VARIANCE REQUEST – Describe what variance is requested:

Describe the special circumstances existing to justify granting a variance

FACTORS THE COMMISSIONERS COURT WILL CONSIDER INCLUDE:

1. The actual situation of the property in question in relation to neighboring or similar properties, such that no special privilege not enjoyed by other similarly situated properties may be granted;
2. Whether strict enforcement of the Regulations would deny the Applicant the privileges or safety of similarly situated property with similarly timed development;
3. That the granting of the variance will not be detrimental to the public health, safety and welfare, or injure other property or will not prevent the orderly subdivision of the land in the area in accordance with these Regulations;
4. Whether there are special circumstances or conditions affecting the land or proposed development involved such that strict application of the provisions of these Regulations would deprive the applicant of reasonable use of their land and that failure to approve the variance would result in undue hardship to the applicant. Monetary hardship, standing alone, shall not be deemed to constitute an undue hardship.
