THE STATE OF TEXAS

OF

§

HILL COUNTY, TEXAS

WAIVER OF TX C.C.P., ART. 39.14 ADDITIONAL DISCLOSURES

Comes now the defendant and hereby waives any additional right to inspection or copying of discoverable items in the State's possession as permitted by Texas Code of Criminal Procedure article 39.14, other than to the State's continuing duty under article 39.14(k), as well as under the United States and Texas Constitutions, to provide exculpatory, impeachment, or mitigation evidence tending to negate the defendant's guilt or tending to reduce his punishment for the charged offense. My attorney has fully and completely explained to me my right to further discovery pursuant to article 39.14, and I understand that right. I am freely, knowingly, and voluntarily waiving that right after my attorney has fully informed me of the consequences of this waiver. I am waiving the right to additional discovery in order to accept the State's recommended punishment. I am choosing to agree to the State's recommendation of my own volition because I believe it is in my best interests to accept the agreement after receiving the full advice of counsel and explanation of my rights.

I represent the defendant in this case, and I believe that this document was executed by him freely, knowingly, and voluntarily, and after I fully discussed this waiver and its consequences with him. I believe that he understands the consequences of this waiver, that he is competent to knowingly make this waiver, and along with him and at his instruction I also waive any further discovery pursuant to article 39.14 to which the defendant was entitled, other than to the State's continuing duty under article 39.14(k), as well as under the United States and Texas Constitutions, to provide exculpatory, impeachment, or mitigation evidence tending to negate the defendant's guilt or tending to mitigate punishment for the charged offense.

This document was executed by the defendant, defendant's attorney, and then filed with the papers of the case. The defendant came before me and I approved the above waiver along with the defendant's plea of guilty or no contest. After I admonished the defendant of the consequences of his waiver, I ascertained that defendant entered it knowingly and voluntarily after discussing it with defendant's attorney. It appears that the defendant is mentally competent to waive any additional discovery, and is doing so freely and voluntarily. I find that the defendant's attorney adequately informed defendant of his article 39.14 rights and the effects of this waiver.
