**PRESS RELEASE, FOR IMMEDIATE RELEASE:
IMPACT OF COVID-19**

On behalf of the Presidio County Judges Office, we would like to personally thank all members of our community who reached out to assist travelers who were stranded due to the inclement weather in our community. We are happy to report that in addition to the dedicated officers at the Presidio County Sheriff's office, the Marfa Police Department, the Volunteer Fire Department and our hardworking EMS; we had students, school officials and community members come together to support and assist those in need of shelter and assistance.

Once again, thank you all for your efforts!

May all of you remain vigilant and hopeful. Please know that you and your families are in my prayers. I wish everyone a safe New Year.

God Bless You,
