Discussion:

1. The Court met with the City of Brady to discuss EMS service within the City of Melvin and the possibility of amending the current Interlocal Agreement with the City of Brady for EMS service. There was no discussion about amending the current Interlocal Agreement with the City of Brady for EMS Service. The City of Brady acted and approved the receiving of a \$14,000 grant from the Concho Valley Regional Advisory Board to pay the balance owed by the City of Melvin and this in turn would grant EMS services to the City of Melvin through the rest of the FY ending on September 30, 2025. This is a temporary fix to the EMS service and discussion will continue with the City of Brady, City of Melvin, and McCulloch County to find a permanent arrangement.

Action:

Having no further business, the meeting adjourned at 7:16 PM with Commissioner Deans making the motion and seconded by Commissioner Bratton. All in favor motion carried. 5-0
