Irish Coddle

Recipe courtesy of Casey Elsass for Food Network Kitchen

Like many traditional dishes, the recipe for Irish coddle (also known as Dublin coddle) varies widely from family to family. Born in 1700s inner-city Dublin tenements, it's a grab-what-you-have kind of stew that simmers low and slow to peak deliciousness. The building blocks of the dish—bacon, sausage, onions, potatoes and plenty of parsley and black pepper—add up to more than the sum of their parts, creating a dark, flavorful broth and an incredibly warm bowl of nourishment. Serving with slices of soda bread is a must and adding a splash of Ireland's favorite beer, while optional, is very highly recommended!

Level: Easy

Total: 2 hr 40 min

Active: 40 min

Yield: 6 servings

Ingredients:

- 1 pound thick-cut bacon, cut into 1-inch pieces
- 1 pound Cumberland sausage or any mild pork sausage, cut into 1-inch pieces
- 2 large white onions, halved and thinly sliced
- Kosher salt
- 1 cup fresh parsley leaves, finely chopped
- Freshly ground black pepper
- 3 pounds russet potatoes, peeled and quartered
- 1/4 cup Irish stout, such as Guinness, optional
- Irish soda bread, for serving

Directions:

- 1 Preheat the oven to 300 degrees F.
- 2 Add the bacon to a large Dutch oven and set over medium heat. Cook, stirring occasionally, until the fat renders, about 10 minutes. Add the sausage and increase the heat to medium high. Continue to cook, stirring occasionally, until the bacon and sausage are nicely browned, about 10 more minutes. Remove the pot from the heat and use a slotted spoon to transfer the bacon and sausage to a plate.
- 3 Drain the fat from the pot and return it to medium heat. Add the onions, a pinch of salt and 1/4 cup water. Use a wooden spoon to scrape the brown bits from the bottom and sides of the pot, then sprinkle the onions with 1 tablespoon of the parsley and plenty of black pepper. Layer the bacon and sausage over the onions and sprinkle with 1 tablespoon parsley and more black pepper. Layer the potatoes over the meat and add enough water to submerge everything but the potatoes, about 2 cups. Season the potato layer with a pinch of salt and plenty of black pepper and sprinkle with 1 tablespoon parsley. Bring the liquid to a boil (don't stir!), then cover and transfer to the oven. Bake, checking halfway to add more water if needed, until the onions are very tender and caramelized and the liquid has reduced slightly, about 2 hours.
- 4 Finish with a pour of stout, if using, and a final garnish of the remaining parsley. Serve immediately with soda bread.

St. Patrick's Day Mint Shakes

Recipe courtesy of Food Network Kitchen

Milk shakes, like other simple concoctions, are only as good as their ingredients, so use high-quality ice cream and vanilla extract. Combining peppermint extract and vanilla ice cream gives the drink an extra-refreshing, minty flavor you wouldn't get from using regular mint chip ice cream.

Level: Easy

Total: 5 min

Prep: 5 min

Yield: 1 or 2 servings

Ingredients:

- 1 pint vanilla ice cream (2 cups)
- 1/4 cup whole milk
- 1/2 teaspoon peppermint extract
- 1/2 teaspoon pure vanilla extract
- 3 or 4 drops green liquid food coloring
- Whipped cream and green sanding sugar, for garnish

Directions:

Blend the ice cream, milk, peppermint extract, vanilla and food coloring in a blender until smooth. Pour into one or two serving glasses and garnish with whipped cream and sanding sugar.
