Notice of Opening with Restrictions
at the Hemphill County & District Clerk's Office

At this time, my office will open with restrictions that will provide as safe an environment as possible for our customers and our employees.

Although I still encourage business by mail, email, or phone, beginning on Monday, May 4, 2020, I will allow one person at a time into my office. There are forms in the hallway outside my office and instructions for the different records we provide. You may use the table in Suite 202 to fill out forms and wait if someone else is in the office. If someone is in that room, please use the hallway where there are chairs provided.

Access to the vaults containing our records is still not allowed. These spaces do not allow for social distancing. If you need records, let us know and we will assist you.

Please don't hesitate to call if there is something you need or if you have questions. Our number is 806-323-6212. Thank you for your cooperation.
