Notice of Changes at the Hemphill County & District Clerk's Office

At this time, I am taking precautionary measures to modify how we provide services in my office in an effort to aid in the prevention of the spread of COVID-19.

Beginning Monday, March 23, 2020, there will be limited in-person access to my office. Most of the services we provide can be done by mail, email, or by phone. We will still provide all services but in a way that will not put the public or my employees at greater risk.

My staff and I will continue to assist the courts, attorneys, and court personnel as needed. We have posted forms for birth and death records on our website that can be filled out and mailed to our office. We can accept payments by phone, on our website and by mail. Any service that can only be done in person, will be by appointment only. Our office will be staffed from 8:00 am to 5:00 pm to answer calls and do our work. I will continue to monitor the situation and make adjustments as needed. My contact information and websites are listed below. Please don't hesitate to call if there is something you need. I appreciate your understanding and cooperation during this difficult time. May God bless us all.
