

AFFIDAVIT

THE COUNTY OF HUNT
STATE OF TEXAS

According to Hunt County Subdivision Regulations for the development and subdividing of land involving on-site sewage and Hunt County On-Site Sewage Regulations, this document is filed in the Deed Records of Hunt County.

Lots with less than one- and one-half acre ($1\frac{1}{2}$) acre per Living Unit are required to file a survey designating a one half acre ($\frac{1}{2}$) "On-Site Sewage Facility No-Build Zone" per Living Unit. This designated zone / easement must meet the definition of "On-Site Sewage Facility No-Build Zone" (OSSFNBZ) as defined in the Hunt County Subdivision Regulations and On-Site Sewage Regulations.

A "On-Site Sewage Facility No-Build Zone" will be established in accordance with Hunt County Subdivision Regulations and On-Site Sewage Regulations on the property described as the following:

(Subdivision _____ Phase _____ Block _____ Lot(s) _____)

OR (Abstract _____ Tract _____)

Deed: (Volume _____ Page _____) OR (Instrument Number _____)

Property ID# _____

Property is owned by:

_____, _____
Property Owner's Full Name 911 Address of Property
The On-Site Sewage Facility No-Build Zone is hereby established as described:

SEE EXHIBIT "A"

Upon sale or transfer of the above-described property, the OSSFNBZ shall be transferred to the new owner. A copy of the On-Site Sewage System design may be obtained from the Hunt County Authorized Agent.

WITNESS BY HAND(S) ON THIS _____ DAY OF _____, _____
