in the zone, would be a benefit to the taxing units with jurisdiction over the land after expiration of the Zone or any abatement agreements entered into for property within the Zone, would contribute to the economic development and tax base of Hill County; and would support the Texas economy and the environment by providing clean energy; and

3. County Reinvestment Zone No. 006 having the boundaries set forth in Exhibit "A" is hereby created, designated and established, which Zone shall be eligible for tax abatement subject to the *Texas Property Tax Code*, the Third Amended and Restated Hill County Tax Abatement Guidelines, and approval of any applicable Tax Abatement Agreements by this Commissioners Court.

PASSED and APPROVED at a meeting of the Hill County Commissioners Court noticed and held in accordance with Chapter 551 of the *Government Code* on September 8, 2020.

EXHIBIT A

Approximately 100,990 acres of land in unincorporated, southern Hill County, Texas near the border with Limestone County, Texas

Such land is proposed to be leased, which land is in adjoining parcels capable of combination for use in a Project qualifying for tax abatement, being a wind farm and transmission facilities capable of generating and transporting electricity. The boundary of the proposed Reinvestment Zone is delineated by the outside boundary lines of the outermost parcels forming the approximately 100,990 acre unit intended for production of wind energy. Although the zone includes for boundary-purposes all of the below-listed parcels, it is likely that not all of the parcels will be leased and used for the project.
