Mark,

Commissioners Court has not determined the length of the aviation fuel contract, please see the first paragraph on page 9 of the RFP when submitting multi-year contracts.

"Any contract awarded as a result of this RFP shall be contingent on sufficient funding and authority being made available in each fiscal period by the appropriate officials of Presidio County. If sufficient funding or authority is not made available for any fiscal period, such contract shall become null and void as of the beginning of such fiscal year."

Mike,

Yes, each year will still require Commissioners Court approval at the beginning of each fiscal year.

Hi Katie,

Please, call me Mike.

So what you are saying is that we could request a five year term?
