Re: 33<sup>rd</sup>-35<sup>th</sup> Positive COVID-19 Test Results in Hunt County

The 33<sup>rd</sup>-35<sup>th</sup> positive test results for COVID-19 have been reported in Hunt County. The Hunt County Health Department completed an initial investigation and determined that the individuals in question reside in Hunt County. The general information for the patients is as follows:

#33 – Female, aged 0-17, ZIP Code 75401;

#34 – Male, aged 0-17, ZIP Code 75401; and

#35 – Male, aged 0-17, ZIP Code 75401.

Also, Hunt County is retracting the positive test for Case Number 29, issued at 4:30pm on April 19, 2020, due to problems with a fax communication related to that particular case. For ease of tracking and reporting, the County will continue to use the individual tracking numbers previously reported on earlier releases, but Case Number 29 has not tested positive at this time. Accordingly, there are 34 total positive tests which will appear in the County's reporting at this time.
