OPEN PUBLIC HEARING CALLED AT 9:02 AM.

McCulloch County Citizen Gary Markle was present to voice his concerns over the proposed tax rate increase. He stated that with the economy in such a state with increases in the cost of living in all areas that a tax rate increase will be very hard on citizens of McCulloch County. The Court heard Mr. Markle and addressed his concerns stating that with the increase of salaries, insurance, fuel, and utilities, it is necessary for the increase in the tax rate to ensure McCulloch County had a working budget.

Mikkie Williams brought up the concern of the County Attorney supplemental payment that will need to be addressed with the current and incoming County Attorneys. The supplemental payments are based on longevity in the position therefore the amount the former County Attorney was paid would not be the same amount that they would be paid.

Having no further business, the meeting adjourned with Commissioner Deans making the motion and seconded by Commissioner Kemp. All in favor motion carried. 5-0
