WATER QUALITY SPECIALIST
ECTOR COUNTY HEALTH DEPARTMENT

The Ector County Health Department is seeking a Water Quality Specialist. The Water Quality Specialist will be under the direct supervision of the Health Department Director.

PRIMARY DUTIES: The Water Quality Specialist will be responsible for inspecting on-site sewage facilities (septic systems) for compliance to local ordinances and state law; inspecting non-community public water supplies including mobile home parks, apartment complexes, motels, and other facilities serving well water, inspecting public and semi-public swimming pools and spas; inspecting residential home lots and mobile home parks for V.A. and F.H.A.; assists Ector County residents with the interpretation of well water laboratory analysis; investigating environmental health complaints as well as assisting the Water Quality Program Manager in training of ECHD personnel in water quality issues.

MINIMUM QUALIFICATIONS: Preferred Bachelors degree in a scientific field (30 hours in a Life/Natural Science) from an accredited college or university with at least thirty semester hours of a basic or natural science. Be able to type 35wpm, file in alphabetical order with minimal errors and have legible handwriting. Must have a valid Texas Driver's License with an insurable driving record.

SALARY: DOE plus excellent benefits; Monday thru Friday, 8:00 a.m. – 5:00 p.m.; may be required to occasionally work weekends.

DEADLINE: Until sufficient applications have been submitted for consideration.

Please apply at the Ector County Annex Building located at 1010 E. 8th, Human Resources Department, Room 126, Odessa, Texas 79761. Ector County does not discriminate on the basis of race, color, national origin, sex, religion, age and disability in employment or the provision of services.

NOTICE: Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States. This employer will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DJHS), with information from each new employee's Form I-9 to confirm work authorization. Passing a pre-employment urinalysis drug screen is required.
