Re: Tax Abatement Agreement by and between Haskell County, Texas (the "*County*") and King Creek Wind Farm 1 LLC (formerly known as King Creek Wind Farm LLC) (the "*Project Company*"), dated effective June 23, 2020 (the "*Agreement*")

Dear Judge Thompson:

I am writing to provide an update on our project that is the subject of the Agreement and to request your acknowledgment and agreement to certain matters related to the Agreement as follows.

1. Our project is expected to come on-line in the first quarter of 2022. In that connection, the Project Company experienced delays in construction from factors outside of its control as defined in Section 9.7 of the Agreement, which it has worked to remedy with all reasonable dispatch as required by the terms of the Agreement so that construction was substantially complete with all major activities and connected to the grid electrically by December 31, 2021. For greater clarity, the Project Company requests your acknowledgment on behalf of the County that the date for achieving substantial completion under Section 1.2 of the Agreement has been extended by such delays and that achievement of substantial completion by March 31, 2022 will satisfy the Project Company's obligation to use all reasonable dispatch to remedy such delay.
2. The Project Company provided notice to the County on December 20, 2021 of its election that the Commencement Date for the Abatement Period (as such capitalized terms are defined in the Agreement) begin on January 1, 2022. Accordingly, the Project Company requests your acknowledgment on behalf of the County of waiver of receipt of this election and that such notice constituted, and is valid and effective as, notice of election by the Project Company that the Commencement Date for the Abatement Period will begin on January 1, 2022.
3. The Agreement was executed by the Project Company in its former name, King Creek Wind Farm LLC, because that was its name at the time of the application. This letter will serve as notice to the County of the subsequent change in the name of the Project Company to King Creek Wind Farm 1 LLC and confirm that, notwithstanding the execution and delivery of the Agreement in its former name, such actions were on behalf of and binding upon the Project Company in its new name, King Creek Wind Farm 1 LLC. Please make note of the change in the name of the Project Company in the County's records for this Agreement.
