The deed of trust permits the Mortgagee of Record to postpone, withdraw, or reschedule the sale for another day. - 3. Terms of Sale. The sale will be conducted as a public auction to the highest bidder for cash, subject to the provisions of the deed of trust permitting the Mortgagee of Record thereunder to have the bid credited to the note up to the amount of the unpaid debt secured by the deed of trust at the time of sale.

Those desiring to purchase the property will need to demonstrate their ability to pay their bid immediately in cash if their bid is accepted.

The sale will be made expressly subject to any title matters set forth in the deed of trust, but prospective bidders are reminded that by law the sale will necessarily be made subject to all prior matters of record affecting the property, if any, to the extent that they remain in force and effect and have not been subordinated to the deed of trust. The sale shall not cover any part of the property that has been released of public record from the lien of the deed of trust. Prospective bidders are strongly urged to examine the applicable property records to determine the nature and extent of such matters, if any.

If the sale is set aside for any reason, the Purchaser at the sale shall be entitled only to a return of the deposit paid. The Purchaser shall have no further recourse against the Mortgagor, the Mortgagee or the Mortgagee's attorney.
