

JUDICIAL DISTRICT COURT
20TH JUDICIAL DISTRICT
MILAM COUNTY, TEXAS

MEDICAL STANDING ORDER FOR ALL CPS CASES

Pursuant to §107.003 of the Texas Family Code, The Department shall send documentation of all medical appointments, dental appointments, psychiatric appointments, physical therapy, speech therapy, occupational therapy, or psychological therapy to the court appointed Ad Litem within 10 days following the treatment, without the need for a discovery request from the Ad Litem.

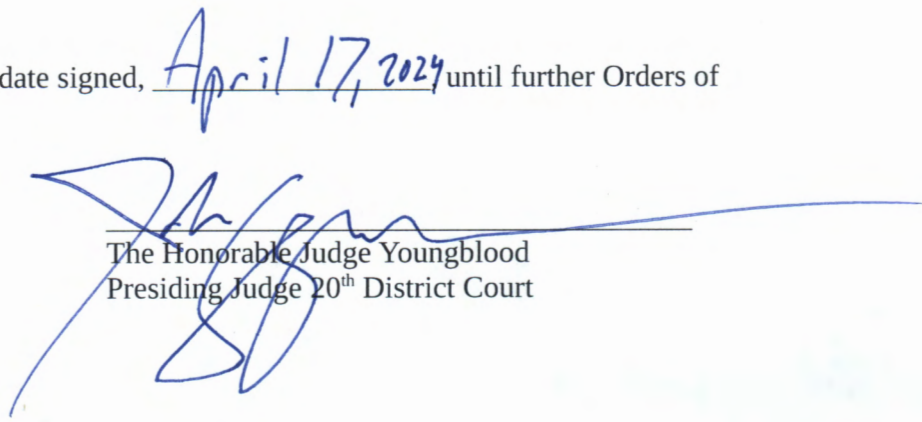

Documentation does not include a statement from the caregiver. Documentation must be from the provider of said service and have all the identifying information required to contact the provider.

Pursuant to the Family Code, the Ad Litem does not require an additional order or an ROI to receive any medical documentation for the children in the Ad Litem's caseload.

Documentation must be sent via digital transmission via email or efax. If encoded, the Department must provide the information needed to open the document. If the Department uses a program that cannot be opened by the Ad Litem then the Department is **ORDERED** to send the documents via email.

This **ORDER** is effective from the date signed, April 17, 2024 until further Orders of the Court.
