

Claim for a Permanent Exemption from Jury Service Based on Age

Government Code Section 62.107 provides that a person claiming an exemption from jury service because of age may claim a permanent exemption.

(c) A person who files a statement with a clerk of the court, as provided by Subsection (a), claiming an exemption because the person is over 75 years of age, may also claim the permanent exemption on that ground authorized by Section 62.108 by including in the statement filed with the clerk a declaration that the person desires the permanent exemption.

Your claim may be rescinded at any time should you choose to do so.

Sec. 62.108. PERMANENT EXEMPTION FOR ELDERLY. (a) A person who is entitled to exemption from jury service because the person is over 75 years of age may establish a permanent exemption on that ground as provided by this section or Section 62.107. (b) A person may claim a permanent exemption: (1) by filing with the voter registrar of the county, by mail or personal delivery, a signed statement affirming that the person is over 75 years of age and desires a permanent exemption on that ground; or (2) in the manner provided by Section 62.107(c). (c) The voter registrar of the county shall maintain a current register indicating the name of each person who has claimed and is entitled to a permanent exemption from jury service because the person is over 75 years of age. (d) The name of a person on the register of persons permanently exempt from jury service may not be placed in the jury wheel or otherwise used in preparing the record of names from which a jury is selected. (e) A person who has claimed a permanent exemption from jury service because the person is over 75 years of age may rescind the exemption at any time by filing a signed request for the rescission with the voter registrar of the county. Rescission of a permanent exemption does not affect the right of a person who is over 75 years of age to claim permanent exemption at a later time.
