4. The County is exempt from federal excise and state sales tax; therefore, tax must not be included in this bid.

5. The bidder agrees if this bid is accepted, to furnish any and all materials upon which prices are offered, at the price(s) and upon the terms and conditions contained in the specifications. The period for acceptance of this bid proposal will be one hundred and eighty (180) calendar days unless a different period is noted by bidder at the time the bid is submitted by bidder.

The total period of this contract, including all extensions as a result of exercising this option may not exceed a maximum combined period of original contract period plus two (2) years.
11. Bidder's failure to comply with the terms and conditions of a contract associated with an accepted bid, shall be a basis for the determination of the contract by the County. The County shall not pay for supplies which are unsatisfactory. The County may give Contractor a reasonable opportunity before termination to correct the deficiencies. This, however, shall in no way be construed as negating the validity of the County's termination for non-performance.
12. If quantities are indicated in the bid they are estimated based upon information at the time bids are requested. The County reserves the right to increase or decrease the quantities by any amount it deems necessary to meet its needs without any adjustment in the contract price.
13. The extension of the contract associated with an accepted bid is contingent on the appropriation of necessary funds by Commissioners Court for the fiscal year in question. Upon the failure of Commissioners Court to so appropriate in any fiscal year, Contractor may elect to terminate this agreement, with no additional liability to the County. County and Contractor agree that termination shall be Contractor's sole remedy under this circumstance.
14. The bid award shall be based on, but not necessarily limited to the following factors:
  - Total price
  - Special needs and requirements of Coryell County
  - Coryell County's evaluation of Contractor's ability
  - Contractor's past performance record with any Texas county

15. If this bid is accepted and approved by the Commissioners Court then this bid shall be incorporated into a contract. No oral agreements either expressed or implied shall be valid. No different or additional terms will become part of this contract unless agreed upon by both parties.
16. The Contractor shall make himself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances and regulations that, in any manner, affect the conduct of the work.
17. All insurance requirements, including workers' compensation and liability, as outlined under state law, shall be met prior to any services rendered and shall remain in effect during the time of the contract associated with an accepted bid. Payments shall not become due and payable until such certificates have been filed.
18. The parties herein agree that the contract associated with an accepted bid shall be enforceable in Coryell County, Texas; and, if legal action is necessary to enforce it, exclusive venue shall lie in Coryell County, Texas.
19. The contract associated with an accepted bid shall be governed by and construed in accordance with the laws of the State of Texas and all applicable federal laws.

22. If a court of competent jurisdiction determines that any term of the contract associated with an accepted bid is invalid or unenforceable to any extent under applicable law, the remainder of the contract associated with an accepted bid (and the application of this agreement to other) shall not be affected thereby, and each remaining term shall be valid and enforceable to the fullest extent permitted by law.
