

NOTICE OF REQUEST FOR BID PROPOSALS FOR THE HILL COUNTY
HISTORIC CELL BLOCK MUSEUM BUILDING
FOUNDATION REPAIRS
120 N. WACO ST
HILLSBORO, TX 76645

Hill County, Texas is seeking proposals from qualified offerors for the award of a contract to perform Foundation Repairs to the Hill County Cell Block Museum located at 120 N. Waco St. Hillsboro, TX.

The work includes, but not necessarily limited to placement of helical piers (or other accepted technology) and pressure grouting to reinforce and level the foundation. Any created voids must be filled using pressure grouting. The proposed methods to be used shall help ensure that no additional future settlement occurs. The proposals shall include a detailed work plan, description of the proposed technology, and pricing. The County will accept and/or reject bids based on the lowest and best bid. For information regarding the project and to schedule an onsite visit, please contact County Judge Justin W. Lewis at (254) 582-4020.

Bid proposals will be accepted by the County until 2:00 p.m. on Thursday, January 18, 2024. Proposals must be clearly marked on the outside, "Hill County Waco Street Support Services Building Roof Repair and/or Replacement" and must be sent or delivered to the Office of the Hill County Judge, 80 N. Waco St., Hillsboro, TX, 76645. Faxed or electronically submitted proposals will not be accepted. Proposals will be opened and publicly acknowledged at 2:15 pm on January 18, 2024.
